America's Destiny
Christ or Anti-Christ?

A frank discussion of the Jewish problem in America and the future of this country as the Zion of Bible prophecy!

"Therefore endure hardness, as a good soldier of Jesus Christ No man that warreth entangleth himself with the affairs of this life; that he may please Him who hath chosen him to be a soldier"-(2 Timothy 2:3, 4)

DEDICATION

This book is dedicated to my good friend and Christian patriot-soldier, Sheldon Emry, former pastor of LORD'S COVENANT CHURCH, Phoenix, Arizona, now deceased. It was the inspirational and scriptural enlightenment I received from him that caused me to tape the messages contained in this book and then put them into print. I considered him to be one of the best Bible teachers America has produced and one of the very few who "handled aright the Word of truth."

My thanks go out to this brother, for his fearless stand for God and white Christian America.

PROLOGUE

'And ye shall know the truth, and the truth shall make you free," (St. John 8:32) - Jesus Christ.

In the spring of 1979, after fifteen years of intensive effort as a "Lay" evangelist and lecturer, which had taken me into more than 2800 communities in 49 States and five foreign countries, I learned the "truth" for the first time.

It was not that I was blind as far as spiritual truth is concerned, for I gave my heart to the Lord in a Communist prison in Korea in 1948 and I had been a diligent student of the scriptures ever since, obtaining my degrees in Doctor of Letters and Master of Theology by extensive correspondence work. I read the Bible through at least twice every year. I believed the Old Book from cover to cover; I was a "Hard-nosed" fundamentalist, who refused to compromise with liberalism of any

sort.

But there was something missing. There had been many times during these fifteen years, when I had been deeply concerned by American aid to the Zionist movement in Palestine, as I saw them rob and murder the people who had lived there in relative peace for centuries. "How could these be God's Chosen People and yet act contrary to everything Moses taught?" I asked myself. But I accepted the popular teaching in fundamental circles, that the Jews were indeed the Chosen people; that the Jews were "all of Israel," and that America must support them, regardless of what they do, or accept the curse of God on our land.

Then one day, during my daily devotional reading, I came across a story told in 2 Chronicles 18 and 19. It told of a good king from Judah named Jehosophat, as he traveled north to help a wicked fellow named Ahab, in his battle against the Assyrians. During this battle, Ahab was killed, in spite of the use of typical Jewish trickery. When Jehosophat returned to his capitol city of Jerusalem, he was met by a Prophet of the Lord named Jehu, who told him: - Shouldest thou help the ungodly, and love them that hate the Lord? therefore is wrath upon thee from before the Lord," (2 Chronicles 19:2). I had always applied this principle to atheistic nations such as the Soviet Union and Red China, but never to the equally atheistic, God-hating Israeli.

Could it be that America's problems are being escalated because we are aiding the enemies of our God? I think they are!

But this idea was completely foreign to what I had been taught in my fundamental church and in the Seminary. They taught, almost without fail, that the people we now know as Jews were the Chosen People of God, and that God would "Bless them that bless the Jews, and curse them that refused to aid the Jews." I was told by my pastor, over and over again: "The reason God has blessed America is because we have loved and aided the Jews." A little intelligent reflection told me this was wrong. America has not been blessed since we aided the Zionists in their conquest of Palestine. Our greatest moral, spiritual and political recession has come since 1948, when we backed the Zionist grab of Palestine. They have been a thorn in our side ever since and we have poured billions of dollars down the "rat hole" of Zionism, while they have exerted untold control over our federal and local governments. Not only that, but a little honest, diligent study shows that they are the "driving force" behind One-World Government, which is designed to bring the United States into a great Socialist controlled dictatorship along with the Communist and Socialist countries. They are behind the movement to "wipe Christianity from the face of the earth." I believe I will be able to prove this to you before you have finished reading these messages.

The people we call Jews do not meet the spiritual criteria for God's People, as laid down in the scriptures; so I began to search the scriptures, always calling on the Holy Spirit for enlightenment and guidance. I came up with a series of messages, which are found in this book.

In the summer of 1979, at the Annual Festival of the Christian Patriots Defense League in Louisville, Illinois, I had the privilege of meeting a Christian-Patriot pastor, who I believe was one of the finest Bible teachers in the United States. He pastored the Lord's Covenant Church in Phoenix, Arizona and was known across America on the radio as Pastor Sheldon Emry. (now deceased) He was a tremendous help and encouragement to me, as I sought for the truth.

This book is divided into two parts. Part One - Identifying Ourselves will contain my findings concerning the spiritual heritage of White, Anglo-Saxon, Celtic, Germanic and Scandanavian people, who have become known as Christendom. There will be three chapters, each a separate message, dealing with the Lost Tribes of Israel and their relationship to White Christians.

In part two - "THE ENEMY," I will try and deal intelligently with those in the Bible "who say they are Jews, and are not, but are of the synagogue of Satan," (Revelation 2:9).

My deepest appreciation goes to the following people, from whom I have taken most of my documentation. The Holy Bible, was of course, my first and foremost source of information and I

will quote from it with frequency.

The following books by Pastor Sheldon Emry, plus dozens of hours of listening to his tapes, set the background for my research: "PAUL AND JOSEPH OF ARIMATHEA-" "THE OLD JERUSALEM IS NOT THE NEW JERUSALEM;" "RUSSIA WILL INVADE AMERICA."

In addition, I did over 6,000 pages of reading and several hundred hours of research in the following books: "THE COVENANT PEOPLE;" "CHRISTIANITY AND THE SURVIVAL OF THE WEST," Dr. Revilo P. Oliver; "ISRAEL'S FIVE TRILLION DOLLAR SECRET," Col. Curtis DalI; "THE UNHOLY LAND," A. C. Forrest; "YOU GENTILES," Maurice Samuels; "PAWNS IN THE GAME," William Guy Carr; "THE CONTROVERSY OF ZION," Douglas Reed; "THE NORTHERN RING," Dahana Wood; "THE PLOT AGAINST CHRISTIANITY," Elizabeth Dilling; "WHO'S WHO IN THE ZIONIST WORLD CONSPIRACY",James Combs; "WORLD REVOLUTION AND THE SOCIALIST NETWORK," Nesta H. Webster; "THE ZIONIST CONNECTION," Alfred Lilienthal; "THE JEWS AND THEIR LIES," Martin Luther; "PHONECIAN ORIGIN OF THE BRITONS, SCOTS, AND ANGLO-SAXONS," Dr. L.A.Waddell; "RED FOG OVER AMERICA," William Guy Carr; "THE BABYLONIAN CONNECTION," Stephen Jones; "FACTS ARE FACTS," Benjamin Freedman; "THE PLOTAGAINST THE CHURCH," Maurice Pinay; "THE INTERNATIONAL JEW," Henry Ford, Sr.; "JACOB'S PILLAR," Capt. E. Raymond; "ISRAEL'S RACIAL ORIGINS AND MIGRATION," Brig. Gen.W. H. Faskins; "THE ZIONISTS," George Armstrong; "THETHIRTEENTH TRIBE," Arthur Koestler; "THE CONFLICT OF THE AGES," Dr.Arno Gaebelein; "THE ULTIMATE WORLD ORDER," Robert H. Williams; "THE NEW UNHAPPY LORDS," A. K. Chesterton; "TRACING OUR WHITE ANCESTORS," Frederick Haberman; "THE DRAMA OF THE LOST DISCIPLES," George F. Jowett; "THE APPOINTED PLACE," Dr. Wesley A. Swift.

Five of the above authors are Jewish. There are also numerous quotations from the Jewish Encyclopaedia and from the Jewish Talmud, the religious Bible of the modern Jew.

This intensive study convinced me that the people we today know as Jews are not the "people of the Bible," the descendants of Abraham.

This logically leads to the question: "Who then are God's Chosen People?" This led me to the study which produced Part One of this book - IDENTIFYING OURSELVES. If Christian Americans will come to an understanding of who they are and what God has planned for them, then Part Two - THE ENEMY, can be readily understood and accepted.

It is well known to military personnel, that in order to be victorious in battle, you must first know your enemy and understand how he will attempt to react to certain situations. Brethren, the time is getting short. The forces of evil are gathering for that final assault against the Lord's anointed. The assault against Zion is already underway, led by the forces of Hell itself. But we can be victorious through "Christ which strengtheneth us!" If we put our trust in the God of our Fathers and go forward in His name, to do battle with His foes, we will succeed.

You are going to be here for that battle my Christian friend. You are not going to be transported to heaven to live in bliss, while Satan is confronted and defeated. It is your glorious duty to be in the forefront of this army of God. The 18th Chapter of Revelation, clearly shows that Christians will be here on earth during the Great Tribulation. They are told to come out from the world system known as Mystery Babylon, which now controls the governments of the world. We, you and I, the one's who profess Christ as Lord, will be the one's who with God's help will destroy this ungodly world system and fulfill the prophecy of Jeremiah 51:20 - "Thou art my battle axe and weapons of war: for with thee will I break in pieces the nations, and with thee will I destroy nations."

Now a word of caution is necessary. This book was not designed to be anti-Semitic, or to engender hatred for the Jews. It is designed to bring the hidden truth to "brainwashed, White Christian Americans." I hope and pray that it will open the eyes of at least some Christians who have been

"brainwashed" by equally blinded pastors, to the truth of what is now happening. Many of my friends will no doubt turn against me, for they will not be willing to accept the truth. I may have to say with the Apostle Paul: "Am I to become your enemy, because I tell you the truth?" (Gal. 4:16). This is the price many have paid in order to tell the truth.

But take heart, my Chnstian-Patriot friends, those of you who know and have accepted the truth about who you are and of your glorious heritage. Though the days look dark indeed, remember: "When the enemy shall come in like a flood; the spirit of the Lord shall lift up a standard against him," (Isaiah 59:1 9b). When things look the darkest, remember our Lord's words in St. Luke 21:28 - "When these things begin to come to pass, then look up, and lift up your heads; for your redemption draweth nigh."

NOTE: Since each chapter is a separate message, there will be some overlapping of illustrations and documentation.

Chapter One

WHO ARE WE?

In Joel 2:17, we read: *"Let them say, Spare thy people, O Lord, and give not thine heritage to reproach, that the heathen should rule over them: wherefore should they say among the people, 'Where is thy God?'"*

Then in Ezekiel 33:11 - *"Say unto them, As I live, saith the Lord God, I have no pleasure in the death of the wicked,- but that the wicked turn from his way and live; turn ye, turn ye from your evil ways; for why will ye die, O house of Israel?"*

The biggest problem among young people in recent years has been one of identity. When you ask why they are doing some of the strange and crazy things they do, they will tell you: "I am trying to find myself; I want to know who I really am."

It has been my privilege, since retiring from the Army in 1964, to travel extensively in these United States. I have spoken in 49 of the 50 states, in over 2600 communities during this period. The more I see of the problems which are strangling this country, the more I realize the vital necessity of Americans rediscovering that sense of Divine guidance which led our forefathers to face dangers and hardships, with the assurance that God would prosper their undertakings.

Today, we find a spirit of fear in the United States. Within the past forty years, we have fought the only "no-win" wars of our proud history and have been defeated by countries which are smaller than most of our mid-western states.

Today, we see our Government cringing before the threats of little Banana Republics, who a few years ago were regarded as unfunny jokes. We are confused by

Our confusion, I believe is caused deliberately. A few years ago, as I traveled in the Ozark Mountain region of Northern Arkansas, I met an old hillbilly philosopher, I believed what he said: "It ain't so much from not knowin' that causes the trouble' as from knowin' so much that ain't so!" This state of fear has been brought about by a deliberately planned program of falsehood. It will continue to plague us and dominate our national thinking, until we waken to the realization that God has a

specific purpose for America.

I believe there is much evidence available, that God brought this nation into being for this specific purpose.

What is it that will change this condition of chaos and fear which now saps America's will? What will bring to the forefront, leaders of spiritualne oture and righteousness, who will be joined by a people who are willing and ready to face every problem which confronts us, knowing that through God we will be victorious?

The aswer to these questions may startle you, my Christian friends, especially if you belong to that group of Christians who are known as "fundamentalists." Few fundamentalists have ever been told the facts in their churches, concerning America's origin and her destiny. As a consequence, we have fallen down in fulfilling our responsibilities as God's people.

Befor we go any farther, let me say that I too am a "fundamentalist," in the strictest definition of the term. I believe in all the cardinal doctrines of the Holy Bible. I believe that God is the Creator, over all; that Jesus Christ is His Virgin born Son, the Savior of the world, by virtue of His sacrificial death on the cross of Calvary; I believe that the Holy Spirit is God's Emissary on this earth and that He dwells in those who have accepted Christ as Savior. I believe that Jesus Christ is coming back to this earth, as He himself foretold and that He will rule this earth as King of Kings and Lord of Lords. I believe that the Bible in it's original manuscripts is the Holy and infallible Word of God. (This means that it is without error).

So what I say here will be startling to some of my readers. Not because it is a "science-fiction" type message; not because I will be trying to shock you, but because the Bible, plus secular history proves it to be true - yet few fundamental churches preach it! If you accept the facts that I give you in this message, you will have to give up some of the old "time-worn" ideas which have been preached in our churches for decades, butwhich are the "traditions of men, rather than the word of God." I do not believe that many of our pastors have preached false ideas deliberately to lead people astray, but that they have done it through ignorance, since they were taught the same ideas in their seminaries. Many fundamental Bible scholars will reject the ideas I will submit, because they are not honest enough to admit they have been wrong. So I do not ask you to believe me. I do encourage you to check out the facts **...** they are available if you want them **...** check them out against the plain teaching of the Word of God, check them against recorded world history and when you find that what I told you is true, then have the courage to act for the salvation of America as a free, Christian nation.

It could be, that by the time I finish this message, I might have to say with the Apostle Paul: "Am I become your enemy, because I tell you the truth?" I hope you will be honest enough with yourself, to accept the truth and act on it. All I can do is follow the admonition of Isaiah 58:1 - "Cry aloud, spare not! lift up thy voice as a trumpet, and shew my people their transgressions, and the house of Jacob their sins."

This is not some "spur of the moment" message, which was inspired by something I read somewhere, or some tape I heard. I have been studying and thinking on it for a long time. Hundreds of hours of Bible study and study of history have gone into its composition. If telling the truth makes me unwelcome in some fundamentalist pulpits because it contradicts their traditional stand, then I must say wian Peter: "We need to obey God rather than man." All I can do is show the truth of God's Words, as the Holy Spirit gives me enlightenment. You will have to answer for what you do with it.

As I said, I remain a fundamentalist. In fact, my fundamental stand has been vastly strengthened by my new enlightenment.

I believe that without a shadow of a doubt, America has been called by God for a very special purpose and we need to understand this. When we acknowledge this purpose; when we become

aware of it; then the revival which will bring America back to God will occur and not before. All the "Christian Moral Majorities" in the land will not bring about this revival; all the great planned evangelistic efforts, will not cause it to break out. It will not occur until God's people will acknowledge their sins, and will pray for forgiveness and get on with the task the Lord has given us. When this happens and only then, will the Almighty One of Israel "hear our prayer and heal our land." (2 Chronicles 7:14)

When we understand and acknowledge the purpose of God for America; when we become aware of our great destiny as witnesses for God, as His special chosen people Israel; only then will we regain the strength of our forefathers, who understood America's destiny. The revival will come. God's true Israel will be saved. But it could be because of our stubbornness; because of the blindness that has come on Christian minds, that we will first have to suffer under the terrible yoke of Communist, atheistic, Satan-inspired oppression.

The Bible gives us a clear alternative to this terror, if we are willing to accept our destiny and the responsibility which goes with it. Then and only then will we find our way out of the predicament which is today destroying us. When we realize this then: "In righteousness shalt thou be established; thou shalt be far from oppression; for thou shalt not fear: and from terror; for it shall not come nigh thee," (Isaiah 54:14).

Our fundamental churches have been oh so careful to preach individual salvation and this is as it should be, but we have woefully neglected to preach national repentance and national righteousness as a way of life. Only as this righteousness comes in obedience to the Laws of God will be have peace and security. Once you have heard this message concerning your Identity as one of God's Chosen People, then you will have no excuse for not becoming involved in this great crusade to bring America back to God. You will have no excuse, even: "But my pastor doesn't believe that way!"

I predict that if America refuses to hear God's message of warning, she will be driven to her knees in the very near future. Some of our military men are saying it may happen within the next few years. One said: "I believe we will see the surrender of the United States to the Soviet Union in the Rose Garden of the White House, unless something drastic happens." The sad thing, my friends, is that the righteous always suffer along with the unrighteous. Those of you who have had the special privilege of having accepted God's Messiah as the Lord of your life, will one day stand before Him and answer for your neglect. "For we must ALL appear before the Judgment Seat of Christ; that every one may receive the things done in his body, according to that he hath done, whether it be good or bad," (2 Corinthians 5:10).

I do not ask you to believe me because I am some great Bible scholar, or educated intellect. Rather I challenge you to check out the facts I give you - dig deep into God's Word and the records of history, which always uphold the Bible. Then have the courage to believe the facts, no matter what you may have been taught otherwise. For centuries, the best scientific minds believed the world was flat and they were greatly disturbed when Columbus proved otherwise. Many men have been persecuted and even killed because they upset the "status quo," and went against popular tradition.

In the last book of the Old Testament, Malachi 4:5, 6, we read: "Behold, I will send you Elijah the Prophet before the coming of the great and terrible day of the Lord, and he shall turn the heart of the father's to the children, and the heart of the children to the father's, lest I come and smite the earth with a curse."

The significance of this association of the Elijah message with the Day of the Lord, is that God's people will be called on to repent and restore the administration of the Law of the Lord. (Not the Old Testament blood sacrifices - they were done away with forever, because of the sacrifice of Christ at Calvary; but the Laws of God, are still valid, although few Christians heed them.)

This was to be accomplished, when the people finally realized who they were. (Isaiah 51:1, 2) - "Hearken to me, and follow after righteousness, ye that seek the Lord; look unto the rock whence ye

are hewn, and to the hole of the pit whence ye were digged. Look unto Abraham your father, and unto Sarah that bare you."

THEN LISTEN to this further message from Ezekiel 20:37 - "I will cause you to pass under the rod, and I will bring you into the land of the covenant: And I will purge out from among you the rebels, and them that transgress against me**...**" (vs. 44) - "and ye shall know that I am the Lord, when I have wrought with you for my name's sake."

Now I can already predict how many of your minds are working. You are saying to yourself: "God was speaking here about His Chosen People, the Jews."

So let's analyze this by asking another question: "Is there really a Chosen People?" The textbook we study will be the oldest racial document of the human race. It is a volume of 66 books, which we call the Holy Bible.

In presenting this Book, it is not required that you approach it with some theory concerning its inspiration. Inspiration is not some idea we bring to the Bible to give it a supernatural standing. Inspiration is an idea we fetch away from the Bible, when we somewhat sense its divine essence.

You cannot know that anything is inspired unless it inspires you. As a result, the Bible remains an uninspired Book to millions..who profess to believe in its inspiration. They are willing to take from it, only those ideas which coincide with their own. But if the Bible teaches something different than what they believe, they will go to almost any length to prove that they are right.

I believe the Bible labors under the disadvantage of being regarded primarily as a religious book. Yet you go far into the Bible before you find anything that smacks of religion, except for the "seed plot" of the Bible found in Genesis 3:15.

The Bible begins with geology, astronomy, meterology, biology, anthropology and psychology. All the materials of the physical and mental sciences - the concepts of time, space and motion, of creative method and purpose on its pages.

God is the central figure of the Bible, but God is not a religious figure, He is not an ecclesiastical character, as some would have us believe. The creating and sustaining God of the Bible and history, appears as the sole complete personality, the One completely normal Being, of eternal wisdom, power and purpose, who upholds all things by the power of His Spirit. Colossians 1:16,17 tells us: "By Him were all things created **...** whether they be thrones, or dominions, or powers: all things were created by Him, and for Him. And He is before all things, and by Him all things consist." In the original Greek, this means they are "held together" by Him.

Isn't it wonderful to know that in the midst of all the trouble and turmoil; in the midst df all of men's despair, that God still holds this old world together?

Religion does not appear in the Bible until man's unnatural, sinful departure from God's nature. Religion appears as an emergency element, a rescue force, if you will, brought in because of abnormal human breakdown. When it finally fulfills its part in God's work of restoration, religion will disappear.

The Apostle John, writing in Revelation 21:22, concerning the New Jerusalem and the New Heaven and earth said: "And I saw no temple there, for the Lord God Almighty and the Lamb are the temple of it." You see, there will be no need for a temple in the new world.

There is much careless talk when men begin to discuss race. The Gentile boasts of his superiority over the Jew; the Jew of his superiority over the Gentile; the Japanese over the Chinese; the German over the French; black over white, and white over black. We Americans are prone to think of America as a relatively new race on the world scene. I believe in reality, that the nucleus which made up

America, and was responsible for her founding, is a very old race. I'm speaking now of the White Anglo-Saxon, Celtic, Germanic, Scandanavian and related races who were responsible for settling

this country.

The true effect of racial knowledge should not be to feed one's vanity, or rouse one's boastfulness; rather, it should arouse in us a great sense of responsibility.

These days, most folks are afraid to mention race, especially if you belong to the White, Anglo-Saxon peoples. We are afraid we will be called prejudicial and today, that is a cardinal sin. But it is not wrong for a black man to believe that "black is beautiful," that is considered his right.

So let me lay down a ground rule before we begin our discussion of race and racial origin. "When pride of race leads us to boastfulness and contempt for others - it is a false pride!"

We will not be discussing nationalities for they are largely artificial. But race is not artificial; it is a basic natural fact!

Take the white Anglo-Saxon people as an example. They are made up for the most part of people who call themselves German, French, English, and Scandanavian. While they may speak different languages, when you touch their basic, central sensitive nerve, you will find their response to liberty, reverence, orderly social life, and progress to be basically the same.

Consider the United States and Canada. Here we find two nations, divided by an unseen border, yet for all practical purposes they are "one and the same people."

Race is one of the most insistent Biblical facts. The Bible is not the history of many peoples, but of one distinct group among the family of races.

The Bible is not Ancient History, dealing with a dead race and a dead civilization. It is contemporary history, meaning that it deals with what happens in the world today.

The Bible deals with one race, which flows through history like a mighty stream; touching two continents and blessing many nations.

The Bible explains what God has done and why; it shows revelation in progress. God never wrote a book, He writes in life. When He wants to show us oakness, He does not present us with a botanical formula, He makes an oak tree.

Our Lord Jesus Christ followed this same formula. He left no books written by His hand. He left twelve living men, who became His manuscripts. The same is true of race. The Bible is largely devoted to one race, sometimes referred to as the Chosen Race.

It is at this point that most Bible scholars depart from reality. They shrug their shoulders and say: "So what! It's the Jews, everyone knows that. What difference does it make to us saved folks?" Well, my Christian friend, it makes all the difference in the world.

I'm sure most of you are familiar with the story of Abram; how he was torn from his homeland by God's command. He was to become - God said it: "a great nation and many nations."

While Abram had many sons, his racial line was to descend only through Isaac (Genesis 21:12)- **"...**for in Isaac shall thy seed be called."

From Isaac, the "Seed Line" passed to Jacob and then to Jacob's sons. These people were called Hebrews - not Jews, as we are apt to carelessly call them today.

They expanded in numbers, power, and prestige, until by the time of King David, the Prophet Nathan predicted they would be planted in another land which they did not know - that God would give it to them and they would move from that place no more. This "Appointed Place," could not have been Palestine, for they were standing in David's palace in Jerusalem when this prediction was made in 2 Samuel 7:10 - "Moreover, I will appoint a place for my people Israel, and will plant them, that they may dwell in a place of their own and move no more; neither shall the children of wickedness afflict them any more, as before time."

The selection of a nation by Divine choice, for a special purpose, is awonderful thing. It does not

call for boasting, as the Jews do, nor for the feelings of superiority, the Jews exhibit, but for great humility. It was a great event when God chose Israel, not because of her size, or influence, but because of the faithfulness of His servant Abram. (Read Deuteronomy 7:7-8).

It was indeed a mighty event when America was taken out of the midst of a great nation and became a separate and special constellation among the powers of the world. Do you honestly believe this happened by accident?

The Apostle Paul, in his Epistle to the Romans, gives and answers the question: "Why?" He said the chosen people still continued to be chosen because: "the gifts and calling of God are not subject to change**..."** (Romans 11:29). In other words, they are absolute and unconditional. Nowhere did God ever say: "If you obey me, then you will be my people." God said in effect: "You are my people and because of this you shall obey me." That little word "SHALL" is the key to what is happening in the United States today.

Were all God's promises made to Abraham illusions in his mind? Just for a moment, let us assume, just for the sake of argument, that these promises were delusions of grandeur; a vain desire on the part of Abraham for distinction for his posterity. If this were true, they would have died with Abraham, for delusions always die with deluded men!

If God's promises to Abraham had been hatched in human minds, they would have come to nothing. If God had not selected and predestined, a servant-ruler race, then that race would never have served or ruled! It is not a simple matter of faith, but something which can be tested by history. Things are always valid fact, or they are deluded dreams.

None of you who read this message ever knew George Washington; neither did your father, your grandfather, or your great-grandfather. Yet you know he was our first President. Why? Do you take this on faith? Of course you don't. You believe because it is a historically proven fact that he lived and served our country as its first President.

The same is true of Jesus Christ. We do not have to accept his historical existence on faith, for it is a provable fact that He lived and walked on the hills of Palestine, that He was tried and executed by a Roman court and that He rose again on the third day. We do not have to take this on faith alone, it is a provable fact.

In the same way, the Chosen Race did not die with Jacob. It outlived Abraham and his great, great, great grandchildren. It lasted over 400 years to the time of Moses; then 450 years later it was the dominant theme of King David's time; another 300 years and we find the same idea being promulgated by the Prophets Isaiah, Jeremiah and Ezekiel. Go forward another 300 years and you will find it again in the last book of the Old Testament, Malachi.

The truth concerning the Chosen People outlived the 400 years of darkness which separates the Old and New Testaments. It appears again in the Gospels, in the Epistles, and then in the Book of Revelation. It was the common language of the Pilgrim Fathers. It can be found in the prayer book of the early Episcopal church. It was believed by the early Baptists and Methodists. The idea that we are God's Chosen People appears in the early church hymns.

"Ye chosen seed of Israel's race;
Ye ransomed from the fall;
Hail Him who saves you by His grace,
And crown Him, Lord of all!"

Our forefathers were not singing about a race of people we call the Jews. Their songs of praise came from God's Chosen People, now settled in God's "Appointed Place." They believed this, they preached this. How sad that we have gotten away from this mighty manifestation of God's grace.

But there are Biblical marks by which we can identify the Chosen People in history. Let us look at a few marks of this identity and match them with the only people they can fit:

1 - The "Chosen Race," would believe in the living God of Israel. Take a good look at the globe, where this faith is predominate and you will find decisive boundary lines, defining the people of which you re a part. The Jews, on the other hand, are primarily an agnostic, atheistic race, who follow the heathen Babylonian Talmud, rather than the Laws which were handed down by Moses. Don't argue with me about this, be honest enough to check it out for yourself!

2 - The "Chosen Race" will have the scriptures. Among Anglo-Saxon and kindred people, the Bible is the people's Book. In other lands, where it exists at all, such as Italy and Spain, it is the Book of the Church. There is a great deal of difference. The Jews on the other hand follow a false book, which was never given by God and which follows the traditions of men rather than the Laws of God. Look at the condemnation of the Pharisees by Jesus in St. Mark 7:13 -"making the Word of God of none effect, through your traditions." (See also Matthew 15:3).

Nine-tenths of all the Bibles published come from British and American Bible Societies. In Anglo-Saxon and kindred lands, the Sabbath is a day df rest and worship, so established by law. Listen to Exodus 31:13 - "Speak thou also unto the children of Israel, saying, verily my sabbaths ye shall keep; for it is a sign between me and you and your generations."

There is a great deal of difference between the Anglo-Saxon Sunday and that of Latin countries, where elections are often held on Sunday.

3 - The "Chosen Race" will be a missionary race, giving the Scriptures to all people. At least 95% of all missionary activity comes from England and the United States. They do not preach a "church system," as do the missionaries of Roman Catholic countries, but the liberating Gospel of Christ's saving grace. The "Chosen Race," has the age old exhortation to spread the Word, Isaiah 40:3 - "Prepare ye the way of the Lord, make straight in the desert a highway for our God." The Jews have never been a missionary race for Jehovah But the true "Chosen Race," has formed a living highway along which Jesus has traveled across Europe, to England, to America, and to the uttermost parts of the earth.

We know about the grevious sins which are being committed in America; yet in spite of these, one-half of the world's Sunday School attendance is in seemingly careless United States and 45% is in the other Anglo-Saxon countries. On the other hand, the religion we know as Judaism, is not a missionary religion.

4 - The "Chosen Race" would be one that offered a haven of refuge to the world's oppressed. Have you ever seen that magnificant Statue of Liberty in New York Harbor? Millions have believed and have come from every land, to the only country which has ever offered refuge for those who were under religious or political tyranny. The nation known as the Jews, has never done this; even for it's own people.

5 - The "Chosen Race," was to abolish slavery. Listen to the glorious words of Isaiah 61:1 - "The Spirit of the Lord is upon me; because He has annointed me to preach good tidings unto the meek; He hath sent me to bind up the broken hearted, to proclaim liberty to the captives, and the opening of the prison to them that are bound." England abolished slavery in 1834 and the United States in 1863, while the people we know as Jews, were always in the forefront of the slave trade; they have never been known as "liberators."

6 - In its trek to a new land, the "Chosen Race" was to move north and west of Palestine. Listen to Isaiah 49:12 - "Behold and these (the Chosen People) shall come from afar; and, lo these from the north and from the west, and these from the land of Sinim." Isn't it strange that this migration went north and west, when all migrations of Semitic peoples down through history moved east and south? Yet the ancient scriptures said that God's people would move into the cold north and the unknown west.

7 - The "Chosen Race," was to be a separate people. They were to mingle with other people, but never be swallowed up by them. This has been true of the United States and the British Commonwealth nations. In spite of mass migration, they have maintained their Christian identity Today this is under attack, as the social planners of the One-World government, are using every means at their command to integrate the white race with the colored races. They know if this ever happens, then we will lose our identity.

8 - The "Chosen Race" was to become a great people, and a company of nations (see Genesis 17:4). The people known as Jews have never numbered more than 1 6-million and almost half of these live in New York City. Less than three-million live in Palestine.

They have always been a "nation within nations," and have never fulfilled the two governmental branches foretold in Genesis 48:19. It was Jacob's blessing to Ephraim and Manasseh, which have been fulfilled in America and the British Commonwealth nations, but never by the Jews.

9 - The "Chosen People" were to inherit, not Palestine, with its heavy population, but the desolate heritage of the earth - Isaiah 49:8 - "Thus saith the Lord, in an acceptable time I have heard thee, and in a day of salvation have I helped thee, and I will preserve thee, and give thee fora covenant of the people, to establish the earth; to cause to INHERIT THE DESOLATE HERITAGES." This could not possibly apply to Palestine, while America fits this description perfectly.

10 - The "Chosen Race" was to lose it's identity and the knowledge of their identity as the Chosen People, until the "latter days." This has never been true of the Jews; down through the ages, they have always laid claim to being God's Chosen.

For many years, Bible scholars and seminarians have sought the identity of the ten lost tribes of Israel. Today, the "Chosen Race," is a people struggling to find their identity. This has never been true of the Jews. Isaiah says of the Chosen People in 42:16 - "I will bring the blind by a way that they know not; I will lead them in paths they have not known: I will make darkness light before them, and crooked things straight. These things will I do unto them, and not forsake them."

God's sure promise is that in the "latter days", the veil of blindness will be removed and God's people will discover who they are. This happened to me and is happening to many thousands across America, who have remained blinded by the preaching in their own churches.

This is the underlaying purpose of this message, to prove to you, from God's Word, that we are the "Chosen People," the blood line of Abraham and that by continuing on in our spiritual blindness, we are missing out on a multitude of blessings God wants to give us now.

Forget for a while if you will, all the sermons you have heard preached in which the Jews have been called the Chosen People. Forget for a moment all the books you have read along this line. Forget the propaganda of the media and the so-called documentaries, which have been nothing but Jewish propaganda, by the Jewish controlled media. Look at what the Bible, God's Word says. Then if you see what it says and are willing to believe it, as you profess to do, you will be forced to accept the unassailable truth that the Anglo-Saxon and related peoples are the wayward long lost children of

Isaac; the sons of Isaac, called "Issac-sons."

If America ever realizes this, if she is ever willing to accept her destiny, it would drive us to our knees in the dust, as we realize how that in our ignorance and sin, we have dishonored God's purpose in our lives.

Why do Godly men, standing behind our pulpits, refuse to accept the plain teaching of God's Word? Primarily I believe it is because they would have to admit they have been wrong and that they have been fooled by Jewish fables.

Back in the 1920's, the great American industrialist, Henry Ford, Sr., warned the American people that most of our seminaries had been sold the false idea that the Jews were God's Chosen People. Fundamental pulpits have preached this falsehood for so long, few preachers have the courage to admit they have been wrong.

With this as an introduction, let us look at some facts from the scriptures. The idea of a "Chosen People" is acknowledged by most of the Christian world and it is based on scriptural fact.

So we will begin our technical study by looking at the history of the nation of Israel, or more accurately the Hebrew race. (Notice that the word "Jewish" is not used, for a specific purpose, which you will understand as we continue.)

There is a secular record of history which always runs parallel to the sacred history of the Bible and never contradicts it. A good example is God's destruction of 185,000 Assyrian soldiers as recorded in 2 Kings 19:35. This is paralleled in the recorded history of Assyria for the year 700 B.C.

The Bible is only a small section of human history, seen in a special light and for a special purpose. This section comprises the origin, organization, and dispersion of Israel and the coming Millennial Kingdom. It is through the windows of the Bible, that we can see God at work in history.

Secular history is always written to glorify men. On the other hand, Bible history always glorifies God and as a result, it is merciless and true, showing Bible heroes as fallible men. It depicts Jacob as a cheat; Moses involved in manslaughter; David as guilty of adultery and murder; Peter as a liar and a coward. The Bible can do this, because human fact is not the history. The true history, is that of God working in the world through fallible men and women.

There are three major historical movements in the history of Israel and on each occasion, the cause was unjust taxation. The first was in Egypt, where the Hebrew rebellion was based on the labor levies of Pharaoh as recorded in Exodus 6.

The second was when Israel seceeded from Judah because of the labor tax levied by King Solomon, which his son Rehoboam refused to relieve, see 1 Kings 12:14-16.

The third "breakaway", which you may not understand as yet and which will be explained later, came when Israel, in the "Isles of the West," partly settled in their "Appointed Place" in the American colonies, revolted against the unfair taxation of their mother country, Great Britain.

When Israel left Egypt and entered the land they had been promised 400 years before in Genesis 15:13,14, they made it their own by right of "spiritual eminent domain."

The reason for a 400 year lapse between the promise and its fullfulment is given in Genesis 15:16 - "But the fourth generation they shall come hither again: for the iniquity of the Amorites is not yet full."

God always gives people and nations a chance to repent and serve Him. He appointed a 400 year grace period for the original inhabitants of Palestine and when their immorality and sin continued, after 400 years, Israel marched in and blotted out this spiritual cancer on God's order.

In Palestine, Israel established a "Theocratic" form of Government. This means a government where God is its head. It was a representative form of government. Moses and Aaron stood for God and represented Him in His dealings with the people. Qualified men were chosen to speak on the behalf

of the people, as their representatives, see Exodus 18:21.

The only time on record, when Israel tried a democracy, was when Moses went up to Mt. Sinai to receive the Law, and Aaron erected a golden calf for them to worship as recorded in Exodus 32. You will remember what a disaster that was. History has always proven that a "one man, one vote" system always leads to disaster; for it is born of mob psychology.

As long as Israel followed the representative form of government, she prospered and had the highest degree of liberty and happiness in her history.

These same blessings, which were once so much a part of the American Way of life, can be restored to us, if our government returns to God and His Laws, which were given for the welfare of His people.

Strangely enough, one of these laws, which has been broken probably more than any other is: "He that will not work, shall not eat." God has never had any plans fora Welfare State, or for a lazy people. It is the Social Welfare program which is strangling America in these latter days of the Twentieth Century.

But the people of ancient Israel, like those of us who are living in the United States today, were not content; they wanted to experiment. The Bible says: "They went after strange gods" This does not mean that they did away with the worship of the Lord God Jehovah, but they followed the heathen practices of the nations which surrounded them, even to following their economic systems. Their idols were built on heathen principles, which produced riches and poverty side by side. While Jehovah was the center of their religious life, their economic life was ruled by "other gods."

This same principle is at work today in America. Our once great churches, have often become nothing more than "religious country clubs," where men and women belong, not because they love God and desire to worship Him, but because it adds to their prestige in the community.

While most Americans give "lip service," to the Golden Rule and would not want to see it abolished, we don't believe it should be applied to business. So it has been superceded by the "Rule of Gold." Many of us have become "Alka Seltzer" Christians, who come to church and "fizz" for an hour on Sunday morning, while the rest of the week we act just like the heathen who surround us.

Our Christian Capitalist system of "Free Enterprise," which has given us the highest standard of living in the world, is now being superceded by a Socialist welfare state which takes away individual freedom and forces the industrious individual to support the parasite who refuses to work.

When the nation of Israel became great, there was a split between the ten tribes in the north, and Judah and Benjamin, with part of the tribe of Levi in the south.

Many Christian people believe the terms "Jew" and "Israelite" are the same or interchangeable - THEY ARE NOT! All the people called Judah were Israelites, but the people of Israel were not Judaites, or Jews as they are now popularly called. The word Jew was not used in the English language until the beginning of the Eighteenth Century?

The Bible draws a very distinct line between Judah and Israel from the very beginning of this split and the distinction widens as the record proceeds.

The leaders of Israel came primarily from the Joseph tribes of Ephraim and Manasseh. Moses was not a Judaite, or Jew, but was of the tribe of Levi. Joshua was from the tribe of Ephraim; Deborah was an Ephramite; Saul, the first king of Israel came from the little tribe of Benjamin, the same which much later produced the Apostle Paul.

The line of division between Judah and Israel can be seen in the Bible censuses, where there were even different classifications, (see 1 Samuel 11:8; 2 Samuel 24:9).

A little careful Bible study of the Old Testament will show you the fallacy of using the term "Jew"

in place of "Israelite."

About 750 B.C. the split between these two groups became final. The Northern Kingdom, composed of ten tribes had Samaria for its Capitol. The Southern Kingdom, made up of Judah and two other tribes, had its Capitol in Jerusalem.

Many generations later, the Northern Kingdom, after traveling North and West from Assyria, where they had been taken captive, became the Anglo-Saxon, Celtic, Germanic and kindred peoples. The Southern Kingdom, with a very small nucleus returning from captivity in Babylon, with a new and heathen religion called the Babylonian Talmud, became the nation we now know as Jews, although this term was not used in the English language until the early part of the Eighteenth Century.

This was the group which crucified Jesus, breaking the Mosaic Law in their unlawful trial of the Son of God. This was the group to which Jesus addressed His scathing denunciation of John 8:44, when He said to them: "Ye are of your father the Devil." He also criticized them on several occasions for putting their traditions before the Law of God. This is exactly what the people known as Jews are doing today.

The books of Kings and Chronicles in the Old Testament are the historical records of the people of Israel and Judah. The book of Kings deals primarily with Israel, while Chronicles deals with Judah. The two nations were related, much as Canada and the United States. Now it is vitally necessary that we mention here a third house, called in scripture the "House of David."

When the Prophet Nathan prophesied to David in 1 Chronicles 17:9, telling him that Israel would be moved to a new place and there be established forever, the Hebrew nation had reached the zenith of it's power. It hardly seemed possible at this time, that it would ever be moved from that land. David had conquered all his enemies and the land had a time of peace and prosperity such as the Hebrew nation had never visualized. But God, through His Prophet, told David that the Hebrew people would be moved to a new "Appointed Place." Not ALL Hebrews, only the Israel branch.

It is interesting to note, that great pressure has been placed on the translators of the Bible to use these words: "I have appointed you a place." If this had been done, then the Appointed Place, would of necessity have been Palestine and the religious leaders of the world, the Christian leaders, would not have had to, in all honesty, change their teachings concerning the Jews and Palestine.

But the translators of the King James Version, Moffatt, and even Goodspeed translated the words correctly: "I will ordain, or I will appoint them a place." This could only place this event at some time in the future and in some place other than the land of Palestine. Yet today, all over Christendom, Christian pastors are insisting that the return of the Jews to Palestine is the fulfillment of this prophecy. This is careless handling of the Word of God, if not worse!

A second promise was made to King David, that his royal house would rule in Israel forever. This prophesy was made about 975 B.C. 390 years later, the last of David's descendants had disappeared from the scriptural scene. Does this mean that God's promise to David had been broken? Not at all!

The Christian church has often tried to "spiritualize" this dilemma by saying that Jesus Christ was of David's line and that the throne of David was perpetuated in Christ's spiritual line But this evasive tactic does not answer the problem

What happened when Judah was taken into captivity? Zedekiah, the last king of David's line in Palestine, saw all his sons killed before his eyes; then he was blinded and was dragged in chains to Babylon, see 2 Kings 25:7.

Evidently King Nebuchadnezzar of Babylon believed that he had killed all of the royal seed. But in the book of Jeremiah, we see where the prophet, with his secretary Baruch and the king's daughters safely fled to Egypt.

No more is told, of Jeremiah's Second Mission "to build and to plant," as recorded in Jeremiah 1:10. But Jeremiah, his secretary Baruch, and the king's daughters turn up later in Irish history, in the

British Isles. (Possibly this is one reason the name "Jeremiah," or "Jerry" is so popular among Irish families. It is seldom used in Jewish families.)

According to ancient Celtic history, which is as well recorded as anything the ancient Greeks or Romans did, the king's daughters married into Irish royalty which can be traced in modern times to the throne of Queen Elizabeth of England.

The word "Tara" is prevalent in Irish history. It means "Law" and comes from the ancient Hebrew word "Torah." The Irish poet wrote:

"The harp that once through Tara's halls, The soul of music shed." He was speaking of the same type of harp that was used by the "sweet singer" of Israel, the boy David, centuries before.

Literally volumes of evidence point to the fact that the throne of David, which became extinct in Jerusalem, was transplanted to the "Isles of the West."

The entire book of Isaiah, written in Judea, was addressed to "Israel in the Isles." Listen to Isaiah 41:1 - "Keep silence before me, O islands; and let the people renew their strength: let them come near; then let them speak: let us come near together for judgment." Verse 5 - "The isles saw it, and feared; the ends of the earth were afraid, drew near, and came." Go on to verses 8 and 9 - "But thou, Israel, art my servant, Jacob whom I have chosen, the seed of Abraham my friend. Thou whom I have taken from the ends of the earth, and called thee from the chief men thereof, and said unto thee, Thou art my servant; I have chosen thee, and not cast thee away."

Here in this chapter, verses 18-20, are some of the most significant verses of all. Yet I have never heard a Christian minister preach on any of them - notice: "I will open rivers in high places, and fountains in the midst of the valleys: I will make thy wilderness a pool of water, and the dry land springs of water. I will plant in the wilderness the cedar, and the shittah tree, and the myrtle, and the oil tree: I will set in the desert the fir tree, and the pine, and the box tree together: That they may see, and know, and consider, and understand together, that the hand of the Lord hath done this, and the Holy One of Israel hath created it." All of these verses are directed at Israel, cast out of her land, and settled in the "Appointed Place." Did you know there is no place in the world where the famous Cedars of Lebanon still survive, except on the Western Coast lands of the United States? The trees we know as "redwood cedars", were planted by God, in the wilderness of America, over 5000 years ago, specifically for His people Israel.

The problem of modern Christianity goes much deeper than mere acknowledging that the ten tribes of Israel still exist. If White, Christian Americans would honestly study God's Word and secular history, they would recognize the fact that we are "God's Chosen People," set aside for a "special purpose." This would not glorify us as a superior people. It would give us a clearer understanding of the will of God forthis nation and in our loves and would give us a purpose in this world to do as God wants us to do. This is clearly shown in the prayer Christ taught His disciples: "After this manner therefore pray ye: Our Father which art in heaven, Hallowed be thy name. THY KINGDOM COME. THY WILL BE DONE IN EARTH, AS IT IS IN HEAVEN." (St. Matthew 6:9, 10).

Christians are apt to glibly quote from 2 Chronicles 7:14 - "If my people, which are CALLED BY MY NAME, will humble themselves and pray, and seek my face, and turn from their wicked ways; THEN WILL I HEAR FROM HEAVEN AND WILL FORGIVE THEIR SINS, AND WILL HEAL THEIR LAND!" Yet very, very few Christians recognize themselves as God's children, not only because of salvation through Jesus Christ, but by RIGHT OF PHYSICAL INHERITANCE!

I wish it were possible in this message to go into detailed explanation concerning Israel's move North and West from their captivity in Assyria, on to England and ultimately to their "Appointed Place" in the New World, in a magnificant country called America. It is a fascinating story, full of miracles of God's protection of His people and ties in with many scriptures which have never been understood, because Christians have refused to accept them at "face value."

I assure you, that if you make an honest effort to study this question, as I have done in recent months, you too will come to the glorious conclusion that you are here on this earth for far more reasons than to be transported to some heaven in the sky, where you will spend eternity sitting on a fluffy white cloud, strumming on your heavenly harp. It will be a great blessing to you and will awaken you to the stupendous fact that you are of the blood of Abraham, the friend of God. You are an "Isaac-son." (Genesis 21:12, Romans 9:7)

When Judah went into captivity in Babylon, she was promised a return to her former homeland in the coming years. But Israel was never promised such a return; instead she was told of a tender royal twig, which would be cropped from the royal house and would be carried away by God's hand "Thus saith the Lord God; I will also take of the highest branch of the cedar tree; and will set it; I will crop off the top of his young twigs a tender one, and will plant it upon an high mountain and eminent: In the mountain of the height of Israel will I plant it: and it shall bring forth boughs, and bear fruit, and be a goodly cedar: and under it shall dwell all fowl of every wing; and in the shadows thereof shall they dwell," (Ezekiel 17:22, 23). Notice now the promise and the Divine signature affixed, verse 24 - "**...**I the Lord have spoken it and have done it."

Years later, the Prophet Hosea says of Israel, after she had gone into a foreign land: "Yet the number of the children of Israel shall be as the sands of the sea, which cannot be measured or numbered." (Certainly if you are an honest person, you would have to admit that the people we know as Jews cannot qualify here, at no time in their existence have they ever numbered more than 20-million, which is less than the population of many of our States. Go on: "and it shall come to pass, that in a place where it was said unto them, Ye are not my people (they were called Gentiles), there it shall be said unto them, Ye are the sons of the living God." (Hosea 1:10). In other words, they shall be known as a Christian people. (Compare these words with John 1:12 - "For to as many as receive Him (Christ), to them gave he the power, to become the sons of God; even to them which believe on His name."

There is at least one valuable fact of history which should not surprise us. When the Prophet said that Israel would lose its identity and be called by other name, we find the name "Kumri" cropping up. This was the name Israel was called in the land of Crimea.

If I had the time, I could go into the fascinating story of how King Solomon's navy went into the Atlantic Ocean, possibly as far north as Britain. There are many Biblical historians, who believe that Tarshish mentioned in the Bible, was the Western Islands. The maritime tribe of Israel - Dan, had a habit of leaving their name behind wherever they traveled and we see such names as Danube, the land of Danmark, and others, cropping up all over Europe.

All over Northern Europe, one can see the signs of traveling Israel. The Scots, or "Gaels" as they were formerly called, are a perfect derivitive of the word "Galilu." You will find this city on the Southern Coast of the Black Sea, on the Northwest tip of Portugal, and again in the Gauls of Spain. Did all these Israelite names happen by chance, or are they trying to tell us something? They were so named, centuries before the Christian era began.

Many Christian scholars have speculated about the first thirty years of Christ's life. There is little scriptural record concerning it, after He appears before the Doctors in the temple at the age of twelve. Yet there is secular historical reference that he may have traveled to the British Isles as a boy, with his uncle, Joseph of Arimathea. Joseph was involved in tin trade and owned a tin mine in what is now known as Cornwall, England.

When persecution of the early Christian church became violent, it disappeared from Jerusalem and showed up in many other places, including Britain. The contention of the Roman Catholic church that Britain was evangelized in 598 A.D. does not hold up to historical scrutiny, since there are many historical records which show a Christian church in England within ten years after Christ's death and resurrection - As the Christian church began to evangelize the world, the Apostle Paul followed the coast line route of earlier Israelites and planted new churches among the Israel

colonies on the northern shores of the Mediterranean Sea. This can be proven by looking at the salutations in the Epistles. From Romans through Thessalonians, the greetings of Paul are to specific churches in this area. The Epistle to the Hebrews was written to Israelites, not Jews. James wrote specifically to the "twelve tribes scattered abroad throughout Asia Minor." Yet our ministers like to tell us that the Ten Tribes of Israel were lost hundreds of years before this. Peter wrote to the "strangers scattered throughout Asia Minor."

The New Testament clearly intimates that Spain was within the boundaries of Paul's missionary vision. In his Epistle to the Romans, he clearly indicates that while he had not at that time visited Rome, he had already been to Spain: "Whensoever I take my journey into Spain, I will come to you**...**" (Romans 15:24). In verse 28, Paul explains that he had to go to Jerusalem first: "When therefore I have performed this, and have sealed to them this first, I will come by you into Spain."

If Paul went as far as Spain, there is no reason for us to doubt historical British records which say that he also visited Britain. After all, this is only around the corner from Spain. Check the "Lost Chapter of the Book of Acts"; shows Paul preaching in the Isles.

If Paul went to Britain, then why are Christian ministers upset with historical records which state that Joseph of Arimathea, the uncle of Jesus, did business there? and if Joseph went there, what's so strange about a teenage Jesus going with him? If this historical record had been of the Revolutionary War period, no one would question it, except possibly for the radical who wanted to destroy the truth about this period. Draw your own conclusions!

If we accept the historical records of ancient Babylon, Assyria and Egypt, which go back 35 centuries or so, why is it so hard for us to accept English history of the First Century A.D.?

One of the pre-eminent facts in world history today, is the basic unity of the Anglo-Saxon nations. We the people of the United States did not create this unity. In fact our foreign policy for years has been responsible for raising barriers to it. We have fought two wars with our "mother country," England. We have fought two great wars with Germany, although 25% of our people have a German background. We have spread anti-English propaganda through our school books for over 150 years. We have allowed the United States to be used as the base for anti-British propaganda. Yet in spite of all this, Anglo-Saxon unity still remains a force to be reckoned with. Why? Because Bible prophesy foretold this!

The unity of the Anglo-Saxon people did not come about because we spoke the same language. We do not! It did not come because we had a common political background. We do not! We think the same thoughts because they are our heart's language and we have been conditioned by our Israel-Christian heritage, not the Judeo-Christian culture our pastors like to speak about.

Nowhere else in the world is love of freedom and justice so deeply ingrained as among the Anglo-Saxon peoples. This love of justice and freedom stems from our belief in the Lord God Jehovah, the God of our forefather's, Israel!

We look at the historical records of England and the United States and we have much of which to be ashamed. We see the greedy drive of our industrialists for materialism and the corruption of our leadership, especially in recent years. Yet God's people of the Old Testament committed the same sins and the lash of God descended on them.

Today we see the same trend in England and America. Our problems have come because we have refused as a nation, to follow the Lord. We have broken the Covenant made by our forefathers at Plymouth Rock. If you don't want to accept this, I challenge you to read the words of the Mayflower Compact. "In the Name of God, Amen. We whose names are underwritten, having undertaken for the glory of God and the advancement of the Christian faith, a voyage to the plant the first colony**...** do by these Presents, solemnly and mutually, in the presence of God, combine ourselves into a civil body politic." That was the beginning of our politics.

A man of God drew up our Articles of Confederation: "Whereas, we all came into these parts of

America with one and the same end; namely, to advance the Kingdom of our Lord Jesus Christ and to enjoy the liberties of the Gospel in purity, we therefore conceive it our bounden duty**...** that, as an nation and religion, so in other respects, we be one and continue one." That declaration made us a People!

Those of us who have studied and believe the Bible know that the purpose of God will be fulfilled in His people, in His own good time, regardless of what people preach or believe to the cdntrary. The great English poet laureate, Rudyard Kipling knew this. When asked to write a special poem for the Diamond Jubilee of Queen Victoria, he came up with "Requiem," which is also applicable to the United States.

"Far flung our navies melt away;
One dune and headland sink the fire"
Low, all our pomp of yesterday.
Is one with Ninevah and Tyre:
Lord God of Hosts, be with us yet,

Lest we forget:

"For heathen host, which puts its trust;
In reeking tube and iron shard,
All valiant dust, which builds on dust;
And guarding calls not Thee to guard;
Lord God of Hosts, be with us yet;

Lest we forget!"

He goes on to close in these words: "For frantic boast and foolish word, have mercy on Thy people, Lord!"

Did he know something about the Anglo-Saxon people our present day ministers refuse to accept?

Let no one believe that the things I have spoken about in this message are for the purpose of glorifying America or the White Race. Pride is a sin; racial pride also. But the true Israel message glorifies the purpose of God, as it is fulfilled through men. The highest justification of man's existence is when he becomes the vehicle through which God's earthly purposes are accomplished. It has ever been thus!

Over a hundred years ago, a heathen Jewish philosopher from Germany named Ludwig Feurbach stated: "Man will finally be truly free, when he realizes there is no God of man, but man himself." This idea took root in the diseased mind of a young Jewish radical named Karl Marx and was the bedrock on which the philosophy of Communism was founded.

This same idea can be found today in the teaching of Secular Humanism, which was designed to destroy the spiritual strength of America by destroying her moral fiber. It is in direct conflict with the teaching of Christ, when He said: "If ye will know the truth, the truth will set you free."

The real beginnings of America were in a little believing church. Inspite of kings and popes, the Divine guiding hand of God, gathered these men from among His people, for a specific purpose! These were not rude, uneducated peasants. Many of them were graduates of the universities of Europe. They were men who knew their Bibles by heart and could read them in English, Hebrew and Greek. But they lacked one skill for their venture in the New World, that was the military skill to protect themselves. God supplied that in a man named Miles Standish. Standish had been a soldier in Holland, where he had been fighting against the Spanish, for religious freedom.

This little band of exiles, held a patent for lands in Virginia. They were driven north by fierce storms and landed on the hostile, rocky coasts of New England, at a place called Plymouth Rock.

You all know the story of that first, bleak, barren winter, in which over half of their number died. But God was working in His mysterious ways and saved them through a miracle; just as He had done with their forefathers in the Wilderness of Sinai, centuries before.

Who were these Pilgrim Fathers? Here is what they called themselves: "The seed of Abraham, God's servant, and the children of Jacob, His Chosen." They looked on themselves as "a vine out of Egypt in this wilderness." These were the words they used. They used the old Hebrew word "led," not "driven," when they explained why they had come to the New World. They braced themselves for the troublesome times they knew were ahead, by relying on God's promises to the children of Israel, because they knew they were part of this same Chosen People.

My friends, inspite of everything that people like Madelyn Murray O'Hara may say, the heriditary strain of America's Christian background, which made her the greatest, came from this spiritual planting. What a "powerhouse" for righteousness the Church would become, if she rediscovered this truth and acted on it!

If there was space, I could show you how time and time again, at a moment of crisis, God saved our new country by miracles as great as any recorded in the Old Testament. Our Founding Fathers knew who they were and they expected God to act in their behalf. When Fort Ticonderoga was captured from the British during the Revolutionary War, it was taken in the name of "the Lord God Jehovah, the God of Israel." I doubt very much if there was a single Jew in that Continental force. But those were the words our commander used. He knew who he was and why he was there!

I have already pointed out to you how the Mayflower Compact was the beginning of our politics; and the Articles of Confederation made us a People. Then in 1775, the Declaration of Independence made us a Nation. They said: "For the support of this Declaration, with a firm reliance on the protection of Divine Providence, we mutually pledge to each other our lives, our fortunes, and our sacred honor."

It becomes evident, that the Mayflower Compact, the Articles of Confederation, and the Declaration of Independence is a three-fold cord which binds us in a covenant relationship to the Law of God. Our patriotism and our religion grow from the same stem, and we will be judged on how we obey this Covenant. All three of these documents are based on the knowledge of the American people that they were "God's Israel in the wilderness."

Do you refuse to accept this? Then I challenge you to read again these documents in their entirety. See what our early leaders, men who were on the scene, men who took part in our nation's birth, said.

George Washington knew who we were. He called America "the Land of promise." When the people of this land made him their first President he said: "Every step by which we have advanced to the character of an independent nation, seems to have been distinguished by some token of Providential Agency."

Abraham Lincoln knew who we were. He said that he was but "an humble instrument in the hands of the Almighty, and of this, HIS MOST CHOSEN PEOPLE!"

The overwhelming mass of evidence proves that the United States represents one great body of Israel, bound by Israel's responsibility, fulfilling Israel's scriptural destiny. In no way, does this detract from the fundamentals of the Faith. I have been accused by some of departing from the "fundamentals of the faith," because I refuse to accept the Jews as the Chosen g hiod. I vehemently deny this, my fundamentals of the faith have been strengthened by this truth I have acknowledged. People who believe in the Israel Identity of the White Anglo-Saxon and allied people's of America, should be more fundamental than any others, for they should recognize their responsibility to act as God's People. This truth should add to the other truth's of God Word, not detract from it!

I wish there was time to go into the symbolism which our Founding Fathers wove into our National emblems. These all pointed to their knowledge that America is God's People. We will cover more of

this in subsequent messages.

Suffice it to say, that if Christian Americans ever get the vision of who they are; if their pastors will have the honesty and the courage to study the Word and the facts of history and pass it on to their people; this nation of ours will be turned around in a remarkably short time. It could come before we have first been driven to our knees in the dust. I believe it is up to those of us who say we love the Lord, to fall in love with Him enough to do what He has told us to do and thus save the Land we love.

Chapter Two

LET THERE BE LIGHT!

There are many historical discrepancies which exist concerning the early history of England, the Mother country of these United States. This is partly because of the confusion and misunderstanding which has been caused by the translation of names from one language to another. Historians when discussing the early history of our forefathers, seldom if ever, discuss the language spoken by the original Britons and Gauls.

If we are to understand the true significance of our roots as AngloSaxons, we need to go back to the original languages, rather than the piece-meal accounts which have come down to us through the Greek and Latin languages.

Today there is a strong drive afoot to discredit everything which is White and Christian; especially if it is Anglo-Saxon. So we need to take a long, hard, honest look at where our people came from, in order to understand where we are headed.

Historians have been among the worst offenders, for they have constantly put out the theory, that for centuries before the Roman invasion of Britian, our British forefathers were painted barbarians, devoid of all cultural and religious conscience. They have blithefully written off centuries of majestic British history as either fokelore or myth.

When one looks at the present scholarly approach to ancient British history, you can easily come to the conclusion that the scholars involved have entered into a deliberate conspiracy to blacken the name of the early inhabitants of these Islands and thus put a "pall of shame" on those of us who claim them as ancestors.

But there is no need for shame on the part of white Americans, since the truth of our ancestors is available for anyone who is honest enough to seek it.

Any honest scholar who reads the classical history of Rome, Greece and Gaul, and who then compares this with early British records can see this truth. It may require a bit of effort on their part, but the records are available and are stored for the most part in the British Museum Library, with a few in the Vatican Library - all of them make for fascinating reading.

Literally thousands of Cymric historical documents and monastic documents are available for study. (The word "Cymric" refers to the early people of Britain). There are other historical versions from very early British historians.

Modern scholars for the most part, and unfortunately this includes the majority of Christian scholars, have either refused to believe these ancient documents, or have deliberately ignored them. Probably more so the latter. There is a good reason for this. If they were to accept these historical documents, they would be forced in all honesty, to accept the identity teaching, that the Anglo-Saxon, Celtic, Scandanavian, Germanic and related peoples, are indeed the "Israel of God," who were cast into the wilderness for their sins. They would have to admit that these were the "lost sheep of the house of Israel," who Christ mentioned in Matthew 10:6 and 15:24. In the latter verse He said: "I am not sent BUT unto the lost sheep of the house of Israel."

The word "lost" used here, comes from the Greekword "apollumi," which is made up of two base

words; "apo" which means: "to put away," and denotes separation, and "allumi," meaning: "punishment." What we find here literally is a word which has nothing whatsoever to do with being "spiritually lost," as most preachers would have us believe. Christ obviously sent His disciples out to preach the Kingdom message to those Israelites who had been "put away for punishment." In other words, the Tribes of Israel which were in the dispersion.

Many historians refuse to accept the ancient British manuscripts which prove the Israel Identity of these early British settlers, saying they cannot be trusted. Yet these same scholars (?) accept the historical records of Assyria, Babylonia, and Egypt, which are centuries older and which give us the early record of such men as Abram, Isaac, Jacob, and Moses.

It almost seems as though modern Bible scholars want to destroy the truth of history. It becomes obvious, with a little observation, that they are dedicated to the proposition that the people we now call "Jews" are the people of the Book. They will allow nothing to disuade them. It could be that they unconsciously realize that their own people would rise up in righteous indignation, if they realized how down through the years, they have been cheated out of one of their greatest blessings, while our worst enemies have been elevated to the top position among the families of the earth.

When I first approached my fundamentalist pastor with these truths, he rather sneeringly referred to them as "discredited British-Israel teachings." When I showed him, or tried to show him documented proofs that the Zionist Jews could not be God's Chosen People (and these proofs come not only from historical sources, but from the Word of God itself), he refused to even look at them. His reaction was: "If you preach this trash; not one Baptist church in the nation will open it's doors for your message."

I guess this touched a wrong nerve in me for I responded: "I did not realize that the criteria for being right in the eyes of God was to have Baptist approval." Just because a majority of Baptist preachers have had their eyes blinded, does not mean that I must close my eyes to the truth. I'm still a Baptist and I will put my fundamentalism up against any pastor who condemns me for my Israel-Identity beliefs. It almost seemed as though my pastor was echoing the condemnation that comes from many about the Baptists; many 9f you have heard it: "You Baptists believe that if someone is not a Baptist, they will never make it to heaven, for only you have the truth." This df course is absolutely religious "tommyrot."

It is not being scripturally honest for any pastor to disregard history which is in complete agreement with the Word of God. Maybe this type of thinking is why you have never heard a sermon preached on Revelation 2:9; 3:9 - the Son of God speaking: ". . . I know the blasphemy of them which say they are Jews (Judeans) and are not, but are of the synagogue of Satan." Don't get angry with me, please, I didn't write those words.

I've never yet met a fundamental, or conservative pastor for that matter, who was honestly willing to face up to the facts given in these two verses.

But let's get back to our early British ancestors. The enemies of ancient Britain wrote openly about the amazing culture of these people - they were not barbarians. The city of London, then called Llandon, was founded 270 years before Rome, about 1020 B.C. At the time of the Roman invasion, it had many of the finest universities in the Western World.

The famous British archeologist, Sir Flinders Petrie, discovered in old Gaza in Palestine, gold ornaments and beads of Celtic origin, which dated as far back as 1500 B.C. This indicates that there was probably sea commerce between the Islands and the Israelites centuries before the time of Christ. In 2 Chronicles we read how the ships of Tarshish brought much wealth to king Solomon, this was about 990 B.C. and there is much evidence that Tarshish was the British Isles. This could have been the same area to which Jonah was fleeing when he was tossed overboard in a storm and was swallowed by a great fish.

The art of enameling and the production of tin can be traced to the British Isles. The Britons were so

advanced in the art of enameling, that relics can still be seen in the British Museum, which are well over 2,000 years old and are as perfect as the day they were made. Roman history proves that the Britons taught this art to the Romans.

Herodotus, the father of secular history, writing about 450 B.C. talked about the high civilization of the British Isles. Julius Ceasar, following his first campaign in the Islands in 55 B.C. wrote with a great deal of admiration about the advanced culture of the Britons, their excellent character, their ingenuity in commerce and their craftsmanship. He referred with amazement to their large cities, their architecture, their universities of learning and particularly to their religion. The Britons believed in one God, long before the first Christian missionaries arrived. They believed in a coming Messiah and in a life after death. This is what made them such fearless soldiers; because they were not afraid to die. Do these things seem to you to be the mark of the naked, barbarians our historians would have us believe inhabited these islands? Can't you see the earmarks of their Israel background?

There are many ancient historical records concerning a people called kimmerians - Kimmeri - Keloti - Kelts, or Celts as we now know them. These people seem to have immigrated through Europe from somewhere near the Caspian Sea. Archeological finds have proven that the British Isles were uninhabited before the Celts arrived. Long before they were known as "Celts," the Prophet Isaiah addressed himself to them as the inhabitants of the "Isles of the Sea."

Why have Bible historians in particular, mutilated historical facts concerning these people? It is a tragedy of the first magnitude, which baffles the mind of an honest person. Is it because they have been "brainwashed" in recent years by their seminary leaders, into a false concept of who God's Chosen People really are? Preaching the Gospel has been made into a profession.

Philologists, those who study human speech, especially as the vehicle of literature, that sheds light on the cultural history of a people, state that the ancient Phoenecian script is the ancestor of modern English. Preceding this was the "Keltic" or "Cymric" tongue, which is the worlds oldest living language. Its roots are closely related to ancient Hebrew.

We need to mention at this point, that ancient Hebrew, the language of the Old Testament, has very little association with modern Hebrew and absolutely nothing with "Yiddish," which is the world language of modern Jewry.

In the book of Nehemiah, in the Old Testament, we read how the scribe Ezra bewailed the fact that his people, returning from 70 years of captivity in Babylon, could not understand their native tongue. They had become a "mixed," or better yet, a "mongrelized" nation. Listen to Nehemiah 13:24 - "And the children spake half in the speech of Ashdod, and could not speak the Jews (Judaite) language, but according to the language of each people."

As I said, the modern Jew speaks "Yiddish," which is a conglomeration of several languages. This is because the modern Jew is a "mongrel" nation. We can see this by reading in Esther 8:7- **"...**and many of the people of the land became Jews: for the fear of the Jews fell on them." There were literally thousands of Jews in Babylon who were not of the seed of Abraham, just as about 90% of the people we now know as Jews, have not a drop of Abraham's blood flowing in their veins.

Abundant proof exists which proves that the ancient Celtic language of Britain is still alive. It is frequently spoken in Wales, Cornwall, Ireland, Scotland, Brittany, and Normandy.

During World War II, when the Allied High Command could find no way of preventing German Intelligence from deciphering their wire messages, Britain's Prime Minister, David Lloyd George, suggested using the Cymric tongue in their transmissions. This was done and it completely baffled the Germans.

Today's historians, for the most part, have completely distorted history and seem to gloat over the control they exert over historical facts. To illustrate this, let me tell you of an incident that happened to me a few years ago in a Florida school. I was waiting in the library to meet the school

superintendent, when I picked up a Fifth Grade History book. Being a Revolutionary War buff, I naturally turned to this era in our history. Here is what I read: "We cannot always believe the stories we have been told about early American leaders; George Washington and the cherry tree; Paul Revere and so on, for it has been proven that on the night that Paul Revere was supposed to have warned the people of the British attack, he was drunk in bed with a prostitute in Boston." It's no wonder our children have little pride in our country anymore. Well the religious historians are just as guilty of distorting facts.

News reporters revel in their ability to distort historical facts so as to fit their political and racial beliefs. I remember a few years ago watching a FACE THE NATION television show on which Walter Cronkite appeared. The moderator asked him: "Mr. Cronkite, how do you feel about truth in presenting the news?" to which the famous commentator replied, in his superior manner: "My job is not to tell the truth; I am an opinion molder!" The same is true of religious historians. Bible scholars often twist scripture to fit their own narrow way of thinking, without careful consideration of what the Word of God really says. If you don't want to believe this, consider the manner in which Bible scholars define God's Laws concerning Baptism. There are many modes, and each group insists theirs is right; yet they use the same textbook to prove their point. They have done this in their teaching concerning the Jews as God's Chosen People and immediately label as "ignorance" or "prejudice" anyone who disagrees with them.

Let me give you a striking example from one of our major Protestant denominations. Can you explain to me why the writings of Martin Luther, the founder of that denomination, why his writings concerning the Jews have been completely expunged from Lutheran seminar literature? Luther on many occasions pointed out the dangers posed by allowing Jews into positions of responsibility in government. He commented on their low moral character, their trickery in dealing with politics and their avarice for gold. Yet today you can t find one of these books in a Lutheran school.

Theological scholars today, as in ages past, often describe history so as to bolster their own political and religious beliefs, not for the advancement of truth. They turn viciously against anyone who contradicts them; even when they have been proven wrong. They fail to realize that language and geography is not the standard of judgment on which race is based. There is often a change in these basic elements; but while language and location often change, race never does.

In order to properly evaluate the history of any race, we must recognize the progressive changes which appear in its language, religion, social customs, and geographical residence.

We must constantly guard against the distorter, the irresponsible, the quack, and the atheist. The Apostle Paul warned of these in 2 Timothy 3:13, when he said: "But evil men and seducers shall wax worse and worse, deceiving and being deceived." That word "seduce", means "to lead astray; to persuade to disobedience or disloyalty." This is what we must constantly guard against in our churches, even the fundamental ones.

The warped minds of these seducers are motivated by bigotry, greed, power, prejudice, intolerance, religious and racial hatred. They even hate their own people. What they cannot easily understand, they scoffingly label as "myth", or "tradition," without actually understanding the meaning of the words.

According to Webster's Dictionary, the word "tradition" means: "the handing down of information, beliefs, and customs by word of mouth, from one generation to another without written instruction." To the bigoted professors in our seminaries, "tradition" is synonomous with "fairy tales." But this is not it's meaning at all. Disraeli, the British statesman once defined tradition when he said: "A tradition can neither be made nor destroyed."

A tradition is a truth, embellished no doubt by the passage of time, but a truth nevertheless. Tradition can easily be clarified by anyone who is honest enough to try and separate the "wheat from the chaff."

For instance, the Western world has come to generalize the meaning of the word "Christian," to cover all who believe that Jesus Christ existed as a historical figure. This is not the Bible definition by any stretch of the imagination. It is also often insinuated, that the followers of Christ, from the very beginning were Christian and many pastors refer to the Old Testament saints as being Christians.

I have heard Arab leaders refer to Christians as a "race."

Yet this word did not come into being until several years after the death of Christ, when in Acts 11:26, written about 37 A.D. we read: **"...**and the disciples were called Christians, first at Antioch."

The people who were baptized by the Holy Spirit on the Day of Pentecost were not called Christians. The 120 who waited in the Upper Room for this "infilling," were not called Christians. They were known as "Followers of the Way."

The title "Christian" came into being, because these people were known as "Little Christ's," hence Christian. The Greek word used here is "Kris-tee-an-os," which literally means: "Christ's followers." It is interesting to note that the word is used only three times in the New Testament.

Actually the word is a composite of the Greek word meaning "consecration," and the Hebrew word "Am" which means: "a consecrated person." Hence the true meaning of the word Christian is: "A person who is consecrated to Christ."

The early missionaries to Britain were not called Christian, but were named "Culdee." This is a Cyrmic word which means: "the servant of God." This title in itself indicates that these early missionaries were considered to be more than ordinary strangers in the islands. Their name set them apart as something special.

There is much documented proof in ancient British archives, that Joseph of Arimathea, the uncle of Jesus; the Apostles Paul and Peter, Lazarus and Simon Zelotes, were among those who brought the message of the living Christ to these islands, within ten years after His ascension.

When Christ walked on this earth, the popular language of the East was Greek, not Latin. The Aramaic and Hebrew languages were confined principally to the Judeans. There is little doubt that Jesus was conversant in Aramaic, Hebrew, Greek and Latin and if what old British historical records say is true, He could speak Celtic. These documents say that He visited these islands as a teenager, accompanying his uncle on one of his frequent visits to his tin mines near Cornwall, England.

Centuries before Christ walked the earth, the Greek language was known to the ancient Britons from their commercial association with Greek and Phonecian sailors. At this period of world history, Britain was known as "Cassiterides," after its chief industry, the mining of tin. Aristotle was one of the first historians to name Britain the "tin island," when he coined this term about 350 B.C.

The eminent British historian, Creasy, in his monumental book, "The History of England," writes: "The British mines mainly supplied the adornments for Solomon's temple."

At this stage of history, the Islanders were known as Kelts, derived from their racial name "Kimmerian." The letter "C" began to replace the "K" in spelling, but the pronunciation remained the same.

Then, as today, the descendants of this ancient people in England and Wales were referred to as Celts. The inhabitants of Hibernia - Ireland, were also called Celts. The Gaels in Scotland and the people of Gaul, now France, were called Gau Is. Ethnically, all these people came from the same race. The meaning of the word "Gaul," is "strangers," indicating they came from some other land.

We should remember that though these people were strangers in the Islands, they were it's first settlers. They were the colonizers of a virgin land, since not even savages lived on these islands before our forefathers arrived.

We can trace these strangers through their wanderings from their original homeland in the Euphrates River valley, some 3000 years B.C.

After the Kimmerians settled in the Islands, they became knows as British. Why were they so named? What was so different about these people or their way of life that caused other nations to give them this strange name?

Ancient historians say that it was their religious belief which set them apart from others. They believed in one invisible God. and in the coming of a Messiah, who was His Son. They hated idols; they worshiped in the open, facing to the East and believed passionately in the immorality of the soul.

The religious ritual which seemed to make the greatest impression on foreign historians, was their custom of carrying the Ark of the Covenant before them in all their religious observances. Only one other religion known to man had ever done this, the ancient Israelites.

It was this ritual which gave the British their surname. It is derived from the ancient Hebrew language and is formed from two words: "B'rith," which means: "covenant," and "ish," which means Join them together and you have "covenant man." The ancient word "am," attached to "B'rith" means "land." So in its entirety the word British or Britain means: "man of the covenant land."

The Covenant People of the Old Testament, living in the "Covenant Land," became the consecrated people of the Covenant Land. They were the advance guard of Christianity and were to evangelize the world for their Messiah, Jesus the Christ.

Did you know that 98% of all the Bibles printed in the world come from England and the United States? That 95% of all the Christian missionary effort comes from these countries? No nation, anywhere else in the world, has been as attracted to Christianity as have those of the United States and the British Commonwealth. Does this have the slightest meaning to you? It should have!

Could it be that these white Anglo-Saxon countries are fulfilling the covenant made with their God centuries before, in which they were told that they would be bearers of God's good news of salvation to the "uttermost parts of the earth?" This is something the people called "Jews" have never done. In fact they have no teaching concerning salvation of the soul in their religious teachings.

Bible scholars have good reason to believe that Paul's Letter to the church at Galatia was addressed to the Gaul's in Galatia. Peter's General Epistle was addressed to the "strangers scattered throughout Pontus, Galatia, Cappadocia, Asia and Bithynia." The Epistle of James was addressed to: "the twelve tribes scattered abroad." (not to the Jews in Palestine.)

The national name England was only used to designate the English and the Welsh. All the Islands were known as Britain, the "Land of the Covenant People."

A traditional custom of the Kelts was to build an altar of stone, in the open, whenever they rested on their journey from the East to the West. Their journeys can be traced from Assyria to their new home in Britain by the remains of these altars.

The first stone altar in historical record was erected by Jacob after his dream concerning the ladder which reached into heaven. He built it as a witness of the Covenant he made with his God that night. Ever after, the Israelites erected stone altars. Isn't it interesting to note that the Kymri did the same thing?

In the British Museum in London, one can see the famous black obelisk of Shalamaneser II. This relic bears reference to the captivity of the Israelites in Assyria and to all the kings subjected to the Assyrian king. Among these rulers was a man named Jehu, the son of Omri, the King of Israel. The obelisk has a series of twenty carved reliefs or pictures, showing the captives. One shows Jehu on his knees, offering tribute to the Assyrian King.

Many cemeteries have been unearthed throughout the Crimean area of Southeast Asia, in which Israelite names are prominent - all of these are linked with the Keltic race.

You should remember that the tribe of Ephraim was the legal inheritor of the title Israel - not Judah, or the Jews. In the Bible, the Southern Kingdom at Jerusalem and the Northern Kingdom at Samaria are always addressed under different names. Even God refers to them as such, see Psalms 114:2.

As a result, the Ephramites governed according to the patriarchal law. Originally Judah was a part of the priestly sect, along with the Levites. But the Levites were the true dispensers of religious jurisdiction and were divided between Judah and Israel in this service.

Among the ancient British, this same group represented the professional class - the scientists, doctors, lawyers, etc., the Ephramites were the principle soldiers, the defenders of the faith. The Levites were not permitted to bear arms or serve in war. This same thing was true among the Druids of the Kymri.

When Isaac was born, God made a strange statement to Abraham, He said: "In all that Sarah hath said unto thee, hearken unto her voice; for in Isaac shall thy seed be called," (Genesis 21:12). Both Isaiah and Jeremiah gave positive clues to the identity of the British people. Jesus said that He was sent to the "lost sheep of the House of Israel." He told the Jews of His day that their inheritance had been taken away and given to another. Christ would only give this inheritance to God's own people, although preachers have tried to spiritualize this and say it was given to the Church. Yet from the very beginning, the Covenant People were bound by the Covenant Law to carry out God's purpose on this earth. God never made a covenant with any other people to do this task. Christ's strongest commission was given to the Apostle Paul, who was to go to the Gentiles with his message. Strong's Concordance, No.1484, says that the word "Gentile," comes from the Greek word "Ethnos," which means: "tribe; or specifically a foreigner, by implication, a non-Jew." When Paul went to the Gentiles, there is plenty of evidence available, that he preached in the British Isles and ordained the first Christian Bishop of England.

Jesus stated that the "Old Law" was finished at His death. He came to fulfill the Law and the Covenant between God and man. Until the British Druid church and its people were consecrated in the "way of the Lord," they were Gentiles. But of all the people on the earth, the Anglo-Saxons had the only existing faith which had been prepared beforehand to accept Christ. They were the only people who knew His name, and had spoken it before Christ was born. This should be significant!

Just as the excavation of monuments and graves in the Crimea and on to the British Isles have documented and identified the travels of the Kymri, so the same can be said of the name "Saxon."

The name "Semite," or "Shemite," comes from Shem, the son of Noah (Genesis 9:26). Until the exodus of Abram from Ur of the Chaldees, the Covenant People were called Semites. Under Abraham, they became known as Hebrews. (This term comes from the word "Eber," and was applied to the descendants of Shem.) Just as the word "Hebrew" has nothing to do with race, since it means "colonizer;" it was applied to the Israelites in much the same manner it was once associated with the Americans and Canadians. They were called "colonists," or "colonizers."

The Covenant People were nationalized under the dying Jacob; grandson of Abraham and the son of Isaac. They became a nation at this time and were made up of twelve tribes, or "states." They were called "Israel," which in the Hebrew tongue means "ruling with God." Much later, the ten northern tribes revolted under Ephraim and the nation was divided at the time of Rheoboam into the Northern Kingdom with its headquarters in Samaria, and the Southern Kingdom, with its capitol city in Jerusalem.

During the long period from Shem to the vanishing of the Ephramites, the word "Jew" was never applied to the Northern Kingdom.

Some of the Jews, or Judaites, as they are more accurately called, who sprang from the remnant of Judah and who returned to Jerusalem after the seventy years of captivity in Babylon, were Shemite,

and part of Israel. But the much greater number of those who returned to Jerusalem were so inter-mingled and "mongrelized" by inter-marriage and proseliting, they had little claim to being the descendants of Abraham. I have already mentioned the example from Esther, chapter eight, where multitudes of Babylonians became Jews, because of fear.

Turn with me, if you will to Ezra 9:1, 2- "**...**The people of Israel, and the priests, and the Levites, have not separated themselves from the peoples of the land**...** For they have taken of their daughters for themselves and for their sons: so that the HOLY SEED has been mingled themselves with the people of those lands." The descendants of this union, could not rightly be identified with Abraham, although they were known as Jews.

Some Bible scholars believe this is why some people in Palestine during Christ's time on earth accepted His ministry while others refused Him. They believe that it was the "true Israelites," who accepted Him, while the Jewish Pharisees, were the one's who refused. Do you remember what Jesus said when He first met Nathaniel in John 1:47 - "Behold an ISRAELITE indeed, in whom there is no guile." Why didn't Jesus identify him as a Jew? Because he wasn't!

It is a very serious Biblical error when our pastors consider the modern day Jew to be "all of Israel," because this just isn't so! The major portion of Judah and Ephraim had long before, passed out of their original homeland and the people we now know as Jews, who are of Abraham's seed, are far in the minority!

Now let us return to God's promise to Sarah in Genesis 21:12 - "in Isaac shall thy seed be called." The Prophets said this "seed" would dwell "far off" and be known by "another name." On being questioned by the people through whose land they passed, the Israelites and those of Judah who had joined them explained that they were "the sons of Isaac, or Sacs-sons, Issacsons, or Saxons." This name can be found all across Europe, in the path of their migration to the British Isles.

The ethnological chart shows these Saxons were divided into two main groups. Each took a different route to dwell in the Isles of the West. We have already established that the Kymri came from the Caspian Sea area. But the warrior Ephramites, became known as the "Sons of Isaac." Ancient documents call them "I-Saccasuns," "I-sak-Suna," "Saksens," and finally "Saxons." They were known before this as Scythians. For about 700 years, they lived in the district known to the Greeks as Scythia; to the Romans, they were Dacia, now Roumania and Thrace.

The Anglo-Saxons were chief among the associated tribes and became its leaders.

In all their wanderings, these Keltic and Saxon people refused to intermix, or inter-marry with the peoples of other races. In fact, to do so was considered a grave offense which brought banishment from the tribe. They were much more loyal to this Law of God than their brethren of Judah in the Babylonian captivity.

Because the Judaites refused to remain separate in their captivity, they were branded by their facial characteristics, which were not Hebrew at all. In Isaiah 3:9, we are told that of these people, those who returned from Babylon, "the shew of their countenance doth testify against them." This can be seen today. Those who intermingled with the Hittites, the enemies of God, carry their facial characteristics of black hair, a swarthy countenance and hooked noses; today, we call these people Jews. They are not the pure descendants of Abraham, but half-breeds and in many instances have none of Abraham's blood.

Not only did the Saxons refuse to inter-marry, but they were true to the ancient command to "dwell together." When they began to migrate to another place, they took their aged and infirm along with them, by contrast to the actions of other nations who either abandoned or killed these people.

These tribes, who had been scattered abroad because of their repudiation of God's Covenant, winnowed like corn in a sieve, were finally gathered together in a place appointed by God. This was not in Palestine. In 2 Samuel 7:10, while David was standing beside his pillar in his palace in

Jerusalem, he was given this prophesy from God: "Moreover, I WILL APPOINT A PLACE FOR MY PEOPLE ISRAEL, and I WILL PLANT THEM, that they may dwell in a place of their own, and shall move no more; neither shall the children of wickedness afflict them anymore, as beforetime." This "Appointed Place" could not have been Palestine, since David was in Palestine when this promise was made.

Then God further promised that in this new land, they would rest secure (Isaiah 54:17) - "No weapon that is formed against thee shall prosper...

The Anglo-Saxon races are the only ones who have set aside a special day in which to honor God. Voltaire, the French intellectual atheist, once said: "Whether Englishmen know it or not, it is the English Sunday which makes England what England is." This is equally true concerning the United States.

England derived its name from the word "Angles," which literally means "God's-men." This name was not given to them because of any special righteousness on their part; but because instead of worshiping idols of stone and wood, they worshiped One God, long before Christianity arrived in England, therefore they were called English.

There are many "brain washed" pastors in America who insist the British-Israel story is a myth without foundation. They areas mentally "fog bound" as the medieval scientists who refused to believe in the circulation of the blood, or the geographers who thought that the world was flat, and they are as reluctant to change their beliefs, no matter how much proof is presented in rebuttal. They are afraid to admit they have been wrong for so many years.

Yet even as many amazing discoveries of thousands of documents in the Dead Sea area have proven that the Bible is true, so thousands of other documents prove that we, the Anglo-Saxon, Celtic, Germanic, Scandinavian race, are God's Israel and His Chosen People. Yet the same men who accept the documentation that the Bible is true, are reluctant, or dogmatically opposed to anything which teaches that the people we now know as Jews, are not God's Chosen People.

The Devil is always ready and alert to use the infidel mind and careless writers and scholars, to divert men's minds from the truth. But rest assured, my reading friend, the truth will come out in the end and many of our pastor's are going to be terribly embarrassed by it! I am not interested in being popular with men, but in seeking the truth from God, as revealed in His Holy Word and confirmed by true history

The words of Isaiah, as he addressed the people "afar in the Isles of the West," become fraught with meaning, as do the prophecies of Jeremiah. The Prophets proclaimed that the star of Jacob would spring forth from the line of David, the Shepherd King. Jesus the Messiah, came from this line. Jesus the "light of the world," directed His "Kingdom message," to the "lost sheep of the house of Israel," He proclaimed this Himself.

It is foretold that these "redeemed sheep" would keep the faith. They have proved it as no other people have. The Parliamentary platform of England is built on Christian concepts, as is the Constitution of these United States, which was founded as "one nation under God!" No other nations have ever been founded on these Christian principles. Certainly the people we now know as Jews, never followed this concept.

Our Pilgrim Father's knew who they were. They called themselves "the wandering seed of Israel in this wilderness." These were the men who wrote that great hymn of the Church:

"Ye chosen seed of Israel's race,
Ye ransomed from the fall;
Hail Him who saves you by His grace,
And crown Him, Lord of All!"

Yes, my Christian friend, we in America have a magnificent heritage. But along with this heritage

goes a tremendous responsibility to carry out the obligations of God's people - we have not done this! This is why we are in the mess we are now in! Our troubles will continue to grow; conditions in America will become worse and worse; until once again, we will recognize who we are and then in penitence, fall down on our knees; ask God's pardon and see Him "heal our land!"

This great privilege which has been given to us should not make us boast; it should not cause us to be exalted over others. It should raise in us a humble spirit, that will cause us to follow God and once again acknowledge Him as "King of Kings, and Lord of Lords!"

Chapter Three

THE MAKING OF A GREAT NATION

In 2 Chronicles 7:14, written some 25 centuries ago, we read these thrilling words: "If My people, which are called by My name, will humble themselves, and pray, and seek My face, and turn from their wicked ways; then will I hear from heaven, and I will forgive their sins, and will HEAL THEIR LAND."

For years, like many other fundamental preachers and evangelists, I preached that the people we now know as Jews were God's Chosen People, the people of the Abrahamic Covenant. I chose to overlook, as a majority of the pastor's still do, the crookedness, brutality, and murder, which brought these people back into the Promised Land.

For years, I listened as our greatest preachers proclaimed that the re-gathering of the Jews into Palestine, was the "budding of the fig tree," and that it signaled the "rapture of the church," and Christ's soon return to this earth.

Time and again, when I sought to warn Christians against the very real dangers we face, from enemies such as International Communism, I was frustrated as they told me: "My job is to preach the Gospel; God will take care of the Communists in His own good time." or maybe they would say: "This world is not my home; I'm saved and I don't have to worry about the Communists, or any of those other bad guys, because Jesus is coming back soon to rapture me out of this mess, before it gets too bad!"

You talk about people being wrapped up in a sheet of self-righteousness, some of those folks are "wrapped up in a shroud." There are going to be some such, who will be so tightly zipped up in this shroud, that they won't get unzipped in time to go with Him when He does return. For He said Himself: "Not everyone that saith unto me, Lord! Lord! will enter into the Kingdom of Heaven, but he that doeth the will of my Father which is in heaven." It has always been for God's people to take a stand against evil, not hide in some spiritual foxhole, waiting for His return.

It disturbs me no end, when I see decent, God-fearing, well-meaning pastors, who have allowed themselves to be seduced by the very folks who have promised to make slaves of them. Yet many of these men are unwilling to study the scriptures for the truth; they are unwilling to compare scripture with history to learn what has happened, because then they would have to admit they have been wrong. So instead, they use vicious, un-Christian attacks against anyone who tries to warn their flock against the dangers they are facing. They remind me of the many college youth I used to encounter during the Vietnam War years, who would say in essence:

"Don't clutter up our minds with the truth; we have already made up our minds!"

One of the biggest problems American Christians have had to face in recent years is that, as a nation, we have lost that sense of Divine guidance which led our forefather's to face every conceivable hardship, with the courage and Divine assurance that God would prosper their undertakings, as He has promised!

Yet today, in the millions of words used by those who run for office - even among those who proclaim that they are Christian - it is seldom, if ever, that we see men, who are willing to implore

the American people to return to the "faith of our fathers."

As a result, the spirit of fear prevails in our land! It hangs like a pall across the length and breadth of our nation, it is present in every newspaper and appears on every news broadcast. It has reached the point, that when our enemies "rattle their missiles," or even make threatening gestures in our direction, we take off in the opposite direction like a whipped cur with our "tail between our legs."

This state of fear is going to increase until it will dominate our thinking and our national planning and we will become helpless in the face of our enemies. This will continue until American Israelites awaken to the realization that God has a national purpose for this country; that He brought it into existence for a special purpose; that He protected her during her infancy and is willing that His purpose be carried out!

How can we escape from this miasma of fear which now grips us? What will change the prevailing conditions which dominate our national planning? What will bring to the forefront in America, leaders of spiritual stature and righteousness, who will be joined by millions more, so that our people will be willing to face any emergency, strong in the faith that God will give us?

The answer, I believe, lies in the knowledge of our origin, destiny, and as a consequence, or responsibility as God's Chosen People. It does not call for a false pride, in which we look down upon others; it should fill us with a great humbleness of spirit, that God has given us this tremendous responsibility!

When enough Americans finally grasp the truth that God has chosen this country for a special purpose; that He has shown us this purpose in His Holy Word; when enough people who dare to go by the name of Christian realize this; then we will see a tremendous change in our national thinking, which will effect the moral and spiritual climate of the United States.

My honest opinion is, that if one-quarter of the people in America, who go by the name of Christian, would fall in love with their Lord, and strive to do His will, we could turn this nation around in six months and get her headed in the right direction.

If Americans ever become aware of the awe-inspiring fact that Divine Providence has overshadowed this country from its inception, for a special purpose, there would be no obstacle we encounter which would be too big for us to overcome.

God has given us a promise of what will happen if we are willing to accept His will in our lives; it is found in Isaiah 54:14 - "In righteousness shalt thou be established: thou shalt be faroughm oppression; for thou shalt not fear: and from terror; for it shall not come nigh thee**...** No weapon that is formed against thee shall prosper**...** This is the heritage of the servants of the Lord!"

Take special note of that word "Heritage." In Strong's Analytical Concordance, No.5159, we learn that this English word is a translation of the Hebrew word "nachalah." This literally means: "to take possession of; to inherit." Webster's New Collegiate Dictionary defines "heritage" as: "property that descends to an heir; it applies to things other than actual money or property; it is closely associated with 'birthright'; it also applies to property and rank, or privilege coming by right of birth."

When Christian Americans are willing to accept the proven fact of our origin, purpose, and responsibility which goes along with this, then once again we will be able to take our role in the world as a truly great people.

The Prophet Isaiah spoke to our Israel forefathers in 59:1-3, when he said to them: "Behold the Lord's hand is not shortened, that it cannot save; neither is His ear heavy, that it cannot hear. But your iniquities have separated between you and your God, and your sins have hid His face from you that He will not hear."

It has always been thus. The righteous suffer along with the wicked, when the wicked are allowed to prosper. When a nation goes into captivity because of their sins, or into a deep depression, or maybe famine, the good people go hungry along with those who caused the sad condition in the first place.

On most occasions, it has been the sad apathy of God's people, which has allowed evil to succeed. Edmund Burke, the great British philosopher once said: "All that is necessary for evil to succeed, is for good people to do nothing." America is being destroyed in this decade, because Christian people have refused to acknowledge their peculiar relationship to God and follow their responsibilities to Him.

We will not lose our freedoms on the day we answer an early morning knock on our door, to find a little man with a red star on his helmet and a Tommy gun in his arms, who says to us: "Come along with me to the concentration camp." We will lose it when we see things happening in our local schools, churches, and government, we know are wrong and we set back with a sigh and say: "I'm only one individual, you know! Everyone knows you can't buck City Hall." When enough of God's people feel like this, we will lose our freedom; we will hold a funeral service for America and bury her in the cemetery and over her grave we will erect a headstone with this epitaph: "America died, because God's people didn't want to become involved!"

There is no reason why the white, Anglo-Saxon people of America should not recognize their true identity as the Covenant People of the Old Testament. I know about the wickedness we have allowed to grow rampant in America; I know how our people and our leaders have flouted God's laws; I know about our rebellion against God. But I can also read the words from Ezekiel 20:37, 38, 44 - "I will cause you to pass under the rod, and I will bring you into the bondage of the covenant: and I will purge out from among you the rebels, and them that transgress against me**. . .** And ye shall know that I am the Lord, when I have wrought with you for my name's sake."

Now I can already anticipate the reactions of some of you who read this message. You will be thinking: "This fellow is one of those British-Israel nuts. The very idea that England, Canada, Australia and the United States are the Lost Tribes of Israel is too fantastic to even bother looking into." And it is, if you base your thinking on the dictionary definition of "fantastic." "exceedingly, or unbelievably great." That's what this message is all about: "an exceedingly great and unbelievable message." This is what the Bible is all about!

Let me ask you a question before we proceed any farther: "How many of you are disturbed by this message?" This includes any preachers who will be honest enough to read it. I'm speaking to you fellows who have preached for years that the "Jews are all of Israel " How many of you have made a definite study of scripture prophecies on this subject, comparing them to historical facts? I would be willing to predict, very few. For if you had done this and were then honest with yourself, you would have to concede that the facts I am presenting to you, cannot be refuted, either by scripture, or historical facts.

So I am not asking you to believe a fantasy. I do not ask you to believe me, or anyone else who makes the claims I do. But I do ask that you be honest enough to study the scriptures and compare them with historical facts, and then allow the Holy Spirit to enlighten your mind and destroy some of the pre-conceived ideas you have picked up by reading what men have said about it. Put aside the ideas with which you have been propagandized for years and listen to the scriptures. Then when you find that I am telling you the truth, have the "intestinal fortitude" to tell your people the truth.

I am not preaching this Kingdom message because it is popular; or because I expect to influence a lot of fundamental Christians. Sad to say, I will lose a lot of support from fundamental Christians with whom I have worked in the past, because they are not honest enough to search for the truth. Most of you will look for isolated scripture references with which to destroy my arguments; very few of you will search for the truth. Very possibly I will have to say as the Apostle Paul did, "Am I to become your enemy, because I tell you the truth?"

But before God, in the light I have received from an intense study of the Word, I can do no less than give you the truth. Someday I will stand before the Lord and answer for this message; but let me remind you, you will have to answer for having read the truth, and having turned your back on it!

Let me begin my argument by saying that the truth of the Israel Identity does no damage to

fundamental, doctrinal Christian truth. In fact it strengthens it! I will put my brand of fundamentalism up against any of the great Bible scholars of our land without fear of embarrassment. I am a better fundamentalist today, from having learned the truth of who I really am. I now understand, as never before, the "high calling" I have as a Christian, in Jesus Christ. It makes me more determined than ever, to do my very best to work with God, to save America. Why? Because I now realize, that God's Israel promises were made for us, who are the Lost Tribes of the House of Israel. The "lost sheep" Jesus talked about.

This change in my thinking did not come as a "spur of the moment" thing. It came after a great deal of prayer and "soul searching." It came after hundreds of hours of study in the scriptures and in study of the history of our white race.

I first began to question the teaching that the Jew's of today were God's Chosen people, when I began to wonder, how a Communist, atheist, God-hating, God-rejecting nation such as Zionist Israel, could possibly pass the test marks of God's Chosen People. It just didn't make sense! So I began to study on my own; not based on something some Bible scholar had written; not based on what some theological seminary has said for years, but on what the Word of God says. (Let me hasten to say here, that I do not believe the "tommyrot" Herbert W. Armstrong puts out; although some of his teachings are true.)

But you say: "All the great Bible scholars of modern times believe the Jews are the ones!" I'm not interested in what these men teach; I go for my criteria to the Word of God and there are just too many unanswered questions. I have never met a fundamental preacher or scholar yet, who could honestly answer these questions. Oh they have tried, give them credit for that - they have torn scripture out of its proper setting to promulgate their ideas. They have used the same argument that Dr. Scofield and others like him have used for fifty years or more, but they do not come up with honest answers to the questions.

Why, for instance, if Palestine is the Land of Promise, and the returning Jews are a sign of Christ's soon return. Why is it that since 1975, more Jews are leaving Palestine than are coming in? If the Jews are to return to Palestine in great numbers, as most prophetic preachers claim they will, why is it that less than 17% of world Jewry resides in Palestine today? (There are more than twice as many Jews living in New York City, as there are in Palestine.)

Why, when God prophesied in Ezekiel 36:24, that He would gather His people from "among the heathen," have most of the Zionist settlers come from the Anglo-Saxon nations, which are regarded as Christian nations?

When God says that he will "give a new heart to His people," this parallels the New Birth experience. This signifies that Israel will become Christian in their Promised Land. If this is true, then why are most of the Zionists in Palestine, atheists? Why do they hate Jesus Christ and constantly persecute His followers? Why do they show their hatred in a special manner towards Arab Christians? Why do they refuse religious freedom in Israel?

If the Jews are "all of Israel," as most of you believe and there are about twenty million by the latest Jewish census, what became of the millions of descendants of the Israelites who never returned from foreign captivity. They outnumbered those who returned from Babylon by the millions? Every Bible scholar who has an ounce of honesty in his system must recognize this!

Why, if God promised the Patriarchs, their seed would be as numerous as the "sands of the sea" and Sarah would be the mother of "thousands of millions," have the Jews never numbered more than twenty million people?

Why were Abraham, Isaac, and Jacob never called Jews in the Old Testament; yet your preacher calls them Jews all the time?

Why, when you study history, is there such a prevalence of Jewish names among the leaders of International Communism, which has stated that they intend to destroy Christianity? Why do so

many of them in America, control the media, and banking? Why do they without fail head the combines which promote pronography, sex education in the schools, prostitution and dope, which is literally destroying our youth? Don't argue with me about this? Just look at their names? Why does their religious book, the Talmud, teach them how to carry on this un-Godly subversion? Have you ever read it? It would further your education a great deal!

Why is it that the vast majority of people who have been convicted of treason against this country in the past fifty years have been Jews? Why have they sold "America down the river?" Don't try and pull the wool over my eyes and say that God would choose a wicked people like this!

I believe what we are seeing in the world today, is a fulfillment of the prophecy given in Revelation 2:9 and 3:9, to the Church of Smyrna: "**...**I know the blasphemy of them which say they are Jews and are not, but ARE OF THE SYNAGOGUE OF SATAN." Why do our fundamentalist preachers never discuss these verses? Because they can't come up with an honest answer for them!

As I saw these things, and many, many more, taking shape in the world, I began an intense study of scripture and history, looking for the truth. It is of great interest to me, to see how history always confirms scriptural truth. The more I studied, the more I became convinced, that by no stretch of the imagination could the people we call Jews, be the People of the Book.

I will not spend any more time trying to convince you that the Jews are not the people spoken of in the scriptures, because I want to take time to speak about your ancestry, if you belong to the white, Anglo-Saxon, Celtic, Germanic, Scandinavian, or related races.

People should be proud of their racial background. There is nothing wrong with blacks believing that "black is beautiful." But by the same token, we should not be ashamed of being white - although there has been a terrific propaganda campaign underway for a number of years to give us white folks a "guilt complex." But none of us, who go by the name Christian, must allow ourselves to have a presumptive pride, which would set us above everyone else. In fact, the knowledge of our ancestry, should prove a humbling experience.

I want you to look for a little while, into the background of our white people - Aryans, they have been called for centuries. I want to use historical facts, backed by scripture, to prove that the background of the people of England, Canada, Australia, the United States, and most of Europe, came directly from the "seed of Abraham."

Historians, archeologists, and anthropologists admit there is a link between the early inhabitants of the British Isles and what we now call the "mid-East."

One of the first rays of light, revealing the people who inhabited Britain,is that they were called "Abiri," which was the name the inhabitants of Canaan, gave to the Israelites in 1451 B.C., when they made their exodus from Egypt.

At Stonehedge, England, glazed beads, made only by the 18th Dynasty in Egypt, about 1700 B.C., during the years of the Israelite slavery, have been found in ancient British tombs.

Oriental scholars claim that the Semites originated in Central Asia and migrated to Mesopotamia about 3,000 B.C., where they overcame the Turanian population and absorbed them into their society. These were the people who founded the Babylonian Empire. This migration of a superior race from Central Asia has been proven correct by many archeological finds. But since Shem did not come into existence until about 2400 B.C., this race of immigrants could not have been Semites. They were their ancestor race, the parent white race called Aryans. The word "Aryan," comes from the ancient Sanscrit language and means "noble race."

In Genesis Chapter Two, we have a brief description of the location of the Garden of Eden. It mentions that four rivers came out of Eden and since the Euphrates River is mentioned, most Bible scholars assumed that it was the Euphrates River in Mesopotamia. They never bothered to check this out for geographical accuracy and this error has been taught in most of our churches. A little study, would have shown that the Tigris and Euphrates Rivers merge into one river, which in no

way resembles the description given in Genesis 2. If the Bible statement is true; and we know it is, then we must look somewhere else for these four rivers.

There is such a location and the only one is in the "cradle of the world." Starting from one source on the Pamir Plateau of Central Asia, between the Tian'S han Mountains on the North, and the Hindu Cush on the South, are the four great rivers called the Indus, the Jaxartes) the Oxsus, and the Tarim. The Oxus is still called by its ancient name of Gihon, which is the same name as that used in Genesis 2. The Chitral branch of the Indus, answers the Biblical description of the Pison; the Jaxartes is the original Euphrates and the Tarim, going East, is in all probability the Biblical River Hiddekel.

The people of Central Asia still consider this plateau as the original location of the Garden of Eden. It, and it alone, answers the geographical description of Genesis 2:10 - "And a river went out of Eden to water the garden; and from thence it parted, and became four heads."

There is a strong probability that the Aryan race came from this locality. One of the best proofs lies in the studies of the ancient languages. The Chambers Encyclopaedia says: "Between Sanscrit (the mother of modern Hindustani); Zend (the language of the ancient Persians); Greek (the language of Asia Minor); Latin (the romance language of Italy, France, Portugal, Spain and Rou mania); Celtic (once the language of all Northwest Europe and now confined to Wales and parts of France, Ireland, and Scotland); Gothic (the mother tongue of the Teutonic people, including the English); and Slavonic (spoken in various dialects by the people of Central Europe); the researchers have established such similarities, they must have come from a common origin."

In the old Hindu paintings of India, their gods were always portrayed as having white skins, fair hair and blue eyes.

In Genesis 10:6-20, we see that Nimrod was a son of Ham, as well as was Canaan, after whom the land of Canaan was named. From Genesis 12:2-5, we see how the sons of Japheth spread themselves over the seacoasts of the Mediterranean. Three of these names are of special interest in our study. Gomer, which means "darkness;" Javan, named on Ptolemy's map of the world as present England, and Tarshish, the son of Javan, after whom Spain was named.

The Maritime possessions of ancient Israel are named in 1 Kings 10:22; 22:48; 2 Chronicles 9:21, and Jonah 1:3, the name Tarshish is prominent in all these passages.

Shem was the father of the children of Heber, from which the name "Ibiri," "A bin," and "Hebrew" finally came. We often think of the Hebrews as Jews and even learned Doctors of Divinity speak of the Jews and Hebrews as one and the same people, but the scriptures make a sharp distinction between the houses of Judah and Israel. The people we now know as Jews, make up only an infinitesimal portion of the Hebrew race, and many who go by this name have not one drop of Abraham's blood flowing in their veins.

The word "Eber," or "Hebrew" means "colonizer," in the Hebrew-Phonecian language and the descendants of Heber were the greatest colonizers and mariners in the world's history. Since the 22nd Century B.C. they have dominated every nation with which they have come in contact.

The early Chaldean priests were genuine astronomers. They understood the solar year. They divided the day into twenty-four hours; they recognized the constellations and named them. Isn't it interesting that all the human faces on the signs of the Zodiac depict pure Aryans who look like the Anglo-Saxons of today?

We don't have time in this message to go into the archeological, historical and anthropological proofs that the Anglo-Saxon races are direct descendants of the Biblical Abraham. If you are honestly interested in studying this further, I would suggest you get Frederick Haberman's book: "Tracing Our White Ancestors;" this tremendously documented book is published by the Covenant PubI. Co., of London.

The first recorded arrival of any known group of people in Britain, took place in 1103 B.C. when a

man named Brutus the Trojan arrived with a colonizing group. His name is another form of the Phonecian Barat, or Brith-ish, which literally means "the Covenant Man."

In Genesis 38, we have the rather sordid story of Judah's ignoble union with his daughter-in-law Tamar. But God often works in mysterious ways to perform His will and it was from this union that the line of Judah-Parez came. This was the line which was to bring forth the Messiah from the House of David.

In Genesis 38:27-30, we see the record of the birth of twin sons to Judah and Tamar. As Judah was the royal family of Israel, the midwife who was attending the birth, was extremely careful to mark the first-born since he would be the rightful heir of the throne. She bound around the hand of the first baby to be born, a scarlet cord. But if you remember the story, the baby's hand was withdrawn and the other child was born first. He was called Pharez, which in the Hebrew language means "a breach." The child who had been marked as the heir was Judah-Zarah, who became known for his great wisdom, second only to that of Solomon (see 1 Kings 4:31).

Darda was one of the sons of Zarah. According to the Jewish historian Josephus, who wrote about the year 1 A.D. Zarah founded the ancient city of Troy 34 years before Israel left Egypt. An exhaustive study of the royal houses of Europe will show that the lines which have branched out of the house of Judah-Zarah over 3,000 years ago, are of the tribe of Judah and are the blood lines of Western European royalty. None of these, by the way, were Jews.

The dying Jacob prophesied: "Judah is like a lion's whelp," (Genesis 49:9). Did you know that every noble house in Europe has a lion on it's "coat of arms?" It was to Judah that the sceptre belonged. (The true Jews, not those converted to Judaism in Russia, who are of Khazar descent, but those who are of the blood of Abraham, are descended from Judah-Pharez.) After the division of Solomon's Kingdom, the House of David ended its temporal rule in Palestine with Jehochin and Zedekiah in 585 B.C. Brutus was of the line of Judah-Zarah.

Many historical critics reject the old British chronicles as mythology - the Story of King Arthur and the Knights of the Round Table, being a good example. But there are authentic records showing that King Arthur did reign in Britain and that he could trace his ancestry back to Judah-Zarah, through his ancestor Brutus.

For many years, historians taught that the British were uneducated savages and that they were civilized by the Roman invasion of the Isles. They say that the religion of the Druids was one of fear and human sacrifice. But these premises, just as evolutionary theories, have been proven false. The Druid religion was very similar to that of the Hebrews; they worshiped one God, whom they believed was the Creator; they looked for His Virgin born Son to be the Savior of the world; they had blood sacrifices for sin, much as the early Hebrews, but they were animal sacrifices.

Does any really intelligent person believe that a mob of untrained savages could have defeated Caesar's Legions? Yet they did, time and time again, until Rome was finally forced into making a peace treaty with them. Yet our modern history books 90 to great lengths to discredit the Britains. Why do you suppose? Could it be that someone wants to keep the truth from the Anglo-Saxon people concerning their birthright? Who do you suppose would benefit most by this? Could it be the people who now go by the name of Jew and who control most of the world's printing houses? Think about this!

It is unfortunate, that along with higher criticism of the scriptures which developed in Europe, there came a downgrading of their historical backgrounds. We see a similar phenomenon today, where our youth are being taught to have "guilt feelings" about anything which is "white." They have been told how repressive we Americans have been to other people, when the truth is that no country in the history of the world has done so much for the needy and oppressed, as the white, Anglo-Saxon people of America. (This help is not coming from the Jews - they help only their own people.)

Today, instead of using our great American heroes as examples for our youth, they are held up to ridicule, even from our pulpits. A few years ago in Florida, I came across a vivid example of this. Visiting in one of the local schools, I picked up a history book being used in the Fifth Grade and read this statement: "The stories we have heard about many of our American heroes are not true. Take Paul Revere for instance; it has been proven that he did not make that ride, to warn the people that the British were coming, since he was drunk in bed with a prostitute, the night this happened."

But while the Bible critics have weighed each brick of the Old Testament and tested its every timber, they have been unable to replace the one thing they sought to destroy. They have been like hammers which wore out on the anvil of a black smith shop. But isn't it strange and rather sad, to see modern intellectuals who would rather believe they were "sons of apes," than "sons of God;" even though scientific evidence proves this theory to be false? The reason is, their chief aim is to raise man above God.

Over a hundred and fifty years ago, a German philospher named Ludwig Feurbach stated: "Man will finally be truly free, when he realizes there is no God of man, but man himself." This idea became so deeply rooted in the diseased brain of a young Jewish intellectual named Karl Marx, that it became the bedrock on which modern Communist philosophy is built.

These intellectuals have come up with findings, which prove, so they say, that the Genesis account of the Creation, the fall of man and the deluge, are nothing more than Hebrew fairy stories. A few years ago, a Southern Baptist theologian wrote a book called "The Genesis Story," in which he discounted the first ten chapters of Genesis as being merely myths. He was backed in his stand by Dr. James Sullivan, who was the Sunday School Secretary of that great denomination for many years. Now Southern Baptists wonder why they are being plagued by skepticism in their church.

But it is even stranger to see how most of the Bible critics have labored under the delusion that the Old Testament belongs to the Jews. Despite all their knowledge of Hebrew and their textual criticism of the Bible, they have never discovered that the old Covenants were never made with Jews and that there were no people known by this name until 2 Kings 16:6, about 742 B.C., some 1172 years after Abram left Ur of the Chaldees. The Covenants were made with Israel, the same race which still bears the ancient Phonecian name of "Brith-ish", the "Covenant man."

It would be both interesting and beneficial if we could go more into detail concerning the throne of David in the British Isles and on the symbolism which can be traced back to ancient Israel. But right now, I want to spend some time speaking about our own land of America, as I believe it is mentioned in Bible prophecy.

Unfrtunately in the past 150 years, Fundamentalists have done practically nothing to fight the destructive criticism of the Bible. I realize that Godly men like Dr. David Otis Fuller of the GAR BC have written books in defense of the King James Version, but unfortunately, most of the time, instead of trying to prove the truth of this Book of all Books, they have betrayed the Bible by saying: "The Bible says so and therefore we believe it!" With the exception of evolutionary arguments, these men have done little to defend the Book.

Too oten, when Fundamental writers came up against portions of the Bible they did not understand, instead of searching for the truth, they took refuge in "spiritualizing it." There is no greater admission on the part of Fundamental scholars of their inability to understand portions of the Old Testament than that which is found in many of the Sunday School lessons which are used in most of their churches. In these lessons, they blithely skip over vast amounts of important material and hit only the popular stories.

The Old Testament is a book of Jewish legends, if we accept the assumption that the people of Israel are Jews. Many Bible critics such as Thomas Paine and Robert Ingersoll have challenged Fundamentalists to prove when, where, and how, the glorious promises of Jehovah for His Chosen People have been fulfilled in those who are now called Jews - they have been unable to do so!

If you will look at the detailed blessings given to Joseph through Moses in Deuteronomy 33:13-16, you will note they consist of material blessings; the wealth of the seas; abundant harvests; mineral wealth; oil, gas, coal; plus other blessings and protection. The Jews, have never in their history, since the time of Solomon, had any of these promises. There has been only one group of nations in the world who has had abundant harvests, year after year, decade after decade. There has been only one group of nations which have consistently mined the ores, drilled the oil wells, and digged the coal - all harvests of the precious things of the earth. Only one group of nations has consistently converted these things into the goods and services of modern civilization. This is not the Israeli of Palestine by any stretch of the most fertile imagination, but the Anglo-Saxon, Celtic, Germanic, Scandinavian peoples of America and their related nations in the British Commonwealth.

In Deuteronomy 15:6. God told His Israel that they would lend to many nations. Who has given so much of their national wealth for the aid of many nations? Certainly not the Jew! With billions of dollars worth of wealth in the Dead Sea, Jewish authorities publicly admit that the only thing which keeps Israel alive, is their aid from Christian America. This doesn't sound much like the fulfillment of Bible Promises to me!

None of the disciples, with the exception of Judas Iscariot, were Jews. They were Israelites. Why do our preachers keep on insisting that the people we now call Jews are "all of Israel?" The true Jews, of the blood of Abraham, make up only an infinitesimal part of true Israel, yet it is this small majority that our preachers always talk about.

The Gentile Church, never existed in the land and the Epistles of the New Testament were addressed for the most part, not to Jews or Gentiles, but to the "twelve tribes scattered abroad."

There is no equivalent term in the Greek language for the English word Gentile. It is essentially an English word, found in no other language. It is derived from the Latin word "Gens," meaning "Nations," or "tribes." When the Apostle Paul said: "I am an Apostle to the ethos," (the equivalent Greek word for "gens",) is Ethos, this literally meant the "tribes of Israel," and has nothing to do with the heathen.

Over and over, Jesus said that He had come into the world primarily for the "lost sheep of the House of Israel." lie told His disciples in Matthew 10:6, that they were not to go to the "gentiles," or "heathen," but to the "lost sheep of the House of Israel." The word "lost" as used here is not the theological meaning of "being unsaved." In Matthew 15:24, where He said: "I am not sent but unto the lost sheep of the House of Israel," the Greek word for "Lost," is, "Appolumi," which literally means: "those who are separated for punishment." In other words, Christ said: "I am sent unto the tribes of Israel which have been set aside from their brethren for punishment." This puts a completely different light on the subject than what we have been taught in most of our Fundamental churches.

If you will make a close study of Isaiah 40 - 66, you will discover these messages are about Israel's rebirth, not in Palestine, but in the Isles of the Sea, somewhere to the West of Palestine. I believe he was speaking about the Reformation Period in Western Europe, when men and women by the tens of thousands came to know the Lord as Savior. There is no way the Jews can be fit into any of these passages.

Some Bible scholars say these chapters were fulfilled when the Jewish remnant returned to Jerusalem from Babylon, after the Seventy Years of captivity. But I challenge you to show me any Jews mentioned in these passages. There were no Jews located in the Isles of the West, when Isaiah penned these words, but there were Israelites, by the thousands and it was to these that these passages were penned.

When our Pilgrim Fathers landed at Plymouth Rock, on the rocky shores of New England, over 300 years ago, they brought the Bible with them; this was the basis of the new country they founded. They recognized themselves as the "seed of Abraham in this wilderness," yet you cannot find one Jewish name in this group.

Because of the blindness to the true identity of God's People, Jacob-Israel, most of the Christian ministers are taught erroneously, that the Church's members form Christ's Kingdom. This is only half true, when compared with the glorious reality. The Book of Revelation states that those worthy to be chosen (the true body of resurrected overcomers) by God to reign with Him do not constitute the Kingdom, they are "co-heirs" of the Kingdom. They will be the "kings and priests" who will rule and reign with Christ for a thousand years.

There will be many "born again" people who will not be in this select group, because they have never "suffered with Christ, so that they might reign with Him," (Romans 8:16).

There is something in this verse that most preachers miss. You are not going to float to heaven on flowery beds of ease, and still rule and reign with Christ, for His Word clearly says: "if so be that we may suffer with Him, that we may also be glorified together."

Why are our pastors and churches so blind to the truth of a literal coming kingdom, when we pray: "Thy kingdom come, Thy will be done, on earth as it is in heaven?" Why have Christian people been taught to look to heaven as their future home when we are told that we will "rule and reign with Him," if we are faithful? Is it because our people have not been taught the glorious truth that they are indeed God's Chosen People, His Stone Kingdom of Daniel 2?

If we dare to use the words "a Chosen People," it will preclude boasting, if we remember that in the language of true religion, the word "chosen" means "for service," or perhaps even "for suffering," but never for favoritism, as the Jews teach.

Some of you may be thinking: "What good is it to know that we are Anglo-Israel?" It is sad to hear fine Christians say: "I have Jesus and that's enough for me; being an Israelite won't save me!" If I was to go to these same folks and say: "I have a will which proves that you are the inheritor of a large fortune and privilege," would they say to me, "Well, what if I am; that won't save my soul: what's the good of that anyway?" You know as well as I do, that they would do everything possible to take earthly possession of their inheritance.

If these same people really believe that their future is in heaven, then why do they go on piling up earthly possessions whenever they can? It doesn't appear that by doing this, they are proving their contention that "Jesus is coming back in the near future to rapture them out of this world." lam convinced that many of these fine people fit the words of Isaiah, when he said: "These people do honor me with their lips, but their hearts are far from me."

This is the true value of knowing we are Israel. It establishes our claim to the greater blessings God said would be Israel's in the "latter days." In that time, as they accept their responsibilities, they would make known God's wonderful love to all men. It is no wonder so many professing Christians are so anemic in their stand for God and against evil, when they refuse.to accept their inheritance. They are as bad as Esau, when he sold his birthright for a mess of soup.

If Americans were to recognize the truth of their identity, it would give us a revival of our spiritual life and bring about the cleansing of the evils which are now destroying is.

Things which now divide us - the splits, sects, divisions, bicke rings, whispering and jealousies would all perish and we would stand united before the world, as the witnesses of God's wonderful power and grace. We would put away nationally, the greed, hatred, oppression, drunkenness and Sabbath breaking and we would see the day dawn when the world really will "beat their swords into plow shares and their spears into pruning hooks."

I thank God that those of us who have tested these truths can stand upon the impregnable truth of His Word in the scriptures and that we are ready, to gladly give to any man, an answer for the hope that is in us.

What a power and what an incentive for better service of the Lord we love, can come about as we recognize our identity with Him.

There is serious trouble abroad in this land and you all know this. It is something that no politician can control. It has come about because our Christian people have literally lost their way. They have lost the knowledge of their true identity. They are paying today in tears for their waywardness. The "money changers" have invaded our nation and those of us who claim to love the Lord have left them in power.

During the Diamond Jubilee of Queen Victoria in 1897, the poet "laureate" of England, Rudyard Kipling, was asked to write a poem for the occasion. He came up with the sobering words of the "Requiem."

"God of our fathers, known of old;
Lord of our far-flung battle lines,
Beneath whose awful hand we hold,
Dominion over palm and pine;
Lord God of Hosts, be with us yet,

Lest we forget!"

"The tumult and the shouting dies;
The captains and the kings depart;
Still stands Thine ancient sacrifice;
An humble and a contrite heart;
Lord God of Hosts, he with us yet,

Lest we forget!"

"Far flung our navies melt away;
On dune and headline sinks the fire.
Lo, all our pomp of yesterday,
Is one with Ninevah and Tyre.
God of the nations, spare us yet;

Lest we forget!"

"If drunk with sight of power we loose
Wild tongues which have not Thee in awe;
Such boastings as the Gentiles use,
And lesser breeds without the law.
Lord God of hosts, be with us yet,

Lest we forget!"

"For heathen heart that puts its trust,
In reeking tube and iron shard;
All valiant dust that builds on dust,
And guarding calls not Thee to guard,
For frantic boast and foolish word,
Have mercy on Thy people, Lord!"

In Psalm 33:12, we read: "Blessed is the nation whose God is the Lord; and the people whom He hath chosen for His own inheritance." In verse 18 - "Behold the eye of the Lord is upon them that fear Him, upon them that hope in His mercy; To deliver their soul from death, and keep them alive in famine. Our soul waiteth for the Lord. He is our help and our shield. For our heart shall rejoice in Him, because we have trusted in His Holy Name...

That's the answer to America's problem. Acceptance of His Son, Jesus Christ, as our promised Savior. Then along with personal acceptance must come the recognition of Christ as King of Kings and Lord of Lords, so that He may reign supreme. It must begin in the individual heart and then spread over this nation. This is the formula for America's survival. This is the hope of our nation!

Preface

Part Two

In Part One, we looked at the evidence that White, Anglo-Saxon, Celtic, Germanic, Scandinavian and related peoples are the Lost Tribes of Israel. I pointed out that the remnant among those who call themselves Jews, who are the seed of Abraham, is very small, just an infinitesimal part of those who are God's Chosen People. I showed that the vast majority of God's People do not know who they are and how once this information becomes available to them, once it is again preached from the pulpits of Christendom, then and only then, will we see the great revival which will bring Christendom back to God.

If what I told you in Part One is true, and I have given you the historical and scriptural facts to the best of my ability, the question naturally arises: "Who are the people who call themselves Jews. Why are they trying to deceive the world into believing that they, and only they are the people of the Book?"

I will attempt to answer this question in Part Two under the following subjects:

Chapter One - The Great Betrayal

Chapter Two - The True Enemy Exposed

Chapter Three - Christianity's Greatest Hoax

Chapter Four - Exploding the Chosen People Myth

Epilogue

Chapter One

BACKGROUND TO BETRAYAL

In Isaiah 58:1, God's messengers are admonished to: *"Cry aloud; spare not; lift up thy voice like a trumpet, and show my people their transgressions."*

For the most part, our pastors have refused to do this and as a result the patient is very sick and is in extreme danger. Unless something is done soon, he will die. But the strange and alarming fact is that the doctors we have placed in charge of the case have betrayed their patient. In fact, they are doing everything in their power to weaken him and hasten his demise. They have allowed quacks to dictate his treatment, which has turned out to be detrimental to his recovery.

This patient is very dear to us, for it is our own United States of America. The men we have put into office for the past fifty years or so, have allowed Fifth Columnists to in filter our Government and dictate the course of our nation. Their ultimate purpose is the destruction of this Constitutional Republic.

We are hopelessly in debt. We have been sold a moral code which stinks of death and corruption and which is often promoted by the "frocked devils" who stand behind the pulpits of many of our prestigious churches, masquerading as Christian shepherds.

In order to finance the death of this patient, measures are being constantly passed in Congress to hasten his death. Citizen is being turned against citizen by a heathen philosophy which has invaded our country from Eastern Europe. It is designed to ultimately enslave us.

The "loud mouthed liberals", with their high sounding talk about "love for everyone," have very

little love for the black, the Indian, or the Chicano, but are willing to use them as "cannon fodder" in the revolution they are striving to start. Listen to Article II, par. 5, in their plan for world conquest: "Through the press we have gained the power to influence while remaining ourselves in the shade: we have the GOLD of the world in our hands, not-withstanding that we had to gather it out of oceans of blood and tears. But it has paid us, though we have sacrificed thousands of our own people. Each victim on our side is worth in the sight of God, a thousand of the heathen."

Maybe you are one of those "brainwashed" people who do not believe such a thing could happen in America. But it is happening, right now, right before your eyes. If you will open your eyes and mind to what is happening in this country, you will see the disintegration process going on all about you. When you realize this, possibly you will understand the significance of the words which Khruschev screamed at the United Nations a few years ago, when he pounded on it's podium and screamed: "We will bury you!"

Most American diplomats and the gurus of the news media, put those words down to the rantings of a little peasant, as he insulted the greatest nation on the face of the earth. When he returned home, Khruschev sneeringly stated: "I went to America and spit in their faces and they thought it was dew!"

But Khruschev was speaking as the official representative of a very powerful nation which has been our enemy since 1917; an enemy which has promised, over and over again, to destroy us and the freedom we possess. In fact, hardly a year passes, in which this enemy does not reiterate this same threat!

In 1949, Dmitri Manualisky, head of the United Nations Security Force, from his position as Under Secretary of Military and Political Affairs, was recorded by Pravda as having stated: "Communism and Capitalism cannot long exist side by side. We are not strong enough to destroy them (the U.S.) now, so we will begin by producing the greatest peace offensive ever seen. There will be unheard of concessions from our side and the Capitalist nations, stupid and decadent, will leap at the chance to be our friends; they will rejoice in their own self-destruction. Then when their guard is down, and they have gone to sleep, we will smash them with our clenched fist."

That threat was made over forty years ago, yet our Government has continued to build them up and support them, to the point where now they are strong enough to carry out their threat. Communism is not dead!

Why have we allowed this to happen? Have all these things taken place due to some strange evolutionary process, or have they been deliberately caused for a Satanic purpose, the destruction of Christianity and all decency. We will see!!

For over fifty years we have watched in frustration the painful and rapid disintegration of the greatest nation the world has ever known. During this period, we have lost our International prestige. We have gone down-hill in economics, politics, morality and military strength.

Many decent people have stood by in frustrated silence, as our Constitutional processes have been eroded, our competitive free enterprise systems have been replaced with socialism, our national resources have been depleted and given to our enemies in the name of "détente."

We have stood helplessly on the sidewalks of this country, as our sons have been sacrificed in two no-win wars and two world wars, all of which have been avoidable and all of which were planned by evil men, in devious ways, so they could line their pockets with our wealth and further their control over a free people.

America is in a rapid retreat on every front. Our moral and spiritual strength has declined to the point, where once great churches, which few years ago were "lighthouses" for the Gospel, have been turned into "glorified religious country clubs," where men and women join because it adds to their social prestige and where the Gospel preached, is the treason of the Social Gospel.

Today, America is faced with a blackout of truth. How can we understand the dangers we face and

guard against them, when the media is under the control of our enemies?

Our leaders seem incapable of understanding the threat to our country, which comes largely from within. While many Americans are alarmed by what is happening, most of them are confused. Why are we in retreat? Why have we lost our prestige abroad? Why are we unable to cope with problems at home?

My purpose in this chapter is not to discuss the defeats of the past five decades, although there have been many of them. It is not to point out our lowering morals standards and the crime which is literally crippling us. It is to show you our loss of freedoms - most of you recognize these things.

What I want to do is show you how these problems have been deliberately created and how America has been deliberately manipulated into our present crisis by leaders who are openly contemptuous of our Constitutional process and who often come from a background which is hostile to the very concept of a Constitutional Republic.

It is not that our leaders do not understand the problems which are strangling us; it is not that they are incapable of understanding them. Our main problem is that many of them are traitors to our American concept of freedom.

The facts I am about to present to you are not popular. Some of you will find them repugnant, because they will be diametrically opposed to what you have been taught in your schools and churches. Some of you will be inclined to scoff at them and very possibly stop reading the first time you come in conflict with what you believe.

These facts disturbed me tremendously and I began to search for the truth concerning them. One day, during my daily Bible study, I read in 2 Chronicles 19:2, the story of a good king named Jehosophat, as he went north to help the wicked king of Israel, a man named Ahab, in a battle against the Assyrians. When Jehosophat returned to Jerusalem, he was met by a prophet of the Lord who chastised him by saying: "Shouldest thou help the un-Godly and love them that hate the Lord? therefore is wrath upon thee from before the Lord."

If God never changes, as the Bible clearly teaches us, then He hates atheist nations as much today, as when He had them destroyed centuries ago. He hates them, whether they are Russia, China, or atheist-Zionist Israeli, which is a nation that hates God, Jesus Christ and persecuted Christians. How can Christian America spend the largest portion of our foreign aid on a nation that constantly repudiates God? How can we support the very people who are today engaged in destroying everything we as Christians stand for? I cannot understand this position on the part of any Christian pastor.

I do not ask you to believe what I write in this Chapter, but I do challenge you to be honest enough to check these facts out; I dare you to put them under the most powerful magnifying glass available, the Word of God, and when you find that I have told you the truth, then have courage enough to act on the truth you will then have.

Some of the best documented information you can obtain on this thorny question can be obtained from the book THE IRON CURTAIN OVER AMERICA, written in 1951 by Col. John Beatty, U.S. Army Retired. Col. Beatty was a former officer with the Army Intelligence and was Chief of the Army Historical Section. Some of the information I will give you comes from this book. I suggest you get a copy and study it thoroughly. Because of it's contents, it has been under constant attack since it's publication, by both the Zionists, the Communists, and the Judeo-Christian church.

Let me say here that it is essential for us to differentiate between Zionism and Judaism, since they are not always one and the same thing. Yehudi Menu hin, the famous Jewish violinist once said: "I am an integrated citizen of the United States. lam a Jew by religion and by nothing eIse." This man waged a relentless and courageous campaign against the Zionists whom he considers: "only use and abuse their religion to promote Jewish nationalism, the new religion of so many subverted and brainwashed Jewish people." Remember that ours should not be a vendetta against the Jewish

people. Here I depart radically from some of my Identity brethren, who do not believe that a Jew can be saved. I do not consider this to be Biblical. I am not against the Jews as a people, but against the philosophy that some of them propagate, which would destroy America and Christianity.

There are many patriotic Jews, such as Alfred Lilienthal, author of the revealing book THE ZIONIST CONNECTION. This is another book which every concerned Christian should read, especially preachers who are giving their fullest backing to Zionism. He says: "I believe I articulate the voice of many Jews who wish to think American, but who will not volunteer an expression of their innermost feelings, even though they cheer from the sidelines. I cannot tolerate Israel turning me and others, who regard ourselves as Americans of Jewish faith, into second-class citizens in our own country **. . .** yet today, if I wish to retain my religious affiliation, I am bound, whether I like it or not, to help, assist, give to, lend to the foreign state of Israel, in a manner in which non-Jewish Americans do not have to do. I refuse to be a hyphenated American. I am neither an American-Jew, nor a Jewish-American. I am an American of Jewish faith, and Israelis' flag is not, has not, and never will be mine." This statement was written in the Reader's Digest in 1950.

So do not let any prejudice against the Jews and their connections with Communism, color your thinking concerning all Americans of Jewish faith. To do so would be fatal to our very understanding of Americanism. We need to be alert to the dangers posed by Zionism and let our people know about them, without creating a climate of hatred which will destroy us all.

There is not a one of you who hears this message, who would shoot a watchdog that barked at night to warn you of an approaching intruder; this in essence is what Christian Americans have done for the past fifty years. Only an informed America, with the help of God Almighty, can save this nation. The ancient prophet said: "My people are destroyed for lack of knowledge," not lack of education, but lack of knowledge, or the truth about what is happening to them!

The great Roman Senator Cicero once said: "It is impossible to know the truth and not be held accountable for it!" So I warn you, once you have heard the truths in this message, whether you accept them or not, you will be held accountable before God. There can be no excuse for you to remain in your spiritual foxhole, while our battle for survival rages all about us.

Probably our greatest task is to get good people involved. Edmund Burke, the British Philosopher was once quoted as saying: "All that is necessary for evil to succeed, is for good men to do nothing!"

This is certainly true! You see, we will not lose our freedom on that day when we answer a knock on our door at 3 a.m. and open it to a little man with a star on his helmet and a Tommy gun in his arms, who says: "Come with me to the concentration camp!" We will lose it, when decent Christians, like you and I, see things happening in our local schools, churches, and government we know are wrong and we sit back and say: "I'm only one individual you know and everyone knows you can't buck City Hall!" When enough decent Americans feel this way, we will lose America; freedom will die; we will bury it in the cemetery and over her grave we will erect a headstone with this epitaph; "America died, because the Christian people of America didn't want to be bothered!"

For us to have a full understanding of the problems we face today, we must go back more than 1,000 years in history to the fundamental problem of Europe, the source, seat, and historic guardian of Western Christian civilization. This problem has been to save itself from the inroads of a heathen philosophy which had and still has its seat and source in Asia.

From the fall of the Roman Empire in the West in 476 A.D. to the present time, one of the principle weaknesses of Western Europe has been its lack of unity. Wars have been fought, brother against brother, which were instigated by this heathen philosophy, for the purpose of destroying all vestiges of Christianity. In the principa timocument of this enemy, Article 7, Par. 1, we read: "The intensification of armaments. the increases of police forces are all essential for the completion of our plans**...** Throughout the world, we must create ferments, disorders and hostility. Here we gain a double advantage. In the first place we keep check in all countries, for they will know that we have

the power to create disorders or restore order. In the second place, by our intrigues we shall tangle up all the threads which we have stretched into the cabinets of all the States. We must be in a position to respond to every act of opposition by war with the neighbors of that country which dares oppose us and if they should venture to stand collectively against us, we must offer resistance by universal war. We must compel the governments of the Gentiles to take action in the direction favored by our plan. If our terrorist attempts against them fail, if we allow a general uprising against our control, we shall respond with the guns of America, or China, or Japan."

These breeches were healed in Europe to a certain extent during the Crusades, when men were aroused to go to the Holy Land and release Jerusalem from the hands of the Moslem hordes. For nearly a hundred years (1099-1187), the Latin Kingdom of Jerusalem ruled in Palestine, until they were finally driven out by the Saracens under the brilliant leadership of Saladin.

During this same period, there was a great deal of unrest in men's hearts concerning spiritual matters. This culminated in Martin Luther nailing his ninety-five theses on the church door at Wittenberg, Germany, on Halloween 1517.

The new form of Christianity he began was known as Protestantism and it made remarkable progress among the German people; many of the Teutonic knights embracing this new faith. These people developed a strong sense of duty and loyalty to Christian principles and from them came the statesmen which made Prussia great.

From the very beginning, the relationship between Germany and America was friendly. Not only was the basic blood-stream of English descent - almost identical with that of the Germans - in addition, over 25% of the early American settlers were of German descent.

In the early 1900's, Germany was admired by this country. She was a strong, Christian nation, part Protestant and part Roman Catholic, exhibiting many of the same characteristics as seen in America.

Then came World War I in 1914, in which Britain, France, and their allies were opposed by Germany and her allies. Since the people of America admired both these groups, they were reluctant to take sides. Finally in 1917, due to extreme Zionist pressure on our government, this country was literally seduced into World War I.

Chaim Weismann, the well-known Zionist leader, states in Paul Goodman's book WEISMANN, A TRIBUTE written in 1945 - "We Jews are the greatest war profiteers."

The great majority of American Jews were trapped into support of the Zionists on the basis of not being told the facts. In that they were no different from most Christians in 1993. But the Jews at the top of the International Bankers clique, made enormous profits out of the suffering and death of others.

It was during this period, while Woodrow Wilson was campaigning for re-election under the slogan: "I kept America out of war!" that his right-hand man, the mysterious Col. Edward Mandel House, was in London, working with Winston Churchill to bring the United States into the war on the side of Britain. This was accomplished by loading the passenger ship Lusitania with explosives and then having her sunk by a German "U" boat off the coast of Scotland colay 15, 1915. This incident was contrived, not by Germany, but by the Jewish Internationalists who wanted us into the war on the side of Britain.

If you can remember your history, this was to have been a "war to end all wars!" Yet this greatest "blood-spilling" of all times between men of kindred race did not bring world peace.

Here let me digress for a moment to bring you a statement made by the eminent Jewish Rabbi Reichorn in the Prague in 1868 at the funeral of Grand Rabbi Simeon-Ben-Ihuda: "Thanks to the terrible power of the International banks, we have forced the Christians into wars without number. Wars have a special value for the Jews, since Christians massacre each other and make more room for Jews. Wars are Jewish harvests! The Jew banks grow fat on Christian wars! Nearly 100-million Christians have been swept from the earth by war and the end is not yet!" Remember now, this

statement was made in 1868.

At the end of WWI, a secret agreement was made between President Wilson, Prime Minister David Lloyd George of England, and Prime Minister Clemenceau of France. The leaders of the Allies, in their peace terms, set the groundwork for the takeover of the German government by Adolph Hitler a few years later.

The financial crash came in Germany in 1923, as German money was devaluated by the International bankers and the German people began to suffer terribly, especially those in the industrial areas. In their hunger and desperation, they began to blame the Jews for their troubles, since many of them were identified with the International bankers, while others were leaders in the Communist movement.

This German attitude was intensified as the German Zionists began to acquire power during the terrible year of 1923, using funds from race-conscious Jews in other countries. Thousands of Jews from Old Austria, Hungary and Russia, rushed to get in on the "gravy train." As they gained further political power, they tightened the economic screws on the German people, so that when Hitler came along, they were ready for someone to save them from the Jews. This fateful German-Jewish tension was destined to play a major role in the later history of the United States.

At the end of World War I, anti-German propaganda in the United States was being fanned by fanatical Zionists, with very little respect for decency or honesty. The "Huns," or "Boche," as they were slightingly called, were made out to be uncivilized barbarians. Most of the vociferous anti-German propagandists of this period were Zionist Jews, as can be seen by looking at the names of the popular writers of that period.

When the war ended, tensions did not end, as would have been strategically advisable and these tensions were continued in the Jewish controlled press and in the new opinion-molding medium of the radio. Americans were literally taught to hate and despise the German people, from which so many of them had sprung.

In 1936, while Britain sought to establish workable arrangements with Germany, President Franklin Delano Roosevelt, in his first term of office (1933), recognized Communist Russia, while remaining neutral towards Germany. Then in October 1937, in a speech made in Chicago, the President did a complete "about-face" and came out with a strong tirade against Germany. The task of the anti-German propagandists was made easier about this same time, by the appearance of Adolf Hitler on the German stage.

Now we need to go back on the stage of history for a few centuries, to the First Millenium of the Christian Era. Several tnbes occupied an area between the Don and Volga Rivers, north of the Caucasian Mountains. They were known as the Khazars. By slow stages, they had extended their boundaries to the Sea of Azar and the Black Sea. They were a people of mixed Turkish and Mongolian stock.

In the 8th Century A.D., the Khazan, or tribal chief, wanted a State religion for his pagan people. He adopted a form of Judaism, which had been strongly influenced by the heathen Babylonian Talmud, and which was in complete opposition to the Mosaic Laws of the Hebrews. All one needs to do to understand this, is do some reading from the Talmud, used in modern Jewish synagogues. It was this form of Judaism, intermingled with Babylonian occultism, which was accepted by the khazars in 741 A.D.

The Slavic people in the area now known as the Ukraine, were engaged in constant warfare with the Khazars and by 1016 had driven them out of the area. These "bogus" Jews went north and became widely distributed in Western Russia. (It is very important for you to note that these people had no blood relationship in any manner, with the descendants of Abraham; their ancestors had never set foot in Palestine.)

The religion of the khazars, was the religion of the Pharisees who crucified Christ and whom Jesus accused of being "children of the devil." Now don't get upset with me for making this statement, for it can be found in John 8:44, read it carefully in it's entire context and you will see what He was saying: "Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there was no truth in him. When he speaketh a lie, he speaketh of his own; for he is a liar, and the father of it."

In Revelation 2:9 and 3:9, the Apostle John writing to the church at Smyrna, years later said: **"...**I know the blasphemy of them which say they are Jews and are not, but are of the synagogue of Satan."

Now there is little doubt in my mind, that by now, some of you are convinced that I am anti-Jew. This is not true. All I am doing is giving you the facts your pastor has neglected to bring to your attention, for obvious reasons. The facts are available to you, if you are honest enough to look for them. We have been propagandized from our pulpits for so long, with the idea that the Jews are God's Chosen People, that few Christians are honest enough to face up to the truth that we have been lied to. Then when someone is honest enough to come along and tell you the truth, you immediately accuse him of being anti-Semitic. This is an old Communist trick which they learned from the Zionists.

Have you ever heard Walter Cronkite, David Brinkley, or other popular newsmen describe the Zionist pressure which literally runs our Government in Washington? Have you ever wondered why a man like Gen. Brown, Chairman of the Joint Chiefs of Staff, was forced into an apology when he warned Americans that they better check Zionist pressure in our Government? Have you ever wondered why John Connolly was driven out of the Presidential race, because he had the courage to speak up about this pressure? It's because the American people are afraid to face the truth. That's why we are loosing the war for our freedom!

Have you ever wondered why Israel can do no wrong as far as our Government is concerned? Did you ever hear a word of condemnation for the terrorist acts of the Begin Government against Christian Arabs? Of course you didn't! Don't you know that the Israeli were the first country to vote against us in the United Nations, when it came to approving China's entrance a few years ago? This is not being anti-Semitic, it's just telling the truth and letting the "chips fall where they may." The Zionists cannot stand this! Their only defense is - use the "trigger word" - anti-Semitic!

The relationship between the Slavs and the Jewish Khazars was never a happy one and it had nothing whatsoever to do with religion or racial origin, since the Slavs were noted for having absorbed many minorities into their culture with few problems.

The reason for this friction was ideological. As time passed, these Khazar people of mixed and non-Russian stock, hated the Russian people, and became known to the world as Russian Jews, although they had no claim on the blood of Abraham and their religion was at complete odds with that of Moses.

Jesus interestingly enough mentioned this to the Pharisees in Matthew 15:3 - **"...**Why do ye also transgress the commandments of God by your traditions?" In Mark 7:13 - "Making the word of God of none effect through your tradition, which ye have delivered**...** So you see, what went on in Eastern Europe and Russia, had been going on in Judaism for at least seven centuries.

Since the Babylonian Talmud is distinguished by magic incantations, the practice of the occult and other heathen practices, these people became known wherever they went for their fanaticism and corrupt morals.

We hear so much these days from Protestant pulpits about the persecution of the Jews. I have never heard a preacher with "guts" enough to tell the truth: the Jews were kicked out of every Christian country in Europe, not because they were Jews; not because of their religion; but because of their corrupt morals and their under-handed, deceitful way of doing business and their habit of robbing

their Gentile neighbors.

The Judaized Khazars became not only an indigestible mass in the body politic, but they became characterized as a "State within a State." Their first allegiance was to the Babylonian Talmud. This same situation exists today; wherever you find Jews who follow the Babylonian Talmud, you find Jews who hold a dual citizenship in Israel and the country where they reside. The Jews are the only people who can legally hold this dual citizenship in the United States.

In the fertile grounds of Khazar-Judaism, the seeds of Communism sprouted and grew with surprising rapidity. The Khazar Jews were attracted to the writings of another Khazar Jew named Karl Marx, during the period 1818-1883;

The Marxist program of State control over everything, which was so repugnant to the mind of the Western World, was no obstacle to the Khazar Jew, since the Talmud taught acceptance of dictatorial control and the Talmud contains over 12,000 of these controls.

While Russia was staggering under the defeat by Germany in 1917, the Communists, whose hard-core was made up of Khazar Jews, struck against the Government and with the financial help of Zionist bankers in the United States, they took over control of that unhappy land. The first Communist Commissars were largely Jews. According to data furnished by the Soviet Press, out of 556 important functionaries of the Bolshevik State in 1918-19, 457 were Khazar Jews. In more recent years, the Communist rulers of Rumania, Hungary, Poland, and the Ukraine, have been Khazar Jews.

It was from this same ethnic group that political Zionism sprang up in 1884, under a Khazar Jew named Thedor Herzl. Mr. Herzl presided over the first Zionist Congress which met in Basil, Switzerland in August 1897.

Dr. Chaim Weismann, the head of political Zionism when it first reverted to violence, was born in Poland of Khazar stock.

Political Zionism entered its violent phase, when discovery was made of the incredible wealth of the Dead Sea, in southern Palestine. An independent Jewish State was the only method of Zionists had, to gain control of this land in their drive for world domination.

Now again, I am sure that many of you have read thus far, are still unwilling to admit what I am saying, although all of it is carefully documented. You have been taught in your churches for so many years, that the Jews are God's Chosen People that you will refuse to believe the truth. It was the Hebrews who were given the promise of God as found in Genesis 15:18; the people of this area were not known as Jews until many centuries later. The first mention of people called "Jews" does not occur in the Old Testament until 2 Kings 16:6, a thousand years after the time of Abraham. So to use the term to describe Abraham, Isaac, or Jacob, is very bad scholarship, if not outright deception. In fact the word "Jew" was not even known in the English language until the beginning of the 18th Century.

There are many documents which prove without the shadow of a doubt, that the Khazar Jews were and still are in the forefront of the Communist efforts to control the world. There were Jews such as Sam Carr (Cohen), organizer from Canada; Fred Rose (Rosenthal), organizer for French Canada; the German Jew Rabinovich, in charge of liaison with American Communists; John Gates (Israel Regenstreif), Editor of the Communist Daily Worker; Gus Hall (Hallberg), Head of the Communist Party. U.S.A. (this was the man who predicted the slaughter of 60-million Americans when Communism took over the U.S.A.) Then there were Jews like Lenin, Trotsky, Stalin - all principle founders of Communism.

Others apprehended in stealing the secrets of America's atom bomb and handing therri to the Soviets, were Harry Gold (Abraham Brothmann); Miriam Moskowitz; M. Sobell; David Greeng lass; Julius and Ethel Rosenberg, (the only traitors executed for their treason. Today the Zionists are trying to make martyrs out of these two).

In 1951, Dr. William PerI of Columbia University was arrested as part of a Soviet Atomic spy ring, he had changed his name from (Utterperl); while at this time the true head of Communism in America, was the Khazar Jew, Gerhardt Eisler.

It is interesting to note that almost 100% of the Jews involved in Communist activities in the United States were of Khazar origin.

This simply means they were not Jews at all.

According to the American Zionist Handbook, 68 to 70% of all the Jews in the United States have their background in Poland or the Soviet Union and it is significant that the Canadian Royal Commission, in its findings on Communism in Canada stated: "It is significant that the number of documents from the Russian Embassy, specifically note 'Jew', or 'Jewess,' in the entries on Canadian agents, showing that the Russian Fifth Column attached particular significance to this Jewish influence in the Party."

You see, my Christian friends, I am not making accusations off the "top of my head." Nor am I showing you these facts to cause you to hate the Jews. I am simply trying to show you where most of our national security problems are coming from.

It would be well to make a few remarks at this point concerning American Immigration policies. On December 2,1823, President Monroe proclaimed, in the famous document which bears his name, that the American Government would not allow Continental European powers to extend their political systems into the New World. Up to 1900, most of the immigrants to the United States had come from Western Eu rope, where their ideals were those of Western Christian civilization. These were the people who subdued the Western frontiers and helped build the moral and spiritual foundations upon which this nation became great.

But about 1880, our immigration policy began a significant shift to include millions of people from Southern and Eastern Europe. Most of these people, with the exception of the Spaniards and Italians, had little regard for the principles of Republican Government. A large portion of them were non-Christian in culture and had no intention of accepting American ideals. Instead they tried to move this country towards a collectivist ideology.

In 1908, the President of Columbia University, Dr. Nicholas Murray Butler, called attention to the fact that Christianity was a dominant part of the American nature. He went on to express his fears that "our capacity to subdue and assimilate the alien elements brought about through immigration may soon be exhausted." He concluded, as Abraham Lincoln had seventy years earlier that "the dangers which confront America will come from within."

Statistics for this period of our national growth will show that the new immigrants were mainly Italians, Slavs, and Khazar Jews from Russia and Eastern Europe. The Italians and Slavs posed few problems, since their ideals were essentially Christian.

But the Khazar Jew was strikingly different. These newcomers arrived on our shores in vast hordes. The total number of Jews who arrived prior to 1920 reached over three million. They were referred to as Polish Jews and comprised the largest percentage of the Jewish population of New York City.

The older Jewish immigrants, who were for the most part people of true Hebrew blood and who followed the Old Palestine Talmud and the Laws of Moses, had been assimilated into the American way of life and most of them had become good citizens. But they were overwhelmed by the flood of "pseudo-Jews" who arrived from Russia. The older Jews had very little racial connection with the heathen Khazars who came from Russia.

But as the Khazars began to dominate the Jewish population in the United States, the position of the Americanized Jew became a precarious one. Many of this group were branded as "Quislings," "betrayers of Judaism," our outright traitors. This emphasis came from the Khazar synagogues, which tried to silence the orthodox Jews who were sympathetic to our American way of life.

This is still true today, where orthodox Jews, who refuse to back political Zionism, are actually persecuted by those who "say they are Jews and are not."

So it is very necessary that we use care in not lumping the true Hebrew with the Judaized Khazar, who is not of Hebrew blood and is a fake. The orthodox Jews should receive our sympathy and cooperation, for they are concerned about saving freedom in America too!

The Khazars consider themselves to be superior - a separate nationality, a "nation-within-a-nation," and one which is certainly hostile to American ideals. They are absolutely ruthless and often exercise violence against their own people if it will help their cause. On November 25, 1940, for example the SS Patria was blown up in Haifa Harbor, killing 276 Jewish immigrants. At the time, this incident was attributed in our Jewish controlled newspapers to the British. It was not until 1950 that the truth came out and the disaster was placed at the door of the Zionists, where it belonged. As David Flinker, an Israeli correspondent for the Jewish Morning Star wrote: "The Hananah General Staff took a decision not to permit the Patria to leave Haifa The English must be made to understand that they could not drive the Jews away from their land. So the Patria must be blown up. The ship got ready to go to sea and none of the passengers were warned."

Ffteen months later, the SS Straum exploded in the Black Sea, killing 769 illegal Jewish immigrants; once again the British were blamed and once again it was proven that this time the Irgun, the Zionist terrorist organization, did the job in order to raise hatred against the British and open Palestine for Jewish immigration. Over and over again, Zionists, following the Satanic teachings of their Talmud, have murdered and terrorized anyone who stood in their way, friend and foe alike.

So great was the immigration of the Jewish Khazars to the United States, that in 1947, immigration officials stated that "over 50% of the world Jewish population now resides in the U.S." (This meant about eight million of them.)

Te problem created in the United States by such a powerful minority, possessed of an aggressive foreign ideology, and fired by ambitions to rule the world, is something each concerned American needs to understand, if we are to survive as a free, Christian nation.

The burning hatred of the Khazars for Christianity and decency has been inherent through the centuries. This was apparent when Jesus accused the psuedo-Jews of His time of being "guilty of all the righteous blood of men from the time of Cain until His time." (Luke 11:45-51).

Go back in history and you can see this same virulent hatred, as it has been behind most of the major "bloodbaths" in world history. See their offspring as they continue these wicked practices in the Communist countries and now in Palestine, where they have killed and persecuted Arab Christians and have closed down Christian work in Israel. These and other facts are things that I cannot get away from, no matter how loud our pastors trumpet that they are God's Chosen People!

As the Khazars took over in Russia, they instituted a succession of purges which liquidated millions of people, principally those who were Christian. We are not interested in these purges in this message, except to state that the Khazar-Communist plans call for a liquidation of most men and women in America, over the age of 30, because they "can not be re-educated into the Communist philosophy."

In the Communist Textbook on "Psychopolitics, written in 1933 and taught in the Lenin School for Political Warfare at the University of Moscow, can be found in the Communist plan for the takeover of the United States. In Chapter Twelve, page 52, they say: "Just as in Russia we have destroyed after many years of most arduous work, the Church, so we must destroy all faiths in nations marked for conquest. You must recruit every agency of that nation into a foaming hatred of religion

"We have battled in America since the century's turn to bring to nothing any and all Christian influences and we are succeeding. While we today seem to be kind to the Christian, remember we have yet to influence the Christian world to our ends. When we have done that, we will have an end

to them everywhere."

Even as the heathen Khazars subjected Russia and China to a rule of terror which killed over 140-million people, so they have begun their infiltration of America for the same purpose.

Before the outbreak of World War II, in March 1939, Josef Stalin addressed the 18th Congress of the Communist Party in Moscow and laid down the plans for world domination which have never been changed. Our State Department has known about these plans all along, but because of Zionist influence in the "upper echelons" of our Government and through the years of detente with our sworn enemy, they have sought to strengthen our enemy. This comes under the act of TREASON, as defined in Article III, Section 3, of our Constitution.

It is interesting to note that the Democrat Party as early as 1912, began to woo the votes of these Eastern immigrants. In the early part of this Century, the Eastern Europeans, who were mostly "liberals and radicals," flocked into the Democrat Party. They can best be exemplified by the distinguished Harvard Khazar Jew, Louis Brandeis, whom President Wilson named to the Supreme Court. Brandeis invisioned a "new cooperative one-world order." (According to the Universal Jewish Encyclopaedia, Vol.11, pp. 495-499, he was an active Zionist.)

Brandeis was also an active factor in influencing Wilson to get America involved in World War I, even as he campaigned on the slogan: "I kept America out of war!"

Although England had promised self-rule to the Arabs in Palestine because of their help in defeating the Turks, Wilson was readily won over to Brandeis' scheme for a Jewish homeland in Palestine, which had already received favorable attention from British Prime Minister David Lloyd George.

An article appearing in the Jewish Chronicle, February 2,1936, titled: "The Origin of the Balfour Declaration," said that certain representatives of the French and British Governments had been convinced that the best and perhaps the only way to persuade America to enter the war, was to secure the cooperation of Zionist Jewry in the United States, by promising them Palestine. Since Wilson attached the greatest importance to the advice of Judge Brandeis, the Zionists worked through him to get us involved.

It was the flood of liberal votes from these Eastern Europeans which raised the Democrat Party to a majority status and under which we have seen the most drastic decline in our history and under which we have fought our last four wars. America has been under the control of this basically anti-American group since at least 1932.

The first spectacular victory of the non-Christian Eastern European Democrats, came when Roosevelt, within nine months after his inauguration, recognized the Soviet Government of Russia.

This has been followed down through the years by the debacles of Yalta, Potsdam, Teheran, Hungary, Cuba, China, our betrayal of Taiwan, the sell-out of the Panama Canal, the destruction of Rhodesia, and the debacle in Iran, Afghanistan, and Iraq. All of these events, and many more, were brought about by the manipulation of the heathen element in our Government.

The present Administration of Bill Clinton, a man who professes to be a Christian, shows further sad example of this heathen control. There is not one man the President has appointed in this Administration, that by any stretch of the imagination can be called a Christian. But many who hate God, decency, and freedom, have been elevated to places of top responsibility and many are Khazar Jews.

There was no more shocking example than that of foreign born former National Security Advisor, Zignibew Brezinski, a Marxist who has publicly stated: "Though Stalinism may have been a tragedy for the Russian people, there is the possibility that for the world at large, it may have been a blessing in disguise." (I'd like to see him tell that to a refugee from behind the Iron Curtain, whose family has been slaughtered by the Communists). Again he said: "America is undergoing a new revolution which unmasks the obsolescence of our Constitutional form of Government." He then goes on in no uncertain words to declare that he believes that our form of overnment is "out of step

with the times," and that he believes in and advocates "one-world government" for the best of the people. (He is a Khazar Jew.)

Look at the list of men, down through the years, who have betrayed the best interests of our country - Litvinoff, Morgenthau, Dean Acheson, all protegees of the Khazar Jew, Felix Frankfurter and all of foreign, non-Christian stock; Henry Kissinger.

Acheson had served in the law firm of Brandeis and his record of disservice to this country, which began in 1939, when he was a paid lawyer for Joseh Stalin in the United States, reads as a eulogy for treason.

Many patriotic, well-informed Americans in the old State Department and the American Federation of Labor, pleaded with President Roosevelt not to recognize the Soviet Union. But F.D.R., puffed up with his own importance and egged on by the clique of Marxist Fabian-Socialist-Zionists in his government, who posed as liberal intellectuals, signed his name to the franchise which recognized this enemy of all mankind. Without Congressional approval, he made a treaty with the Soviet Union, giving them the right to establish an embassy in the United States, with full diplomatic immunity and this has been a "hot-bed" of Soviet espionage ever since.

It was Soviet Foreign Commissar Maxim Litvinov, the plunderer ot Estonia and the Kremlin's first agent for socializing England, who received "red carpet" treatment in Washington, then sat down with Roosevelt, after Acheson and the Khazar Jew Morgenthau had done the spadework for treason. This was the deal which has led America to the brink of disaster in this era.

After this nefarious deal was consumated, large numbers of naturalized citizens and ideological associates, were infiltrated by appointment or by Civil Service, into the State Department. Among those who "feathered their nests" during this shameful period were "leftists," Eastern European converts to Communism and a few native Americans who sold out their birthright for a "mess of stinking socialist pottage!"

By the beginning of World War II, the Communist infiltration into our State and Agriculture Departments had reached the point, that when Martin Dies, head of the House Committee on Un-American Activities, warned Roosevelt, he was shouted down by an irate President who screamed; "I am no more a Communist than you are; but there is no danger from Communists in this country, some of them are my best friends." When the unyielding Dies reiterated his warning, F.D.R.'s climatic argument was: "We need their votes!"

Time and time again, Dies was called to the White House, where he was alternately threatened and cajoled to stop annoying the Communists in our Government.

Probably the greatest enemy infiltration took place in the new Atomic Project, where there was a heavy level of Eastern Europeans employed. The Khazar Jews were conspicuous in this agency during the 40's and 50's. (Don't get upset with me - I am only quoting facts!)

The influence of this heathen ideology reached its peak in mid 1951, when Milton Katz was at the helm of U.S. Foreign policy in Europe; Anna Rosenberg was in charge of the manpower of our Armed Forces; Manly Fleischman was Administrator of Defense Production and Nathan Feisinger was the Chairman of the Wage Stabalization Board. These were all Khazar Jews and it was under their control that we saw American principles "slip down the drain."

The man appointed by President Truman to head the "Committee on Religious and Moral Welfare and Character Guidance in the Armed Forces," was a Khazar Jew named Frank Weil, a New York lawyer and President of the National Jewish Welfare Board. Is there any wonder, under leadership such as this, that orders came down to the Chaplain's that they could not use the name of Jesus Christ in their weekly Character Guidance classes?

Probably the top Khazar in our Government during this period was Vienna born Felix Frankfurter, who headed a nefarious group of anti-American Khazars composed of Alger Hiss, Lee Pressman, Benjamin Cohen (Truman's Senior Assistant) David Lilienthal (Chairman of the Atomic Energy

Commission), Nathan Margold, Donald Hiss, Milton Katz, and former Secretary of State Robert Patterson. All of these men worked directly under the influence of Felix Frankfurter and were violently anti-American in their concepts.

Another powerful Khazar Jew who was frequently summoned to aid the President, was Isador Rubin, later appointed by the President to a position in the United Nations.

There was Leo Pasvolsky, a Russian-born Khazar who rose to power in the State Department; there was Samuel Rosenberg who wrote many of F.D.R.'s speeches; there was Henry Morgenthau, Secretary of the Treasury and sponsor of the vicious Morgenthau Plan to destroy Germany after the war; there was Hubert Lehman, Director of UNRRA and who diverted many of it's funds to Soviet satellites.

Doesn't it seem strange to you, the large number of Khazar Jewish names which crop up in the area of treason? Yet many people, including a majority of our Christian pastors who ought to know better, will accuse me of being anti-Semitic and hostile to God's Chosen People. Well, I'm really sorry about that, but I can't change the facts. Do you suppose you might be wrong?

In his personal diary, Secretary of Defense James Forrestal, recorded that he told Joseph Kennedy, our Ambassador to Great Britain, that Prime Minister Chamberlain had told him: "It was America, under the leadership of world Jewry, which forced Britain into war with Germany."

In 1950, Forrestal argued with Democratic Party leaders saying: "No group in this country should be permitted to influence our Foreign Policy to the point where it interferes with our national security." Immediately, Forrestal came under vicious attacks from the Zionists; Bernard Baruch, the Advisor of President Roosevelt warned Forrestal of possible personal retaliation if he continued in his America-first course. There is much evidence that Forrestal was murdered. Before his death, Congressman F. D.i-Sesevelt, Jr., expressed fear that the Democratic Party might lose votes because of Forrestal's strong anti-Zionist stand. The Secretary angrily retorted: "I think it is about time that somebody should give some consideration as to whether we might lose America."

When Germany attempted to improve her relations with the United States in 1937 and again in 1938, she was rebuffed by the Roosevelt Administration. The official reason given was: "Fear of domestic h: ttical reactions in this country which would be unfavorable to the Administration." Yet this same Administration had thought nothing of public reaction when F.D.R. unofficially recognized the Soviet Union in 1933.

Finally in desperation, feeling that he was being surrounded by a British-French-Soviet encirclement, Hitler went to desperate measures and declared a policy of "guns instead of butter." It was his reaction to Jewish treason within his country and the Zionist pressure against Germany, that caused Hitler's bitter hatred of the Jews. Any honest study of this period will show that World War II was caused primarily by our President's policies, which were governed for the most part by his Khazar advisors.

In Proverbs 25:5, we read these interesting words: "Take away the wicked from before the king, and his throne will be established in righteousness." This has been true of every Administration which has served this country in the past fifty years. Most of our trouble has come from anti-Christian, wicked advisors in our Government.

One of the men who understood this problem and I believe was murdered because of it, was Gen. George Patton. He had recognized the dangers from Communism as far back as 1943 and hated it with every fiber of his magnificent character.

Many Americans still look on Harry Truman as one of the best of our recent Presidents, because of the stand he took on Korea. Yet if you are honest in your evaluation, you will have to admit that he did more to strengthen the Communist position at Potsdam, than any man we have ever had in the oval office.

A honest study of World War II, will reveal that we did not fight that war to stop the advance of

Naziism; it was not fought to "make the world safe for democracy." We received absolutely nothing of value for our victory in that war. The entire benefit from that conflict went to the Communists, who took over most of Europe and enslaved over a billion people in Asia, all under Khazar leadership. It is no wonder that Jesus said to their fathers: "Ye are of your father the devil. He was a murderer from the beginning**...**" It's no wonder that his Khazar children follow in the path of international murder.

Most of the facts I have given you have been deliberately with Sea from the American people. Why? Because if we knew what was happening, we would kick the money changers out of the temple; they cannot afford to have us do that, until they have consolidated their strangle hold on the world.

Even worse than the deliberate withholding of the truth from our people, is the deliberate slanting of the news. A good case of point was the slaughter of the Israeli athletes at the Olympic games in Munich in 1972, by eight Palestinian guerillas. The New York Times used terms such as: "Murder in Munich; Arab Fanatics; Homicidal hatred; Indiscriminate murder." Yet when the Israeli air force shot down a Libyan plane that had strayed over Israeli occupied territory in a blinding sand storm, killing 74 people, the same New York Times ignored the story for over a day and finally came out with a story which called it "a tragic, horrifying blunder."

I could fill this book with the same deliberate slanting of American news, both in the news media and on television. It is always slanted to favor the Zionists and has reached the point where very few Americans know the truth of what is going on in the Middle East.

Even those Christians who travel to Palestine are given the full propaganda treatment. They are met by Israeli guides who give them the benefit of Zionist propaganda free of charge. They usually have preacher guides, who are so sold out to Zionist interests it is pitiful. They are never told about the deliberate persecution of Christians in Israel; the closing of Christian missions, the Zionist hatred for our Lord Jesus Christ. A few years ago, when a Moravian orphanage was closed by the Israeli Government, the name of Jesus Christ, over the entrance way, was immediately cemented over by Government order.

We have been led to believe by our preachers that the Israeli are a deeply religious people, with a deep sense of the prophetic elements of the Old Testament. This is false. From their own sources, they admit to being over 60% agnostic or outright atheistic. I do not advocate hatred or persecution of these people, I am just asking that the American people be allowed to know the truth and not be forced to swallow the unmitigated "swill" that we have received from the media and from our pulpits. I have noticed that few of the preachers who are always taking guided tours to the Holy Land, ever bother to take their Christian "sheep" over to hear the Arab side of the story.

A few years ago, Walter Cronkite, the guru of CBS stated: "My job is not to tell the American people the truth; I am an opinion molder."

This same false Zionist propaganda can be seen in the theatre and on television, and most certainly in the movies. Movies such as "The Diary of Anne Frank," and "Holocaust," which are called documentaries, are held up to the American public as being true, but have been disclosed as planned frauds. I will not take the time to go into this, except to say that it is a proven historical fact, that Hitler never killed six million Jews in Germany during his regime, for the simple fact that there were not that many Jews in all of Europe during that period. A reward of $50,000 has been available for a number of years, for anyone who can give documentary proof of this "annihilation" of Jews in Germany; no one has attempted to claim it, because they know it is false. Yet these untruths have been one of the greatest sources of Zionists funds from the stupid Americans who fall for them "hook, line and sinker."

This same kind of propaganda has been inserted into our school books, where few books of the pre-war (1940) era are available to our high school and college students.

Why have the many anti-Jewish statements of Martin Luther been expunged from the textbooks of Lutheran Seminaries? Have you ever wondered why the many warnings given to Americans in earlier days, concerning the Jews, have been taken from our textbooks? Benjamin Franklin and George Washington were strong in the denunication of Jewish influence in their day. Why is it that there has been one goal of the left-wing, anti-American, atheist forces from which they have never deviated? This is to place our government in the hands of atheist aliens and non-whites.

Secretly and publicly, in the press, in the school, in government, and in the church, white Christian Americans have been downgraded at every opportunity and are being replaced in positions of responsibility, by alien non-Christians. There must be a reason!

Why has America been propagandized for over fifty years, mostly by Jewish writers and commentators, through the newspapers, in books and magazines, on the radio and TV, through the movies and now in our textbooks, to accept the heathen philosophy of Zionism, which is diametrically opposed to everything Christianity stands for. It is blasphemy to say that the religion of Jesus Christ is founded on a Judeo-Christian basis, for the Judeo basis is opposed to everything our Master stands for.

Why for the past few decades, have non-whites, aliens and foreign born Jews, been promoted in governmental positions, over better qualified white Americans? Why has "inter-marriage" been encouraged by this same Satanic crowd, in direct conflict with God's Word (see Exodus 19:51 and Deuteronomy 7). Why are aliens, who can't even speak our language clearly, put into sensitive positions of government, often over American born whites?

I'm thinking now of un-Godly men like Henry Kissinger a German born Khazar Jew, and the foreign born Khazar Brzezinski. In Deuteronomy 17:15 we read: - thdo-Jayest not set a stranger over thee, which is not thy brother." "Don't try and tell me that law was only for the Jews - it makes a great deal of sense. In Joel 2:17, a prayer for God's Divine assistance says: **"...**Spare thy people, O Lord, and give not Thine inheritance to reproach, that the heathen should reign over them: wherefore should they say among the people, where is their God?" This is what we have done in America, for these Khazars are heathen, atheistic, God haters of the worst type.

Why has our government subsidized the birth rate among the nonwhites in America, while the white population is constantly being lectured about the dangers of population increases? Why is most of the welfare money, which is strangling the American economy, going to people who often refuse to help themselves and who look on it as their right, rather than as a short term aid measure? It is these people, who constantly put the heathen into office in America and this practice is destroying us. Why are most white Christians unaware of the dangers from a non-white controlled central government? Can you give me a logical answer for this? Of course you can't!

Many of you readers who come from Fundamental churches will immediately puta label on me. If you don't, your pastor will. My pastor firmly believes that I have departed from the faith, because I refuse to accept the propaganda he puts out that the Jews are God's Chosen People. Yet my beliefs have not changed concerning the Gospel. I am a Fundamentalist in the strictest meaning of the term, and the truth I have learned, has strengthened my belief in the Book.

You may possibly remind me of God's Covenant with Abraham in which He said: "I will bless them that bless thee; and curse them that curse thee." But God wasn't speaking to a Jew**...** Abraham never was a Jew! My pastor reminded me that unless America helped the Jews, we would be cursed, then he said: "God has blessed us, because we loved the Jews!" But this is a patently false statement. God has not blessed this country since we accepted Zionist control over Palestine; the worst period in our nation's history has come on us since we turned our backs on God and helped His enemies.

We need to remember that the Bible is very careful to differentiate between Israelites and Jews - this is something most Fundamentalisanyoeachers need to learn to do! There are some Jews who are Israelites, a very few - but there are very few Israelites who are Jews! The terms are not interchangeable, as our pastors have indicated. I dare you to try and discuss this with your pastor.

Nine times out of ten, he will become angry and instead of sitting down with you and trying to give you proof from the Word of God, he will try and discredit the person who has opened your eyes to the truth. Why? Because he has also been propagandized for years. In both Protestant and Catholic Seminaries pastors have been taught that the Jews are the People of the Book. You don't think after all this time there are many men honest enought to admit they have been wrong, now do you? My pastor even refused to look at documented facts I had available for him.

Nowhere in Genesis 12 does the Bible speak of Jews. God was speaking to Abraham who was a Hebrew and very few of the Zionists have any of Abraham's blood flowing in their veins. This is one reason, many orthodox Jews, refuse to support the Zionists, they recognize them as fakes. Must we allow this heathen philosophy to destroy everything we as Christians stand for, merely because our pastors refuse to accept the truth?

Why do you never hear a Fundamental pastor speak a word of warning concerning the words of Revelation 2:9; 3:9? Why is it that you can make unkind remarks about Germans, Italians, British, Poles, Canadians, Catholics, Pentecostals, Fundamentalists and Mormons, and no one gets too upset. But merely breathe a word about "those who say they are Jews and are not, but are of the synagogue of Satan," and the roof falls in on you?

Why is a person who is anti-communist, almost without fail labeled as anti-Semitic? Is it because so many of them "who say they are Jews," are on the same side as the Communists? Are they afraid that Americans will learn the truth about who they really are and that they will lose their stranglehold over us?

If the Zionists are God's People, why do they deliberately murder, as they did in the case of Count Bernadotte of Sweden in 1948. One of the Stern Gang leaders, a personal friend of Ben-Gurion said: "We killed him because of his declared intention of turning Jerusalem into an International city. He was our enemy." Suppose we did that with the Jews and said: "We must get rid of tur J because they want to turn America into a Communist nation." Would we be justified in doing that? Can you imagine the reaction in the Zionist controlled press?

There have been many incidents of Zionist terrorists bombing Jewish synagogues in order to put pressure on reluctant Jews to join political Zionism. Yet these facts are suppressed in the news media and from our pulpits. Even our pastors seek to find excuses to justify Zionist atrocities. It seems at faough these people can do no wrong.

Alfred Lilienthal, a well-known orthodox Jewish writer put it quite aptly in his book: "The Zionist Connection:" "It is possible that Adolf Hitler had more of the blood of Abraham flowing in his veins, then the men who are trying to take Palestine by force, from it's rightful owners. It is possible that some of my Christian readers, have more of this blood in their veins, than Menachim Begin or Golda Meier." Yet Godly men, like my once good friend Dr. David Webber, from the Southwest Radio Church of the Air, state publicly that the Jews have a right from God, to take the land of Palestine by force, from it's rightful owners.

While the blood of Abraham the Old Testament patriarch, flows in the veins of many Palestinian Arabs and others who live on the shores of the Mediterranean, the true descendants of the "friend of God," are not the heathen race, which now rapes and ravages the Holy Land.

Why are our Fundamental churches seeking to befriend those who say they want to destroy everything we as Christians believe in? Why do people like Dr. Jerry Falwell of the "Moral Majority," and evangelist Jack Van Impe, back the enemies of God the Father, God the Son, and God the Holy Ghost? Why do they back the very people who are behind the immorality they say they want to stop in America?

Must God Himself put His curse on this nation, because His Christian people are supporting His enemies; because our spiritual shepherds refuse to open their eyes to the truth and lead their flock astray? I suggest you read 2 Chronicles 18, 19 and see how the wrath of God fell on a stupid king,

who backed the enemy of God. (And that enemy, by the way, was a King of Israel.)

The American public, especially those of us who go by the name of Christian, are entitled to know the truth. Our pastors should be the first to give us this truth and they have not done so. If we are to remain free, we must demand that the truth comes to us from our government, our schools, and most of all from the pulpits of our land. We must do away with the unofficial censorship which perverts our school books, and perverts our history and denies the truth concernmg the white Christian people of this land.

In 1951, the infant State of Israel showed it's true colors, when they voted to allow Communist China into the United Nations, voting against America, who was supposed to be their friend.

During the early days of the modern Israeli, terrorism was the "mod us operendi" of their leadership. Israel are the only nation in the world, which have as it's leader, a man who was an acknowledged bank robber, murderer, and terrorist. All of these terms aptly applied to Menachim Begin, who bragged publicly of kill Pan more than 300 people with his own hands; he has been instrumental in driving over 880,000 Arabs - Moslems and Christians alike, from lands they owned. Even many Jews have protested his disobedience to the Laws of God. They also apply to the present Israeli Premier.

The United States, under President Harry Truman, swung full force behind this gang of murderers. In 1948, Truman was quoted as saying: "We need to help the people of Israel, since they have proved themselves in the best traditions of hardy pioneers and the highest standards of Western civilization." Mr. Truman, never had the "guts" to define what he meant by the "best traditions and highest standards of Western civilization," unless he had reference to our earliest American gangsters who murdered and robbed the Indians, or the cut-throats of Quantrell's gang who murdered and raped in Harry Truman's backyard during the Civil War. That's the same class the Zionists have placed themselves in!

The liberal politicians greed to obtain Zionist votes and money for the socialism of the Democratic Party, has cost us the loyalty of twelve Arab nations which were our former friends and which are a lot closer to us in their religious beliefs, than the atheist Khazar Jews. The Moslems at least believe in One God; they honor the Lord Jesus Christ as a great prophet and do not look on him as the "illigetimate son of a Jewish harlot," as most Zionists do.

A good idea of the way in which Americans have prostituted their honor to these heathen can be seen in a statement which was made in 1974, during the gubernatorial campaign of Hugh Carey in New York. He told Zionist Premier Rabib: "Don't pay any attention to the polls; we are behind what Israel does, no matter what they do!" If he had said this about any State but Israel, he would have been tried for treason. But in New York, they made him their governor.

Probably our greatest mistake in foreign policy came at the end of World War II at Yalta, when F.D.R., a dying President, with the traitor Alger Hiss at his elbow and George Marshal in attendance, consented to the brutality of allowing Stalin to use millions of prisoners as slave laborers, in direct contravention of all rules in the Geneva Convention. At least a million of these unfortunates died in Stalin's camps. Form that time to this, our government has been riddled by the Khazar element which took over in Russia. They are more interested in money and power than in what is best for this country. One of the prime examples of this is foreign born Henry kissinger, a Khazarin the best tradition, a known agent of the Russian KGB and the man who sold us out in Vietnam.

Since Christianity is closely allied with the founding and growth of America, it has been this factor which made national unity out of the many ethnic groups which make up America. The acceptance of the basic tenets of Christianity, were the basis for our Constitution and the Bill of Rights. Our concept of national honor and integrity, in national as well as individual rights, came from and was founded in Christianity.

But when our churches began to tire of their proclaimed duty to be the "salt of the earth," when they transferred their loyalty from the risen Christ to a heathen cult they proclaimed as God's People, then public and moral decline set in and we now find ourselves on the precipice of destruction.

Today, the greatest threat to America is not from the Communist guided missiles. It comes from within, from the insidious forces which are gnawing away at the foundations of America; from the church leaders who have prostituted their task of recognizing the truth and passing it on to their people; from refusing to warn against the enemies which are determined to destroy their right to preach the Gospel they claim to love.

We in America who care about the future of our country and the future of our children must never lose hope. We must proceed with boldness and joy, knowing that God has promised us the victory, if we will put our faith in Him. Many people believe that America has passed the point of no return! I cannot accept this'.

In the Old Testament, in 2 Chronicles 7:14, is a verse which I have engraved on the bottom of my stationery, many of you know it by memory: 'If my people, which are called by my name, will humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will FORGIVE THEIR SINS, and WILL HEAL THEIR LAND!"

I firmly believe, that if one-fourth of the people in America, who go by the name of Christian, would fall in love with their Lord enough to obey His commands, we could kick the "Money Changers" out of the temple, clean up the mess in Washington and have us headed on the proper course in six months.

If Christians would get out of their spiritual foxholes and take a stand for God and decency, it would give a new life to patriotic officials in the military and in the Congress, those who have been struggling so long against almost insurmountable odds. It would free Americans from the haunting fear which now rests on this land like a poisonous pall.

In Alan Paton's book: "Cry, Beloved Country," he has written these words:

"I shall no longer ask myself if this or that is expedient, but only if it is right. I shall do this, not because I am noble or unselfish, but because life slips away, and because I need for the rest of my journey a star which will not play me false**. . .** a compass that will not lie! I do it because I am no longer able to aspire to the highest with one part of me and deny it with another."

This star is our faith in God; this compass is the Word of God, which was "made flesh and dwelt among us," and who can once again bring us back into the paths of righteousness. Then and only then will we realize: the truth of Isaiah 54:17 - "No weapon that is formed against thee shall prosper, and every tongue that shall rise against thee in judgment thou shalt condemn."

Chapter Two

THE TRUE ENEMY EXPOSED!

In our time, more than at any time in history, the chief strength of the wicked, those who would destroy Christianity and the freedom it brings to mankind, lies in the cowardice and apathy of men and women who call themselves Christian.

Christ's answer to the apathy of Christian America could well be found in the words of Zechariah 13:6 - "What are these wounds in Thy hands? Then shall He answer, Those with which I was wounded in the house of my friends." Why? Because they did nothing to defend Him against His worst enemies - the one's who crucified Him. Instead, they have joined them, praised them, and called them God's Chosen People.

Instead of crying about anti-Semitism; Instead of constantly harping about their persecutions;

concerned Jews would do well to remember that their reputation will not be improved by their continual deception, no matter what their Talmud says to the contrary. When they deliberately set out to deceive the leaders of the Christian world, and this is their acknowledged plan - they are not helping their people. Jewish reputation, world-wide, can only improve as Jews set their hearts and attitudes towards God and their fellowmen in the proper perspective. They have tried too hard and too long, to fool people into believing they should be blessed and have special favors because they are special in the eyes of God. They have fooled many, but in every instance, it has brought about the persecution of which they so bitterly complain.

There has been a Fifth Column at work within h: tChristian churches of America for a long time. It's purpose is to destroy Christianity; it has fooled many sincere Christians, even good Bible preachers. But it must be exposed, no matter how traumatic the results, or the Synagogue of Satan will triumph over the cause of Christ and send this old world into another Dark Age, worse than anything this world has ever seen.

While this lecture will undoubtedly be labeled as anti-Semitic, by the enemies of Christ, and a lot who claim to be His friends, it has not been designed to hurt the Jews. This is not my intention. Most of my abuse will come from the Fundamental church which I have served for so long. But it is this group, in particular, which needs to know the truth about the un-Godly force which is seeking to destroy them and which they in their ignorance have been feeding and protecting. So I begin this lecture with the prayer that God's Holy Spirit may lead our thinking and give us the wisdom to choose between truth and falsehood; then the courage to take a stand for the truth.

In recent years we have heard a great deal about this thing called "anti-Semitism." It has become a "triggerword" for the liberals. It has reached the ridiculous point to where a person who is anti-Communist, is often accused of being anti-Semitic. What does this all mean? Why have the churches of America been flooded with false information concerning the Jews? Who are these people which exert such a strange and powerful influence on the politicians and preachers of America? Are they really the Chosen People of God, as our Fundamental preachers claim, or are they members of the "Synagogues of Satan," as the writer of Revelation indicates?

Now I realize this is a very controversial subject and that I will come in for a lot of criticism from those who have been my friends, for I will be going against the established concept and this is always dangerous. But what does the Bible really say concerning these people? Are the Jews, and those known in the Bible as Israel one and the same, or have our preachers been deliberately misled, for a specific purpose?

Does the promise and curse of Genesis 12:3 apply to the Jews of today, or have we been led into a situation where the enemies of God, are being exalted by our religious leaders as God's Chosen? "I will bless them that bless thee, and curse him that curseth thee**. . .** "this was God's promise to Abraham; does it apply to the people we now know as Jews?

Most of our Protestant and Catholic churches teach the obvious falsehood that Abraham was a Jew. Was he really? What does the Word of God say about this? What does history teach us concerning the Jew and his relationship to God?

So our most effective tool in studying this thorny question will be the Bible, which I believe is the infallible Word of the Living God. In addition, we will look at history, which always collaborates the Bible. This must be the final test of the authenticity of the Jewish claim of God's favoritism.

In 485 B.C. the troubled association between the Hebrew Tribes of Judah and the Children of Israel came to an end. Israel had rejected the "Chosen People" creed which was beginning to take shape in Judah and went their own separate way. As a result of this act, which took place about 29 centuries ago, they set themselves aside from the people we now call Jews. When the Zionists adopted the name "Israel," in 1948, as they took over the land of Palestine, they did it on a patently false pretense.

While many of my religious contemporaries will vehemently deny this - and I will be flying in the face of most of the prominent evangelists and preachers of fundamentalism - they have been oriented towards the Jews since childhood. Their Sunday School literature has pronounced the Jews as God's Chosen; they have been taught this in their seminaries. Yet the people who now occupy Palestine do not fulfill the Bible prophesies concerning God's Chosen People who come under the Covenant of Genesis chapter 12.

Probably the greatest obstacle I must overcome in your mind, is to convince you of the truth that the "Jews" and "Israel" are not one and the same people. They are not!

The tribe of Judah, from which the true Jew comes, was a tribe of ill repute. It was Judah who sold his brother Joseph, the beloved of Jacob, called Israel, to the Ishmaelites for twenty pieces of silver. It was another Judean, a man by the name of Judas, who centuries later sold his Lord for thirty pieces of silver. He was the only Jew among the disciples of Christ. The tribe of Judah was founded in incest, read Genesis 37 and 38.

Since the priestly scribes who wrote the scripture account of this incident centuries later were the masters of Judah, just as they were at Jesus' time, they often altered the oral traditions to suit themselves, much as the liberal preachers of today, try and alter the Bible. Yet in spite of this, they preserved the story of their incestuous beginning and the treacherous nature of their people. Why they did this is a mystery, known only to the peculiar mind of the Talmudists who govern Jewry.

But regardless of what Bible scholars say regarding the unity or separateness of Judah and Israel, the Bible says they were separate. In the Old Testament, Israel is often referred to as the House of Joseph; this is in direct contrast to those who are called the House of Judah. The Jewish Encyclopaedia says: "Joseph and Judah typify two distinct lines of descent. Judah was in all likelihood a non-Israelite tribe." Remember now, this information is coming from an official Jewish source, it's not something I made up!

The Encyclopaedia Brittannica says: "Judaism developed long after the Israelites had merged themselves with mankind. The true relationship of the two peoples is best expressed in the phrase: 'The Israelites are not Jews!' "This of course is in direct contradiction to what we have been taught in our Fundamental churches.

Historically, Judah survived Israel as a nation for about a hundred years and it was during this period that Judaism was brought forth - this was the thing which spawned the scourge of Zionism. It was during this time, that Israel disappeared from the world scene as a national entity.

From the very beginning, after their exodus from Egypt, the children of Israel distrusted Judah, as they had every right to do. The hereditary priests of the Hebrews, the Levites, had attached themselves to the Southern tribe of Judah. Their aim from the beginning was power and they realized they could have no power as long as the ten tribes of Israel remained separate. The Israelites distrusted the priesthood and demanded a king, such as the other nations had.

The Levites recognized this as an opportunity to set up a puppet monarchy, with the stipulation that the king would reign for life and that he could not set up a dynasty. When Saul was chosen king, the unified Kingdom of Israel began its brief existence.

While some Bible scholars believe that the account of the Books of Samuel are allegorical, rather than actual happenings, since they could not have been written by Samuel, as his death is recorded in 1 Samuel 25 - whoever wrote these books, at a much later date, may have used the Book of Jasher, which is mentioned in this record (2 Samuel 1:18), as well as the random writings of Samuel, Nathan, which are noted in 1 Chronicles 29:29, as sources for an account of the "acts of David."

The real end of the united kingdom of Israel began about 3,000 years ago, when Israel refused to accept David, a Judaite, as their king. A Jewish historian named Dr. Kastein says: "Israel ignored him." They declared Saul's son Ishbosheth as king. According to Samuel's account, this son was

murdered and his head was presented to David, who then restored a nominal union between the two kingdoms, with Jerusalem as its capitol. This lasted through the reign of David and Solomon.

Formal Judaism holds that the Messaianic consummation of prophecy will come under a worldly king of the House of David. This racial exclusion of all who are not Judaites, is one of the formal tenets of Zionism and is the Law of the Land in the present State of Israel. If you are not a Jew - notice I did not say Israelite - if you are not a Jew, there is no way for you to become a citizen of Israel.

Racial discrimination and segregation were unknown to the tribesmen of that day as can be seen by the incident between David and the Hittite woman Bathsheba. David married her and made her queen, after he had murdered her husband.

Solomon therefore, was only half Hebrew and could not properly be called a Jew, since the Jews did not come into existence until years later, when the kingdom was divided during the reign of his son Rehoboam.

Solomon began his reign with three murders, including that of his brother and vainly sought to save his kingdom through intermarriage on a grand scale. He married princesses from Egypt and the surrounding tribes and had hundreds of lesser wives. So racial segregation must have been virtually unknown at this time among the Israelites.

When the kingdoms of Judah and Israel split up in 937 B.C. Dr. Kastein says: "They had no more in common for good or evil, than any other two countries with a common border. From time to time they fought each other: while at other times they were allies. The Israelites rejected the Chosen People theory and believed their destiny was apart from that of Judah. King Jereboam made the separation from Judah as complete as possible, in both religious and political sense."

Of the Judaites, Dr. Kastein writes: "They decided they were destined to develop as a race apart... they demanded an order of existence fundamentally different from the people about them. These differences allowed no process of assimilation with others." It was from this group, that the people known as Jews came.

Dr. Kastein goes on to say that the word "Judaite," actually refers to the Levites and it was this corrupt, ruling class, which the Israelites repudiated.

The two hundred years in which Israel and Judah existed side by side, were filled with the voices of the Hebrew - not Jewish prophets, as they harangued the Levites for their wickedness. This included the creed they were even then constructing, which eventually, during the Babylonian captivity, became the corrupt and often obscene Jewish Babylonian Talmudic Law, which is the basis of modern Jewish religious teaching today.

It is interesting and also important for us to note how the Hebrew prophets, just prior to the captivity of both nations, decried the teachings of the Levites. They rebuffed the blood sacrifices of the priests. Listen to Isaiah 1:11 - "To what purpose is the multitude of your sacrifices unto me? saith the Lord: I am full of the burnt offerings of rams, and the fat of fed beasts; and I delight not in the blood of bullocks, or of lambs, or of he goats."

These prophets for the most part were Israelites and most of them came from the tribes of Joseph, Ephraim and Manasseh. These men were already on the way to the New Testament understanding of God, which was preached by Christ and His followers and which is completely contrary to the teaching of the Jewish Chosen People Theory. These prophets constantly rebuked the priests for their slaughter and enslaving of the heathen, which is today openly taught in the Talmudic law of the Jews.

They taught that God desired moral behavior, neighborly conduct and justice towards the poor and oppressed, the fatherless and widow. They did not teach hatred and slaughter of those with whom you disagree.

Israel disappeared from the historical scene about 721 B.C. when they were carried captive into Assyria and disappeared to the North and West.

If the Bible promises of their redemption are to come to pass, they will come out of the ranks of mankind in which they became involved and merged and the Bible tells us that very few of them will know who they are, or what their destiny is, until their Messiah, Jesus Christ returns. This is certainly true of our white Christian people.

These are the only people who can possibly meet the scriptural criteria of being the Israel of God, certainly the Jews do not measure up to this standard.

Given the prevalent Westward trend of movement among the migrations of the world's people since the beginning of history, and especially in the last 2700 years since Israel disappeared from the historical scene, it makes sense that Israelite blood flows in the veins of White Americans and Europeans. There is much historical and archeological proof to back up this assumption.

Yet in the face of overwhelming proof to the contrary, the Judaists in our churches, claim that Israel was completely and deservedly lost and that the modern Jew is all that is left of Israel and that they and they alone, are the Chosen People of God. How blind can intelligent men become? The Apostle Paul tells us in Romans 1:22 - "Professing themselves to be wise; they became fools."

Most of our Fundamental preachers - men who believe the Bible and preach it fearlessly - still continue the myth that the heathen Jew is God's Chosen. So they subsidize, protect and aid the very people who according to their own religious doctrine, are dedicated to the destruction of our religion. Great evangelists like Jack Van Impe, for example, who have been instrumental in leading thousands to a saving knowledge of Jesus Christ, as the Son of God, nevertheless give their full cooperation to a nation of savages who would destroy everything we as a Christian stands for.

According to Jewish authorities, the Zionists of today cannot agree with the Fundamentalist theology which believes that the Israelites vanished without leaving a trace. Instead, they have been pronounced dead, by the Jews, in the same manner as a Jew who marries out of the fold of Judaism is excommunicated. In this sense Israel has vanished! Why do our preachers never tell their people about this Jewish belief? Does it make Israel any less Israel, because Jewish authorities have trned their backs on them?

The true Jewish feelings concerning Israel can be seen in this assertion from the Talmud: "The ten tribes have no share in the Jewish world to come." In this mnner, the Israelites have been banned from heaven by the ruling sect of Judah, who for the most part are heathen imposters themselves.

This should make it clear to any honest observer, that the use of the word "Israel," by the Zionists is rank forgery. Yet I find Dr. Van Impe and others, using the terms "Jew" and "Israel," interchangeably. This is not only bad scholarship, it is a deliberate falsehood.

Ample proof exists that the Zionist State was set up by help from Christendom. Our Christian nations seem to be comforted by the idea that we are fulfilling God's prophecy to Israel, even when we help a people who are not of Israel and who are dedicated to our destruction Any honest study of Talmudic Law, as taught in today's Jewish synagogues throughout the world, should show the deepest skeptic, the bitter hatred of the Jews for the Christian world. Listen to this Talmudic summary by Rabbi Orach: "The precepts of justice, of equity, of charity towards one's neighbors are not applicable with regard to the Christian, but constitute a crime in anyone who would act differently **...** the Talmud expressly forbids one to save a non-Jew from death **...** to restore lost goods to him, or have pity on him."

The Talmud is the most hostile force in the world today against Christianity, more virulent in it's hatred than the Communism which sprang from it. The lay encyclopedias disguise this fact from the non-Jew. One popular encyclopedia states: "The Talmud has been attacked - quite unfairly - as being anti-Christian."

But how do they explain this explanation from the Jewish Encyclopedia? "Christ is alluded to in the

Talmud as 'the anonymous one;' 'a liar;' 'an impostor;' 'a bastard.' The Law states in Deuteronomy 23:2, 'a bastard shall not enter into the congregation of the Lord.' " This is what your Jewish friends are taught concerning our Lord. In fact they are taught to spit when His name is mentioned in anything except a cursing situation. These are the people your pastor wants you to believe are the Chosen People of God, whom we must help if we are to expect God's blessing.

Any honest student of history will recognize the fact that the Spanish Jews supported the Moorish invasion of Spain. They gave aid with both money and manpower to the invaders, even though Spain had given them a haven of refuge and had treated them with respect. It's no wonder that Queen Isabella kicked them out of the country for their treason. Even the Koran of the Moslems, which is normally quite lenient towards other religions, including Christianity, says of the Jews; "Their aim is to bring disorder on the earth." This statement is backed by numerous quotations from Jewish leaders down through the centuries.

The story of the Zionists falls into five distinctive phases: that of the Levites; the Pharisees; the Talmudists; the emancipation interlude, and now Zionism. The Levitical period was that of an isolated Judah. This was followed by the Babylonian captivity, the return to Jerusalem and the production and enforcement of Talmudic Law. The Pharasaic period which followed coincided roughly with the Roman occupation of Palestine and ended with the destruction of Jerusalem by the Roman General Titus in 70 A.D. This ended the supremacy of the Pharasaic Government.

The third phase was much the longest, lasting some seventeen centuries from 70 A.D. to about 1800. During this period, the Jews entered the West and International Jewry worked endlessly to keep it's people under the control of the Talmudic Law, while remaining separate from others. It was during this period that the "ghettos" of Europe were born. They were Jewish designed in the beginning, in order to further control their own people. Since this was the same period in which the world saw the rise of Christian civilization, it was inevitable that there would be conflict, since Christianity is the chief target of the Talmudic Laws destructive commands. (Again I suggest, that rather than arguing this point, you spend some time in reading the Talmudic books.)

To a literal Zionist like Dr. Kastein, this period of some 1700 years remains a blank in world history, except for the Jewish persecution which was the aftermath of the Jewish drive to dominate every country which gave them refuge. It was during this critical period, that the seat of Talmudic Law was transferred from Babylon to Spain, and thence to Poland. When the Spanish completed their re-conquest of their country from the Moslem invaders, they began to persecute the Jews for their treason and eventually kicked them out of the country. Most of them took refuge in Poland.

One thing Christians need to realize, is that Jewish hatred for Christ and Christianity, is as virulent today as it was when, fanned by the Pharisees, the Jewish mob screamed: "We will not have this man to rule over us! Crucify Him! Crucify Him! His blood be on our heads and those of our children!"

The Jewish Encyclopedia insists that Jesus was a Nazarene and not a Judean, no matter what town He was born in. All available records show that He grew up in Galilee and spent most of His adult life there. Before the time of His birth, all Judeans living in Galilee, had been forced by Simon Tharsi, one of the Maccabean princes, to migrate to Judah. Thus the Galileans were racially and politically different from the Judeans. This can be seen in the fact that the Jews religiously deny that Jesus was ever one of their race.

During this period, there was no Jewish religion as such. There was Jehovaism and various sects of Pharisees, Saducees, and Essenes, who violently disputed among themselves; but there was nothing known about a "Jewish religion."

If the Zionists of today are Jews, as most of my contemporary Protestant brethren insist, then the party in Judea in the time of Christ which corresponds to the Zionists of today, was the Pharisees. The heaviest attacks launched by Christ against the religionists of His day, were directed against the Pharisees. He called them "hypocrites, serpents, whited sepulchres, a generation of vipers, children

of the devil and murderers." It's no wonder they feared and hated Him, since it was very rare for anyone to criticize their control over the people.

The very things Christ singled out in the Pharisees and which He attacked 1900 years ago, are the things which today's Zionists claim are the identifying features of the Jews, Jewishness and Judaism. Why is it, that in the face of this strong denunciation by our Lord, our pastors still give these enemies every aid possible? It seems to me that this stupidity amounts to sheer suicide.

Religiously, what Christ taught when He walked this earth, was the exact opposite of what the modern Jews teaches today. What the Old Testament taught in about three hundred pages, and which the Talmud teaches in 63 volumes of thousands of pages, Jesus refuted in a few words in His Sermon on the Mount. He proposed love to hate; mercy to vengeance; charity to malice; neighborliness to segregation; justice to discrimination; affirmation to denial, and life to death! His message began with blessings, as did the Law in Deuteronomy, but there all resemblance ends.

Where Deuteronomy and the Law and the modern Talmud offered material blessings in the form of territory, loot and slaughter, as a of the hundreds of laws, the Sermon on the Mount, offers no material rewards. It simply taught that moral behavior, humility, the effort to do right, mercy, purity, peaceable-ness and fortitude would be blessed for their own sake and would receive spiritual rewards.

White Deuteronomy followed its blessings with cursings, the Sermon on the Mount made no threats. It did not require that the transgressor of the Law be stoned to death.. It did not offer absolution for non-observance of the Sabbath laws by a washing of the hands, the sacrifice of a heifer. The young Galilean never taught servility; but He did teach inner humility and He was consistent in His scornful attacks against the continual hypocrisy of the Pharisees.

Yet it is this same group, who hope to be saved by the observance of the Law; those who break every one of God's laws when it comes to treatment of their fellowmen; it is those that our pastor teaches are the Chosen Ones, who will bring about a Kingdom of absolute justice, mercy and peace, by following their doctrines of hatred against everyone who is not a Jew.

How intellectually stupid, or brainwashed can our religious leaders become?

When the Jews moved to Poland, according to Dr. Kastein, within a very short period "a Jewish population of millions came into being." Yet there is no historical record of any large number of Spanish Jews migrating to Poland, nor was there ever any record of a mass migration of Jews to Poland at any time, from any other area.

When a Zionist historian slurs over anything as important as this sudden appearance of millions of Jews in the 1500's, any seeker of truth can be reasonably assured that something is drastically wrong.

This is in line with the Talmudic claim that at the time of Emperor Hadrian, 100-million Jews were slaughtered and their blood ran into the sea in such a mighty stream, that it moved giant boulders. What intelligent historian would believe a story like that?

It's akin to the testimony of Jews who said they were in Hitler concentration camps, where so many Jews were buried, that when you walked on the ground, months later, blood spurted from the ground.

Or, the story told by another so-called refugee, who stated that he could determine the nationality of the body being cremated, by the color of smoke that rose from the furnace chimney. Authorities, without exception, say that crematoriums give off no smoke.

The center of the Jewish world, during this period, was planted among a large community of people who were unknown to the world as Jews. In fact, they were not Jews in the literal sense, since they had no blood ties with Judah. They had no Judaite blood flowing in their veins. According to the Old Testament accounts of both Ezra and Nehemiah, most of the Jewish blood of those who

returned from captivity in Babylon, had been dissipated through intense intermarriage during the time of the captivity.

The forefathers of the Polish Jews had never seen Judea; in fact, they were Tartars. They were a people known as Khazars, of Turco-Mongolian race, a people who had been converted "en masse" to Judaism, during the Eighth Century A.D. It was here, among these "non-Jew" Jews, that the greatest threat to Christianity and democracy was spawned.

The natural instinct of Europeans for centuries, has been to distrust Asiatics. This was natural, since most of their threats had come from this area. So now, with the center of Judaism in Poland, thousands of Asiatics in the guise of Jews, began to move into the West. When these later became known as Polish Jews, or Ashkenazim, they profited by the confusion caused, as the people of the Christian world began to accept them as the "People of the Book," the descendants of Abraham, Isaac, and Jacob and therefore partakers in the Abrahamic Covenant.

In the Nineteenth Century, from this Eastern European Area, a Jewish International Order began to take shape, which culminated in the Bolshevik Revolution in Russia in 1917. This revolution was financed by two American Khazar Jews named Schiff and Warburg, who donated $20-million which made the revolution a success.

You may not want to accept this twist of history', especially if you believe Dr. Van Impe, when he writes in his book ISRAEL'S FINAL HOLOCAUST, page 52: "Everywhere the Jews were blamed for the ills of their day. Some still foolishly follow this practice. In the 20th Century the Jews were accused of controlling the money, causing depressions, influencing spiraling inflation and plotting the conquest of the world . .. People who do not want to be responsible for the wrongs of society must have a scapegoat and the Jews have become a universal scapegoat." Strange, isn't it? Van Impe's scapegoat for sin is "Satan"!

Apparently Dr. Van Impe has never read the Talmud, for if he has, then he is condemned by his own words, of being a liar. Either he is an agent of the Zionists, or he has never made an honest study of the Communist Revolution and its aftermath, for any honest man would have to admit that the revolution in Russia, was almost 100% a Jewish revolution. All one has to do to prove this, is look at the Jewish names behind the revolution.

Today, in spite of the rantings of Christian Zionists such as Van Impe, it is a known fact that the International banks which make up the Federal Reserve System, and which control the economics of the United States, all of them, are Jewish owned. It is a fact which can easily be ascertained, that most of the hard liquor industry is owned and/or controlled by Jews, as in the drug traffic, worldwide. It is a known fact that most of the prostitution, pornography, and assorted immoral ills is owned and controlled by Jews, and it is most certainly known, that the vast majority of abortion clinics which are murdering more than 4,200 unborn babies every day - most of them white - are owned by Jews and operated by Jewish doctors. Yet Van Impe says with a "straight face," we are unjustly accusing them of evil doing. What does it take to convince the man?

This same pattern of Jewish control can be seen in all the Communist countries, with the exception of those in the Far East and even here Internal Jewish leadership is cropping up. The leadership of Communism in Hungary, Poland, Romania, and Yugoslavia, has been consistently Jewish and the worst persecution of Christians behind the Iron Curtain, not from native peoples, but from the Zionists.

If we had time, I could spend hours pointing out documented evidence of Jewish treason in America. The vast majority of those implicated as spying against America in the past fifty years have been Jews - most of them of Khazar origin. Those implicated in the selling of our atomic secrets to Russia were Jews; Philip Jaffe, Andrew Roth, Mark Goyn; all implicated in the Amerasia spy case of 1945, all Jews. There was the Alger Hiss spy case involving a Jewess named Judith Coplin; Gerhart Eisler. There was the Hollywood Ten (all Jewish with the exception of one); there was the Fuchs-Gold spy ring in England, where five out of six were Zionists; there was the case of

Julius and Ethel Rosenberg, who were executed for treason against this country for selling atomic secrets to the enemy and who are now being held up by the Bnai'Brith, and the Anti-Defamation League, as heroes and martyrs. These were the Copelands and Pollards.

The first Atomic Energy Commission under Harry Truman was dominated by Pro-Communist Zionists such as Strauss, David Lilienthal and R. F. Bocher. The records of Congress are full of documented evidence against Zionist involvement with the enemies of America. I suggest you read Frank Britton's book, BEHIND THE IRON CURTAIN!, for documented evidence of this Jewish treason), yet Dr. Van Impe, who is supposed to be a Christian evangelist, has the unmitigated gall to publicly state: "Some still foolishly blame the Jews." Again I say, he is either a liar or a brainwashed fool.

As of March 15,1979, out of a total membership of 78 Americans in the Trilateral Commission, 23 were Jews. (Isn't this (23%) a high percentage?) Many of these Zionists, most of them like Henry Kissinger, of Khazar background, have dual membership in the Council on Foreign Relations. Both of these organizations, as most of you know, are dedicated to bringing America into a One-World Government.

In the communication media of America, two out of three top officials of Time, Inc., are Jews; 13 out of 21 on the New York Times; 7 out of 16 on Newsweek; 3 out of 6 in CBS; 1 out of 2 in NBC. In addition, at least ten of the top news reporters in the United States are Jews. There were four in the U.S. Senate, who have dual memberships in the Trilateral/CFR organizations and four in the House of Representatives.

At least 70 out of 100 Senators in our Congress vote the "straight Zionist ticket," as do more than half of the House of Representatives. To all intents and purposes, our government has been under Zionist control since at least 1913. We have not had an American government in Washington for over fifty years, no matter whether Republicans or Democrats were in the White House. This is why you see such a small change in policy, when we change administrations. They are all controlled, from behind the scenes, by the same Internationalists. Today, America is in the hands of the COUNCIL ON FOREIGN RELATIONS AND THE TRI-LATERAL COMMISSION, who are "errand boys" for the International Zionist cabal. Almost 100% of President Clinton's appointees in 1993 are Jews, with close to 100% of top government officials being members of the CFR.

Three of the top union officials in the United States are Jews; there are four of them on the National Security Council; four of our top State Department officials belong to this group; six are on National Planning; Arms Control and Defense has five, and at least six others have top legal positions with our Government. This means that this ethnic group, with less than 4% of our population, exerts a tremendous amount of control on our government. Then remember that these same men have dual citizenship in Zionist Israel, which is dedicated in principal against everything Christian America stands for.

What more evidence is necessary? Must decent Americans stand helplessly by, while these aliens sell us into slavery? Must we submit to destruction, because foolish preachers of the Gospel have been "hoodwinked" into preaching that these traitors are God's Chosen People?

The control of world Jewry comes under the heading of Talmudic Law, which the rabbinical leaders regard as the supreme authority for all Jews: "Even the Bible is relegated to a secondary place," states the Jewish Encyclopedia. "The absolute authority of the Talmud over the Books of Moses, must be recognized by all Jews." In the treatise "Beracorth" of the Talmud, it states: "The words of the elders are more important than the words of the prophets." This means absolute and complete adherence to the Rabbinical Law.

The Talmud is definitely anti-Christian. If our fundamental preachers would take time to read at least part of it, before they "sound off" about the Jews, they would have to "sing a different tune," or be labeled as liars.

The Talmud is the "Jewish order of battle," against all non-Jews; with a special brand of hatred reserved for our Lord and everyone who serves Him. Ever since our Lord had the audacity to call their religious leaders: "Vipers and hypocrites!" they have reserved this virulent hatred just for Him!

The narrow-mindedness of Jewish teaching, comes through their acceptance of themselves as God's Chosen People, who can do no wrong. As a result, they have become the most egotistical people in the world. No wonder they are disliked!

The Law of the Synagogue teaches them that it is right for them to steal from, or cheat a "goyim" (non-Jew), since these are animals with no soul.

This can easily be seen in their treatment of Christians in Communist countries. Some of the most inhuman guards in Hitler's concentration camps have been documented as to have been Jews. No crime is too heinous; no torture too terrible, to be perceived as sin, when it is committed against a non-Jew. The Talmudic teaching, is diametrically opposed to everything Christianity teaches.

It is no wonder that Christ chastised the Pharisees of His day with scathing words which said: "Ye are of your father the devil, and the lusts of your father ye will do; he was a murderer from the beginning, and abode not in the truth, because there is no truth in him," (John 8:44).

In Revelation 2:9 and again in 3:9, our risen Lord, speaking through the lips of the Apostle John says: - I know the blasphemy of them which say they are Jews, and are not, but are of the synagogue of Satan." Yet most of our fundamental preachers trumpet the falsehood that these enemies of Christ and Christianity, are the people chosen by God, as His people. What utter blasphemy!

The Jewish rabbinical leaders admit that the Talmud was manmade, yet they exalt it above the Laws given to Moses by God Himself. Dr. Kastein stated: "It was not God who willed these people (the Jews) and their meaning; it was this people who willed this God and their meaning." He would have been more accurate if he had said: "These Pharisees, or these rabbis."

Using subterfuge, terror, political blackmail, economic power and pressure almost beyond belief, the Zionists have gained political control over most Christian governments of the world. Everywhere they have inserted this control, the stench and decay of the Talmud follows them, as they seek to tear down everything that is "lovely and of a good report."

The Talmud has been most effective in building a fence between the Jews and the forces of righteousness released through Christian teachings. In 1953, a young Moravian missionary, described how the Israeli government had seized a Moravian Leper Home in Israel called the "Jesus Mission." Their first act, after ousting the lepers and the missionaries, was to cement over the hated name of Jesus, which was inscribed above the door.

Incidents such as this, which are in the thousands, are part of the specific anti-Christ teaching of the Talmud. The Pharisee, Saul of Tarsus, who on his conversion became Apostle to the Gentiles, (Israel in captivity) told the Jews: "It was necessary that the Word of God should first have been spoken to you; but seeing that ye put it from you and judge yourselves worthy of eternal life; we turn to the Gentiles." Dr. Kastein says of Paul: "He made all those he persuaded to believe in his prophecy, renegades in the widest sense, whether they were Jews or Gentiles."

The Moslems, through the teachings of Mohammed and their sacred book the Koran, believe that Christ was the successor to Moses, and while they do not accept Him as the Son of God, they have the greatest of respect for both Him and His mother, the Virgin Mary. In direct contrast, the Talmudists place all sorts of derision on both of these, claiming that Christ was a "bastard," and that the Virgin Mary was a harlot.

Mohammed, from direct observation of the Jews of his time, held that they were a destructive force. The Koran says of them: "Oft as they kindle a beacon fire for war, shall God quench it. Their aim is to abet disorder on the earth; but God loves not the abettor of disorder." This is certainly in concurrence with Christian teaching.

In 1611, a Portugese by the name of Uriel Da Costawas converted to Judaism. But when he began to study the Talmud, he was so appalled by it's teachings he published a thesis "Against the Traditions," in which he attacked the Pharisees, charging they had created the Talmud and that it was not of Divine origin. The Jewish rabbis pronounced the dreaded "ban" against Da Costa. Yet at his death, the head Rabbi Modena, left among his personal effects, a paper stating the same view held by Da Costa. He had been afraid to publish them because of the danger of excommunication.

Now whether you want to accept this or not, the true meaning of Zionism-Judaism is summed up in one short sentence written by an early Zionist writer named Maurice Samuels, he said: "We Jews, the destroyers, will remain the destroyers forever... nothing the Gentile can do will ever meet our demands or our needs."

One of the greatest exposes of the Talmud was written in 1632, by the Jew, Baruch Spinoza, who had been born in Amsterdam. He showed, quite clearly, that the reason for the Talmudic teachings was to gain world control and that it's entire intent was to destroy existing governments and force a Jewish State on the world and make the Jews supreme. The Amsterdam Rabbinate pronounced this ban on him: "By the sentence of the angels. by the decree of the saints, we anathematize, cut off, curse and execrate Baruch Spinoza, in the presence of these sacred books with the six hundred and thirteen precepts which are written therein, with the anathema wherewith Joshua anathematized Jericho; with the cursing wherewith Elisha cursed the children; and with all the cursings which are written in the Torah. Cursed be he by day and cursed by night; cursed be he when he goeth out and cursed be he when he cometh in; the Lord pardon him never; the wrath and fury of the Lord burn on this man; and bring him all the curses which are written in the Torah. The Lord blot out his name under heaven; the Lord set him apart from all the tribes of Israel, with all the curses of the firmament which are written in the Torah. There shall no man (Jew) speak to him; no man write to him; no man come nigh him." Spinoza was banished from Amsterdam and exposed to such bitter persecution that it threatened his life. What a contrast to Christ's encounter with the woman taken in adultery, when He said to her: "Go, and sin no more!"

Two hundred years later, Moses Mendelssohn proclaimed the heresy that the Jews should associate with other people, and when he wrote a German translation of the Bible for his children to read, the same ban was placed on him and his book was publicly burned in the streets of Berlin by a Jewish mob. Thus the Jew is kept under strict control by his own religious leaders.

To the Jew, the world is still flat, with Judah as it's center. All else must be ultimately destroyed, in any way possible. It was this kind of perversion Christ attacked when he accused the Pharisees: "Thus have ye made the commandments of God of none effect by your tradition," (Matthew 15:9). Then in Mark 7:7, He said again: "Howbeit in vain do ye worship me (God), teaching for doctrines the commandments of men."

Today the Jewish doctrine of fear and destruction has become as much a fact as in the day of Esther (8:17), where it states: "and many people of the land became Jews; for the fear of the Jews fell on them." Notice it was not "fear of God," but "fear of the Jews" which caused them to join their own destroyers.

This is exactly what we see happening in the Christian world today, where good, Godly men, preachers of the Gospel, have been intimidated into lying to their people because of "fear of the Jews." You don't have to admit this, but you know it is true!

Go back into world history. Look at every nation where the people our pastors call Jews have lived. Some like the Egyptians of Joseph's time, welcomed them with open arms. Look at Genesis 47:6, Pharaoh speaking to Joseph: "The land of Egypt is before thee; in the best of the land make thy father and brethren to dwell . .

Now notice one of the reasons the Egyptians turned against them in Exodus 1:10-"**...** Come and let us deal wisely with them; lest they multiply, and it come to pass, that, when there falleth out any war, they join also unto our enemies, and fight against us." Whether you, or Dr. Van Impe, or

anyone else for that matter, wants to accept this. This is what has happened to every nation which has tried to help the Jews. They have not been blessed, as our preachers say they will, but they have seen the Jews turn against them in the hour of their greatest need and help their enemies. This is the main reason they have been hated and persecuted. Look at the record - Egypt, Babylonia, Assyria, Persia, all fell through Jewish intrigue. At one time, Alexanderia, Egypt had the largest Jewish population in the world; today they are universally hated by the Egyptians, for they learned that they could not be trusted.

Since the beginning of the Christian era, this same destructive trend has continued in one country after another. It's little wonder that the Jews have been expelled from every Christian country, where they first found refuge.

Why should America accept a people who are behind the dope trade; who profit in prostitution; who lead in the campaign to lower American morals; who run the gambling tables, the liquor industry; the indecency of Hollywood; who control the filthiness of the stage? Why should we be kind to the men who control the slanted news and who are bleeding America to death economically? Look at the names of the International Bankers who have led America into our last four wars and who have profited with the sacrifice, suffering and blood of the American people. Look at them and then have the gall to say with Van Impe: "The Jews are blamed for everything bad which happens!"

Do these religious prostitutes of world Jewry expect us to sit complacently by while the Zionists take over control in America? They did that in Russia! What will Van Impe say when they close down our churches, burn our Bibles and persecute our Christian people, as they are doing today in many places? Will they still be God's Chosen People in that terrible day? It will be too late to take a stand against them then!

These people our pastor's want to aid are in the process of destroying America and their freedom to preach the Gospel. Who do you think is behind the drive to take Christ out of Christmas? Who was behind the efforts to take prayer and Bible reading out of the schools? Who is behind the drive for unlimited Sex Education in our schools? Look at the names of the men who write the sex-smut they want your children to study, I dare you to and then tell me we must help them!

If you are an honest person, you will have to admit that a preponderance of these people are Khazar Jews, who are dedicated and pledged to destroy Christianity. In the Communist textbook on "Psychopolitics," a Khazar Jew said: "We have battled in America since the century's turn to bring to nothing any and all Christian influence, and we are succeeding. While we today seem to be kind to Christians, remember we have yet to influence the Christian world to our ends. When we have done that, we will have an end to them everywhere **...** so you must recruit every agency of the nation marked for slaughter into a foaming hatred of Christianity. You must suborn district attorneys and judges into an intense belief**...** that Christianity is vicious, bad, insanity causing and publicly hated. We must be like the vine upon the tree. We use the tree to climb and then, strangling it, we grow to power on the nourishment of it's flesh." This my Christian friend, is the doctrine of the Jewish Talmud.

Queen Victoria once asked her Prime Minister, a Christian Jew named Disraeli: "Can you give me one verse in the Bible which will prove it's truth?" To which he replied: "Your majesty, I will give you one word - JEW!" Then he warned the Christian world against world revolution. Like Alexander Hamilton and Edmund Burke, he saw the design behind it all. But unlike the others who saw the design, Disraeli identified the Jews as the moving force behind world revolution. Over a hundred years have passed since he uttered his warnings, but they are as true today, as when he first uttered them.

Disraeli's two most significant warnings preceded and followed revolutionary outbreaks which occurred in Europe in 1848. They failed in France at that time, since the memory of the French Revolution was still a horrible nightmare in the memory of the French people. In 1852, Disraeli told the British House of Commons: "The influence of the Jews can be traced in the last outbreak of

destructive principles in Europe. When insurrection takes place against tradition, religion and property .. men of Jewish race have been at the head of every such outbreak against organized government."

Van Impe states: "Why are the Jews so maligned and hated when they have been so productive and helpful?" Then he goes on to name the prophecy of Deuteronomy 28:37 as the reason. This scripture reads: "And thou shalt become an astonishment, a proverb, and a by-word, among all nations whither the Lord shall lead thee." That prophecy was made to Israelites, not Jews, since there were no people called Jews until more than 700 years after this prophecy was made. They were not and are not the same people. The reason the Jews have been hated, is that for every productive thing they do, they demand their "pound of flesh" in repayment, and because of their crookedness, deceit, and outright stealing from the nations where they have resided, this is why they are hated. It has nothing to do with their religion, per se, as Van Impe implies.

During the 19th Century, Jewish persecution could not be used as a "scare tactic," so the term "anti-Semite" was coined to intimidate both Jews and non-Jews. It has become a trigger word, which sets off all sorts of unpleasant emotions. This term is patently a foolish one, since it is used in relation to a people who are not demonstrably Semites and whose laws commands the extinction of Semites. If there is any real anti-Semitism in the world, it is Zionist action against the Arabs of Palestine, not against the Jews.

When the Balfour Agreement was first signed, giving the Jews a National home in Palestine, it was foisted off on the British people as being a "Jewish National Home," under British protection. It was to have been sort of a "Jewish National Cultural Center," harmless to the Arabs, a Judaist Mecca, so to speak. The Arabs were never fooled by this typical Jewish trickery, since they saw that they were objects of an attempt to re-enforce in the Twentieth Century, the Law of Violent Dispossession, which had been set up by the Levites in the 17th Century B.C. They responded with some violence of their own and it has never ceased.

It soon became apparent to any honest observer, that the Zionists had become inserted like a blasting charge into the lives of the Jordanians, who had just recently been liberated from the Turks. The "time fuse" for a future world conflict was thus planted.

During the period prior to World War II, the Zionist adventure into Palestine almost collapsed, since the majority of Jews in Europe and the United States refused to back this venture. But Jewish strangle-holds on the politics of both Britain and the United States were greatly strengthened, thus laying the groundwork, with typical Jewish cleverness, for the aggression of the post-war period.

In the days of Hitler's rise to power in Germany and on into World War II, the Zionists used every opportunity to hammer home to the people of the Free World, the need for a National Home for the Jews in Palestine.

It was during this same period, that the "bugaboo" of Jewish persecution in Germany was blown completely out of proportion by the Zionist propagandists who had control of America's news media. Horrendous stories were spread about the extermination camps and the gas ovens, the torture chambers and the extermination of six-million Jews by the Nazis.

There is no doubt that there was a great deal of persecution of the Jews in Germany, most of it brought about by their reprehensible actions at the end of World War I, which ended in the collapse of the German Republic and which was responsible for bringing Hitler into power.

But the Holocaust story, which has been swallowed "hook, line, and sinker," by thousands of American Christians, has been proven to be a hoax, over and over again. For the past thirty years, a reward of $50,000 has been available to anyone who could come forward with an eyewitness account of the gassing of Jews in Germany; this reward has never been claimed by anybody. Books such as the DIARY OF ANNE FRANK, which was made into a pathetic movie, has been proven to be fabrications of the fertile minds of the Zionist propagandists and without any grounds of truth.

They have proven worthwhile in the large amount of sympathy and financial aid they have garnered for the Zionists.

A little common sense, and some time spent in the library would soon tell you that the story of the six-million murdered Jews was a lie. According to Jewish figures, there were never more than 550,000 Jews in Germany at any one time before or during the war. But the result of this Jewish propaganda could be seen during the Nuremberg trials, where persecution of the Jews was the basis for formal indictments. While over half of Europe, with all its people, were abandoned to a heathen ideology, governed by Jews and crueler than anything Hitler ever thought of, the emphasis was always on the alleged atrocities of the Germans. Little was ever said about the millions of Christians who died behind the Iron Curtain.

This propaganda continues today in our media. How many movies, or TV shows have you seen in the past five years, dealing with Jew lead Communist atrocities? The answer is "none!" But you see constant rehashes of the so-called war crimes of the Germans.

Eye witness reports from many reliable sources, who were able to travel in Germany during the war years and who viewed the concentration camps, reported that the victims of these camps were over 90% German, with only a relative handful of Jews.

But the news reports of these times, as is often the case during time of war, blocked out the suffering of the large majority, to concentrate on the plight of the handful of Jews involved. (I say "handful," for they were, in relation to others who were in the same camps.)

In 1949, Rabbi Wise, sometimes known as the "Red Rabbi" of American Jewry, because of his Communist affiliations, wrote his version of a news story that had been written sixteen years before by a young reporter from the London Times, named Douglas Reed. Wise said: "The concentration camps were established for and filled with Jews." But according to Reed's report and later statements, this was an outright lie. Terror against the Jews was not any greater than that practiced against any other group in Germany, according to many eye witness accounts. The German camps were not filled with Jews, Reed reported; they were there in proportion to the population.

But these false pictures have permeated the minds of Americans since that day, to the place where a well-known evangelist will quote them as facts, without ever bothering to check out their authenticity. This bothers me, for it is dishonest.

The shadow of "dual allegiance," fell on America in a peculiar way. When the cabinet of Franklin Delano Roosevelt was sworn in, it was done by Justice Cordazo, a dedicated Khazar Zionist.

From this point on, Zionist influence has grown to the point that when our Chairman of the Joint Chief's of Staff, decries this influence in Government, he is forced to apologize.

Between 1881 and 1920, over 3-million legally recorded immigrants entered the United States from Russia. The vast majority of these were Khazar Jews, with not one drop of Abraham's blood flowing in their veins. For the most part, they knew nothing of our Western ideals of democracy and were imbrued with their own heathen ideas concerning Socialism.

During F.D.R.'s long term in office, his most trusted advisors, came from this Eastern European background. There were Zionists such as Bernard Baruch, Rabbi Stephen Wise, Justice Brandeis, Viennesian born Prof. Felix Frankfurter, Henry Morgenthau, Jr., Herbert Lehman, Judge Samuel Rosenmann, David Niles, Benjamin Cohen, Sidney Hall, Isador Lubin, Leo Pasvolsky, and many, many more, most of them heavily painted with the red brush of Communist affiliations.

We can see them today in men like Henry Kissinger, Stuart Eisenstat, Anne Wexier, Alfred Kahn, Eugene Eidenberg, David Rubenstein, Ronna Freiberg, Bruce Kirschenbaum, Marvin Beaman, Harley Frankel, Hendrik Hertzberger, and I could go on and on.

When the smoke of battle from World War II had cleared, three major Zionist aims had been accomplished:

(1) The world revolution, supported by Western arms had been saved in Russia;

(2) The Zionists, were armed and established in Palestine; and,

(3) The "world-government" envisioned by the Zionists had been established on the banks of East River in New York, in the organization of the United Nations.

While the military invasions and counter-invasions of World War I were underway, there was another, more successful invasion going on. This was the invasion of the United States Government, by the forces of World Zionism.

This began when F.D.R. began the process of breaking down the barriers against uncontrolled immigration, which had stood as a barrier against the immigration of undesirables into this country. Under F.D.R.'s policies, immigration officials were forbidden to question immigrants about their Communist affiliations and the separate classification of Jewish immigrants was discontinued. By 1952, Sen. Patrick McCarran, Chairman of the Senate Judiciary Committee, estimated that over 5-million illegal aliens had entered this country, including large numbers of militant communists, many of whom were Khazar Zionist Jews.

These immigrants were wooed by the Democratic Party and swelled their vote and has been the thing which kept the Democrats in office. This large-scale, uncontrolled immigration, plus the millions who have come in from Mexico, Cuba, and the Central American countries, has formed the backbone of the political invasion of America.

The "B'nai B'rith" organization of International Zionism, which was once compared to a Jewish Y.M.C.A., put out an offshoot in 1913 called the Anti-Defamation League. By 1947, this organization had grown into a secret police force of formidable power. This body lives by using such terms as "anti-Semitic," "Fascist," "rabble rouser," "Jew-baiter," "Red Baiter", "paranoid," "Lunatic fringe," "reactionary," "bigot," "red neck," and the like. You see the terms used in the news, any time anyone tries in anyway to expose the dirty work being done in this country by the Zionists.

In 1933, a B'nai B'rith official was quoted as saying: "Through the intervention of the Anti-Defamation League, we have succeeded in muzzling the non-Jewish press to the extent that the newspapers of America keep from pointing out that any person unfavorably referred to is a Jew."

In 1948, the Jewish "Menorah Journal," of New York said: "Should one phrase in a reprinted literary classic reflect unjustly upon Jews, the Anti-Defamation League will promptly belabor the publisher until he bowiderizes that offensive passage." (That word "bowlderize" means "to take out the parts which are offensive.") One of the books which suffered, was Shakespeare's classic, THE MERCHANT OF VENICE.

But here is something interesting to note. When Jews have been propagandized into accepting Communist doctrine, the Anti-Defamation League always remains silent. The Menorah Journal spoke of Jews who were concerned that the Anti-Defamation League was attacking anti-Communists and they were called anti-Semitic. Do you wonder why?

Rep. Martin Dies, head of the Un-American Activities Committees of Congress, once described the Anti-Defamation League as a: "Jewish terrorist organization, using its resources, not to defend the good name of the Jews, but to force compliance with the objectives of their organization." This has been their policy from the beginning. It is actually an illegal arm of a foreign country, operating in this country without the authority of our Government. Yet such is Zionist power in Washington, nothing is ever done about it. While organizations like the Klu Klux Klan, or the American Nazi Party, are constantly hounded by the F.B.I. the A.D.L. is left strictly alone.

As to the Zionists backing of Communist aims, all one has to do to prove this is go to the records. The 1920 records of the Bolsheviks show that of 545 members of the ruling body in Russia, 447

were Jews. In 1933, the American Journal "Opinion," stated that Jews occupied most of the important ambassadorial posts in Russia. (The Zionists have never tried to refute this.) The Jewish Chronicle of that same year, stated that one-third of the Jews in Russia had become Communist officials of some type or other.

At this time, a statement made by the Soviet Commissar of Public Instruction, the Khazar Jew Lunatscharsky, sounded as though it came straight from the pages of the Talmud, he said: "We hate Christianity and Christians: even the best of them must be looked on as our worst neighbors. They preach love of neighbor and mercy, which is contrary to our principles. Down with love of our neighbor; what we want is hatred. We must learn to hate and it is only then that we will be able to conquer the world."

Gus Hall, the perennial head of the American Communist Party and their perennial candidate for President, was quoted as saying: "I will live to see the day when sixty million hopelessly capitalistic animals, are hauled away to the elimination centers by the commissars. I will live to see the day when the last Congressman is strangled with the guts of the last preacher. If American Christians love blood so much, we will give them all they can stand, as we slit the throats of their children, then drag their bodies over the altar rails of their churches; may the parents drown in the blood of their own children." Let me remind you that this is not a Chinaman, or a Russian making this threat, it comes straight from the lips of a Khazar Jew, an American.

This is Talmud philosophy through and through, yet we allow this atheistic heathen to live in peace in this country and to continue his threats against those who love God and their country. Where have our brains gone?

I challenge you to read the Talmud, if you can get copies of it. (I have only read parts of it, but those were enough.) They were all universally rotten. It misconstrues Biblical laws forbidding sodomy, murder, theft, the offering of children to idols and changes them into laws which permit these heinous acts. The religious teaching of modern Jews is the teaching of Gnosticism, which Christ condemned in Revelation 2:6,15.

Christ was not fooled by these slick religious teachings and condemned the Pharisees who taught them saying: "Why do ye transgress the commandments of God by your tradition?" These words can be found both in Matthew 13 and again in Mark 7.

Although the old Mosaic Law condemned a man to death for cursing his parents, the Talmud says he may curse them as long as he does not use the four letter word for Jehovah, Y-H-W-H-, which is called the "Tetragrammaton." The Talmud also allows a man to beat up on his parents as long as he stops short of drawing blood while they are alive.

The more you study the Talmud, the more you come to realize why these people we call Jews, have ingrained in their fiber, from youth, a hatred of everything which is non-Jewish. This sort of pornography is crammed down their throats in the Synagogue on a weekly basis.

One of Christ's strongest denunciations of the Pharisees came in Matthew 23:15, where He said: "Ye compass land and sea to make a proselyte, and when he is made, ye make him twofold more a child of hell than yourselves." What did He mean by these strange words? Today, in public affairs, the stooges, or proselytes of the great Pharisee Banking and Industrial czars are better fronts for the building of the red, anti-Christ world government, than the principals themselves. More and more Gentile proselytes enter the movement for brotherhood between the crucifers of their Christ and themselves. There is only one purpose for this and this is to overcome the Christians. The Epistle of John the Beloved, the Second Book, verses 10 and 11, shows what the Christian attitude should be towards this seditious operation: "If there come any unto you and bring not this doctrine (that Jesus is the Christ of God); receive him not into your house, neither bid him Godspeed; for he that biddeth him Godspeed, is partaker of his evil deeds."

Yet the very Fundamentalists who use this scripture to say that Christians must not have liaison with

liberal Christians who deny the Virgin Birth, or the inerrancy of the scriptures, proclaim loud and long that the modern Pharisees, who hate their Lord, and spit on His name, and who are dedicated to the destruction of everything they say they stand for - they cry loud and long - "THESE ARE GOD'S CHOSEN PEOPLE!" Don't practice your ungodly blasphemy on me, brother!

Talmudic justice was wrecked on the Christian world across Europe after World War II, as the Zionist savages, practiced their Talmudic teachings on the helpless bodies of their Christian victims. Yet many Jews recognize the dangers in Zionism.

Henry Morgenthau, Sr., one of the best known Jews in this country said: "Zionism is the most stupendous fallacy in Jewish history. It is wrong in principle and sterile in its spiritual ideas. Zionism is a betrayal **...** an Eastern European proposal, fathered by American Jews... which if it were to succeed, would cost the Jews of America most of what they have gained of liberty and equality. I refuse to allow myself to be called a Zionist. I AM AN AMERICAN!"

Thank God for Jews like this, but they are few and far between. Today, his son Henry, Jr., is one of the powers behind Zionism and is bringing about the world problems his father feared and warned about.

To give you another look into the sick mind of the Talmudist, let us look at a book written by the Jewish author Theodore Kaufman, published in 1941 and titled: GERMANY MUST PERISH! He proposed in this book, the extermination of the German people by sterilizing all the males under the age of sixty and all the females under forty; that Germany be sealed off from the rest of the world during this period, so that in forty or fifty years, the German people would disappear from the face of the earth. Two of the main Jewish owned newspapers in the United States commented on this proposal. The New York Times said: "A plan for permanent peace among civilized people." The Washington Post said: "A provoking theory, interestingly presented." What do you think would happen in these two newspapers, if someone came up with a similar plan for the elimination of the Jews? I think you know what would happen.

Even Jews themselves are bewildered by Talmudic teachings. Jewish author Arthur Koestler, says: "Most bewildering of all is the saga of the Chosen Race which is taken most literally by traditionalist Jews. They protest against racial discrimination, while affirming with the same breath, their racial superiority based on Jacob's Covenant with God." The strange thing is. he then goes on to prove that most of the people we now know as Jews are not of Jacob's seed.

What did Jesus mean when He spoke to John in Revelation 2:9 and 3:9, saying in both instances: "I know the blasphemy of them which say they are Jews and are not, but are of the synagogue of Satan." These words were probably written about 95 A.D., or possibly a bit sooner. At that time, the followers of Christ were being called Christian. The Saducees had disappeared from the Jewish religious scene and the Pharisees were in complete control of Judaism.

Now whether these people were lineal descendants of the Patriarch Judah, who had begun his tribe through the sin of incest, is not the issue. The Pharisees had access to the true Word of God, but instead of following it and teaching it to the people, they adopted a heathen philosophy which nullified the Word of God. Christ said to them in Matthew 15:3-9; Mark 7:5-9 - "Full well ye reject the commandments of God, that ye may keep your own traditions." How could He be any clearer in His denunciation?

Faith in God and His Word, was the test. The Apostle Paul said: "He is not a Jew which is one outwardly **...** But he is a Jew, (Judean) which is one inwardly**...** in the spirit whose praise is not of men, but of God," (Romans 2:28, 29).

Then in Galatians 3:16, 28, 29, Paul makes it quite clear that the promise of blessing through Abraham was in Jesus Christ: "Now to Abraham and his seed were the promises made, He saith not.. seeds, as of many, but as one **...** which is Christ... There is neither Jew (Judean) nor Greek, their is neither bond nor free, there is neither male nor female: for ye are all one in Christ Jesus. And

if ye be Christ's, then are ye of Abraham's seed, and heirs according to the promise." This clearly shows there can be no compromise between the Christian and the unbelieving Jew, since the unbelieving Jew, even those of the blood of Abraham, are not children of the promise. The seal of God's Chosen People, rests in belief in the "Promised One," the Lord Jesus Christ, whom the Jews reject and hate.

The Prophet Isaiah was a prophet indeed when recounting the abominable practice~ of the Judah tribe. he foretold: "Ye shall leave your name for o wrrse unto my chosen; for the Lord God shall slay thee (Judah people), and CALL HIS SERVANTS BY ANOTHER NAME," (Isaiah 65:15).

It is blasphemous and anti-Biblical to enthrone the abomination-serving Pharisees of today, as the Chosen People of God as much so as it is to deny that Christ was born, as foretold, through Judah. Paul said in Hebrews 7:14 - "It is evident that our Lord sprang out of Judah." Notice Paul does not say that He came from the Jews, but that He sprang from Judah. This however, did not furnish Him with His Divinity. The Patriarch Jacob, about 1700 B.C., on his death bed, likened the coming of Christ to Shiloh, where the Tabernacle of God rested. He said: "The sceptre shall not depart from Judah, nor a lawgiver from between His feet, until SHILOH come; and unto HIM shall the gathering of the people be," (Genesis 49:10). The semblance of the Judah Kingdom did not disappear until after Christ was born.

Now the question should naturally arise among honest Bible students: "Are the so-called Jews of today the descendants of the Patriarch Judah?" The Bible answer to this is a resounding "NO!"

There were barely enough records available at the time of Christ, to identify Him and a few of His disciples, as having descended from certain tribes. So let's go to Jewish sources for our information.

According to the 1964 Jewish-American Press, about half of the Jews living in Israel today, are Negroes, or dark skinned orientals. There is a constant "tug of war" going on among the Israeli, with charges and counter-charges being tossed about concerning discrimination.

Ask most any Jew, how far back he can trace his ancestry to the Patriarch Judah, and he will become baffled, or more likely angry.

Shem, Ham and Japeth were the three race-founding sons of Noah. To be a Semite, one must be descended from the line of Shem. Just as to be a Jew, genealogically speaking, one must be a descendant of Judah. Ham was the father of Canaan, who mistreated his father sexually in Genesis 9:25 and the Canaanite descendants who peopled the Land of Canaan, at the time of the Israel conquest, had the same proclivities as their ancestral father. This was what led to the destruction of Sodom and Gomorrah. This was also one of the major reasons that when Moses led the Children of Israel back from Egypt in 1491 B.C. he gave them stern warnings against inter-marriage with the Canaanites. He was afraid that they would lose their faith and decency. But what does the Biblical record say about this? Moses died about 1451 B.C. and Joshua actually led the Israelites into Palestine, then called Canaan. They we re told again, in no uncertain terms, that they would have to choose between life and death; between blessings or cursings, (Deuteronomy 11:26-28; 30:19, 20).

The Israelites were given strict orders to drive out the Canaanite abominators and make no marriages, or other deals with them. Yet it was the sons of Canaan who fathered the Jebusites, the Amorites, Girgasites, Hivites, Arkites, Sinites, Arvadites, Zemarites and Hamathites, according to Genesis 10 and 1 Chronicles 1.

If you read carefully the Books of Joshua and Judges, which is the historical account of Israel's move into Canaan, you will soon find, that instead of driving these people out of the land, they began to inter-mingle with them and adopt their abominable practices. This accounted for the thunderous warnings of the prophets who followed and who threatened the Northern Tribes with deportation, unless they ceased their evil.

When Israel was taken captive into Assyria, the prophets continued to warn the Judah-Benjamin Kingdom, until they were finally deported to Babylon in 606-586 B.C. According to the Books of

Ezra and Nehemiah, a very small remnant of these Judaites returned to Jerusalem in 536 B.C.

Jacob had twelve tribe founding sons; three started tribes by marrying non-Semites. Judah married a Canaanite (descendant of Ham, see Genesis 38). (The offspring of this tribe, from which the "true Jew" comes, were as Hamatic as they were Semitic.) Simeon married a Canaanite woman, see Genesis 46:10, and Israel's son Joseph, married the daughter of the Hamitic priest Potipher of Egypt

A careful study of this period will show that the major denunciation of the prophets was against "race mixing." (It might be of interest to say here, that no group of people in the world today, push integration of the races, as much as the Jews. They believe in integration for others, while remaining segregated themselves.)

Hosea7:8; 8:9,11, tells us how Ephraim, the dominant Israel tribe: "hath mixed himself among the people." Isaiah called them "the drunkards of Ephraim," (Isaiah 28:1, 3). The charges leveled by the Prophets was "mixing with abominators, whoring under every green tree," (Isaiah 57:5; Deuteronomy 12:2). This would hardly lead to the building up of genealogical purity as the Jews now profess. The miracle of how the rabbis of Talmudism, have convinced the Christian world that they stem from pure Judah-Israel stock, in the face of all evidence to the contrary, is difficult to understand, since Christian scholars have the same Biblical record to refer to as do the Jews.

In the time of Christ, the Pharisees boasted that they came from the seed of Abraham, and both John and Christ threw this boast back in their faces. In Matthew 3:9, John the Baptist told these religious hypocrites: "Think not to say within yourselves, we have Abraham to our father: for I say unto you, that God is able of these stones to raise up children unto Abraham." You can see the Christ's reactions to these Talmudic liars in John 8:33-34.

When a Jew boasts that he is a child of Abraham, you could honestly say to him: "Lots of people are. In fact most of the Arab people have a better claim to this than do those who go by the name of Jew. God changed Abram's name to Abraham, because it means: 'Father of many nations.' "(See Genesis 17:5).

Abraham did not just father the tribe of Judah, from which the "true Jew" comes. Through his grandson, Jacob, came twelve, mixed-blood tribes of Israel. He had 16 offspring by his wife Keturah, who was the mother of a horde of eastern peoples - Midianites and Arab alike. Through his son Ishmael, born of his concubine Hagar, Abraham fathered twelve separate nations. But the great blessing, promised through Abraham, was to come through Jesus Christ.

Moses was a not a Jew, he was a Levite on both sides of his family (Exodus 2:1).Abraham, his son Isaac, his son Jacob -called "Israel", were not Jews. Only one of Jacob's sons turned out Jews, and that was the sinning son Judah. Grabbing the whole of the Old Testament, as the modern Pharisees do is false and it is likewise false for Christian ministers to deny the identifying genealogy of Christ through Judah, or to say that those people we now call Jews, are "all of Israel," because it just isn't so!

In the Jewish Encyclopedia of 1905, there is a long article, with pictures and charts, trying to explain why there is such a thing as the "Jewish look." But they didn't go to the Prophet Isaiah for the Biblical explanation. Listen to the Prophet in Isaiah 3:8: "For Jerusalem is ruined, and Judah is fallen: because their tongue and doings is against the Lord, to provoke the eyes of His glory." Then a very special curse is pronounced against the Judaites: "The shew of their countenance doth witness against them; and they declare their sin as Sodom, they hide it not. Woe unto their soul, for they have rewarded evil unto themselves." If you were to look up the Hebrew word for "shew" in Strong's Concordance, you would find it listed in #5234, as the Hebrew word "Nakar." This means "recognize by."

In the Jewish Encyclopedia, under the heading TYPES, ANTHROPOLOGICAL, is this statement: "What is popularly known as the Jewish type, is not a correlation of definite anthropological measures or characteristics, but consists principally of a peculiar expression of face, which is

immediately and unmistakably recognized as Jewish... It has been noted that Jews who do not have this Jewish expression in their youth, acquire it more and more as they grow from middle to old age**...** It is seemingly some social quality which stamps their features as distinctly Jewish." Well, you have already read why.

Pharasaic brotherhood can be found in atheistic Communism, since both are built on Satan's plan, not that of God. With the outside of the "whited sepulchre" of Pharasaism represented as "God's Chosen People" and the inside of the sepulchre denying every teaching of the Word of God, it is no wonder that Jewish summer institutes, operating in almost every major university in this land under the title of the Hillel Summer Institute, have a program called ASK THE RABBI! The problems of the college youth and the questions they ask, can not be found in the Bible, according to the rabbis, so the answers must come from them.

Who then are the Covenant People? We believe, with much proof, that they are the white, Anglo-Saxon, Celtic, Germanic, Scandanavian and related peoples of Western Europe.

America is in desperate danger today. We face the most perilous times of our existence as a free people. We will only find our way out of this impasse, as we wake up to the knowledge of our origin. Then we will become aware of our destiny as a nation and will begin to be the witness God expects us to be. When our pastors begin to preach this truth, along with the glorious message of personal salvation, then we will be able to gain the spiritual strength which will enable us to overcome every obstacle which stands in our way. Then and only then, will we be aroused to accept all the responsibilities which God has placed on His people, and then and only then will we be able to defeat those Satanic forces which are trying to destroy our Christian civilization.

Chapter Three

CHRISTIANITY'S GREATEST HOAX

In the Book of Hosea, in the Old Testament, we read these significant words: "My people are destroyed for lack of knowledge." Notice it does not say, "for lack of education." But "for lack of knowledge." There is a great deal of difference between these two things.

Today, the Christian world - and this takes in most of what we refer to as the Free World" - is under a vicious attack by anti-God forces which would force us into a Communis0">(minated one-world government, where our traditional freedoms would be destroyed and our Christian morality would be done away with. No one would suffer more in this communist utopia, than the Christians who are known as Fundamentalists.

It is recognized that this attack has been underway for centuries. The vicious disease of "secular humanism," which has almost destroyed our public education system and has ruined many of our "main line" Protestant and a lot of Catholic churches, and has effected this nation at all levels. It has left behind, desolation, ruin and decay. Today, America stands at the "cross-roads of history," we can either go on to further greatness, or we can allow this moral cancer to destroy us and leave our bones to bleach on the sands of history, alongside other civilizations which have been destroyed by the same disease.

We are like a man living in the finest mansion God has ever allowed mankind to dwell in. Nowhere, at any time in the world's history, have men been able to live as well as we do in the United States. But in our material prosperity we have forgotten God. In the words of the Prophet Jeremiah 22:21, God says to America: "I spoke to thee in thy prosperity: but thou saidst, 'I will not hear.'"

In our plenty, we have allowed the "concrete termites" to get into the foundations of our house and for years, they have been eating away at its foundations. Today, our glorious mansion has been undermined to the point where it is sliding down the hill towards the precipice of destruction. The

whole world is standing by with bated breath, watching to see what we will do. Will we "ride her down" to destruction? Will we jump off before it is too late? or will we go down to the basement, assess the damage, call in the termite exterminator and patch up the damage that has been done? Our future as a free nation and a free people will depend on our actions in the very near future.

The greatest dangers to this structure of freedom have come from within. Many times in the past few years, our churches, which should have been the "salt of the earth," designed to hold back corruption, have been the source of corruption. Many of our moral and a good deal of our spiritual problems have been caused by our religious leaders, who have either been ill-informed, or even worse, have refused to accept the truth, because it conflicted with some preconceived notion they have taken.

What I am going to tell you in this message will stun some of you, especially if you belong to those who are known as fundamentalists. Many of you will be angry with me for telling you the truth, for it will "tear down the house of cards you have built in your mind." It could well be that I would have to say with the great Apostle Paul: "Am I to become your enemy, because I tell you the truth?" (Galatians 4:16).

One of the greatest hoaxes that has ever been perpetuated, is that which is being foisted off on the Christian church in this century. According to Webster's Dictionary, a "hoax is to trick someone into believing or accepting as genuine something which is false and often preposterous." This is exactly what is happening in the Christian world. The vast majority of Christians have been "tricked" or maybe "brainwashed" is a better word, into believing that the people we now know as Jews, are the descendants of Abraham, Isaac, and Jacob and therefore inheritors of the Covenant God made with Abraham in Genesis 12.

It is possible, that no crueler hoax has ever been perpetuated on an unsuspecting people, with more disastrous results.

Let me start my argument by stating that Judaism and Zionism are totally unrelated. Judaism is a religious belief founded more than 3,000 years ago. It is not practiced today by any known religious group. Zionism, on the other hand, is a political campaign for the conquest of Palestine, which dates back less than a hundred years.

Judaism play a dishonored role in the Zionist campaign, since the Zionists use it to disguise their aggression. This political plot, is the financial grab of world Jewry, for the control of the world.

Christians in facing this problem, need to take into consideration the fact that the Zionists are made up for the most part (at least 90%) of Eastern Europeans, Yiddish speaking Jews of Khazar descent, or immigrants who have lived off the largesse of other countries; their loyalty is totally towards Israel, even though they may be citizens of these United States.

The Zionists claim there is a "Jewish race," or a "Jewish nation," which is seeking to reconquer it's former homeland - that which was promised to their ancestors by God and which the prophets foretold would eventually become the homeland of Israel. Literally millions of dollars have been spent by the Zionists to perpetuate this myth, and nowhere have they done a better job, than on those people who call themselves fundamental Christians. The Zionists could not have become involved in a greater "fraud." (The dictionary defines fraud as: "intentional perversion of truth in order to induce another to part with something of value, orto surrender a legal right.") This is exactly what the Zionists have attempted.

There has never in the history of the world been a "Jewish race," or a "Jewish nation." I know this statement will come as a shock to some of my readers, because you have been taught differently in your church. But there has never been a race, which can in anyway - historically or racially - be associated with present day Zionism.

The claim of Eastern European, Yiddish speaking Jews, to a historic or ethnic association, either with Palestine, or the Judeans who once lived there, is one of the world's greatest frauds.

If it were not for the wealth in the Dead Sea, the Zionists would have been content to settle anywhere. When Theodore Herzl, the father of modern Zionism first approached the British Government concerning a homeland for the Jews, Colonial Secretary Joseph Chamberlain made him an offer of the area which is now known as Kenya. The Kenya proposal and another plan for a world Jewish colony in Argentina, brought into the open, for the first time, a conflict between those Jews who were interested in a haven home for their beleaguered brethren, where they could live in peace and the political Zionists who wanted Palestine - not because it was their Biblical heritage, as they have so loudly screamed to the world - but because they had found out about the untold wealth in the Dead Sea. (Have you ever known a Jew who could turn down the chance to "make a buck?"

Although the story of Herzl's life has been told over and over again, always emphasizing his sacrifice and devotion to the cause of Zionism, there were little corners in his life the Zionists are willing to forget. One is that He rzl had been willing to accept Kenya as a Jewish homeland, but had been over-ruled by world Zionist leaders. He was influenced by Britain, to help them in their vast plans for the colonization of Africa, but the political Zionists won out.

Herzl knew very little about Palestine, its geography and its demographic composition. He had never been there. He had been told that it was inhabited by nomad Arabs He was at a disadvantage, because he had been bold enough to say publicly: "The Jew must get rid of certain nasty social habits and remake himself in the image of the Gentiles - then and only then, will the curse of anti-Semitism die." (These remarks were taken from his biography, written by the Jewish writer Alex Bein, published in 1941 by the Jewish Publication Society of America.)

The words "Hebrew", "Israelite", "Judean", and "Jewish" have been used by the Zionist "myth makers" to suggest a historic continuity. Yet these were different people at different times in history, with varying ways of life. The earliest of the pre-Christian erated ebears of those who today call themselves Jews (about 10% by Jewish estimates), have an infinitesimal amount of Abraham's blood flowing in their veins. There is absolutely nothing to the myth of the racial purity of the Jews and this can be proven over and over in scripture. (Read especially in Old Testament books of Ezra and Nehemiah.) The ancient Judeans had inter-married with the Amorites, the Canaanites the Midianites, the Phonecians and other Semitic races, who were the ancient ancestors of the present day Arabs.

Neither the ancient Jews, or their forebears ever constituted a "race," or even a distinctive ethnically pure grouping. The very word "Hebrew", does not indicate a derivation from a land or section. It comes from the Canaanite word "Ibri," which means; "one who crosses over." It was first used to describe Abram, when he crossed over the Jordan, from his ancestral lands in Ur of the Chaldees.

The Jews of today, not only have a mixed ancestry, but Judaism was a tremendous proselyting force before the Christian era. Because of this, we see black Jews, Jews from China and India, the Khazar Jew of Eastern Europe, who have never had a drop of Abraham's blood in their veins. They have no claim whatsoever, to the promises made by God to Abraham.

Even the Jewish concept of their being the Chosen People of God, which is taught so fervently in most of our fundamental churches today, has been distorted by the Zionists. God chose Abraham and his descendants to be special messengers of "monotheism," the belief in one God. They were chosen, so the Bible says, not because of their superior characteristics, as the modern Jew is taught in his synagogue, but because of the faithfulness of Abram. The Jews have never spread the "one God" concept of Abraham to the world, only white Christians from Western Europe have done this.

As to the Jewish right of ownership in Palestine, let's go to a Jewish source and see what they have to say about this. I am quoting now from Alfred Lilienthal's book THE ZIONIST CONNECTION, which every Protestant preacher and a lot of Catholic priests should read; it might just keep them from making fools of themselves, as they speak about a subject they seemingly don't understand. Lilienthal, a well-known and respected Jewish journalist says: "Nothing can be proven in any absolute sense about the Jewish right to Palestine. Both sides can quote scripture, from any number

of holy books to prove their position. Palestine Arabs of today certainly have at the very least, as valid a claim to what is now Israel, as do the Israel's Jew. But sharing this land is not part of the Zionist's dreams; it is their ambitions which have triggered a world crisis."

The people we now know as Jews, are those who have accepted Judaism as their religion. The only thing they have in common with other Jews is their religious belief. They are not members of a "race" and have no more in common with an ethnic origin, than do Baptists, Methodists, Moslems, or Hindus. If I were to try and prove to you that because of their beliefs, Baptists were a race set apart, you would laugh me to scorn, yet that is what is being taught in many of our churches about the Jews.

The Zionists realized from the very first, that if the Christian world could be influenced to their aims - and this was necessary for it's success, since Zionist leaders readily admit that it is only American aid, which has kept Zionism alive - they would have to have the moral and economic support of the great Christian Democracies.

There is abundant proof available, to support the statement, that there is a sinister, secret, Zionist high-command, in charge of the Israeli Government. They desired a State in Palestine, not because they desired to help their people, but because of the power and wealth they wanted, to further their plot for final world control, with world government centered in Jerusalem.

Benjamin Freedman, a Jewish author of considerable note, made a detailed report on Zionist activities for the United Nations as far back as 1946. It was referred to as "The Palestine Situation." This report, sets down in the frankest terms, the underlaying and deceitful reasons under which the State of Israel was formed. He describes how millions of dollars were spent by the Zionists in the United States, to cause Christian church leaders of all denominations, to exhort their parishioners to support the Zionist plan. It worked beautifully!

Sunday after Sunday, Christian clergy, in thousands of American churches, urged their flocks to contact their Congressmen to support the Zionist plan. They were told that it was their Christian duty to support God's Chosen People to return to their ancestral lands, since this was the fulfilling of Bible prophecy. They were told that if they did not do this, the curse of God, as foretold in Genesis 12, would fall on America.

Freedman then goes on to prove that few, if any Jews in the world today, possess any ancestors who ever set foot in Palestine. He proves beyond the shadow of a doubt, that most people who are named Jews, come from a pagan background in Eastern Europe.

By the use of underhanded pressure, the Zionists have wheedled and blackmailed the United States Government into guaranteeing the independence of the State of Israel, even if it means that this is detrimental to the welfare of our own country.

Not all American churchmen were taken in by this propaganda. Dr. James Gray, the godly president of Moody Bible Institute in Chicago, was not only a great Bible scholar, he was also an ardent student of history. He realized the Zionists were fakes and he opposed them with every fiber of his magnificent character.

He resisted all sorts of Zionist pressures, including threats of bodily harm and threats to his family. But when he died, his successors at Moodys, took the "path of least resistance," and have been among the loudest of the Protestant voices singing the praises of the "gangsters of Zion." Today, strangely enough, Moodys is seldom in financial trouble. The same thing could be said about many of our great religious institutions, where millions of dollars of Jewish funds have gone to those who were willing to prostitute themselves to the Zionist cause.

As a result of this intense Zionist drive, Congressmen were swamped by requests from earnest, but mis-informed Christians, who gave their support to this illegal and anti-Christian cause.

Without Christian support, it is doubtful that Zionism would have ever made it off the ground.

Looking back on the Zionist situation in Palestine, reflects no credit on Christian leadership in America, or on the credibility of the British or American Governments. They were instrumental in putting into power in Palestine, a gang of International crooks. These men are atheistic, God-hating, murderers. There is probably no modern nation that can boast as it's leader, a man who is an acknowledged ex-bank robber, extortionist, terrorist and murderer. This was the case with Menachim Begin, and the present Prime Minister of Israel, a man who has been received with open arms, by our great Fundamental church leaders.

In a 1924 book, entitled YOU GENTILES, written by Jewish author Maurice Samuel, on pages 153, 154 appear the following revealing words: "The Jewish radical will discover that nothing can bridge the gulf between you and us. We Jews, we the destroyers, will remain the destroyers forever... nothing that you will do will ever meet our demands. We will forever destroy because we need a world of our own."

Quoting from yet another Jewish source: "By our arrogance, we Jews are responsible for a rapidly growing wave of anti-Semitism and what is even more dangerous to us, the Gentiles are discovering that this anti-Semitism is a misnomer, invented by us to cover up our own definite anti-Gentilism."

A few years ago, Mr. Walter White, Jr., founder of the Western Front, a pro-white organization dedicated to the survival of white Christian civilization, taped an interview with the Jewish administrative assistant of New York Senator Jacob Javits. Here are some excerpts from this interview with Harold Wallace Rosenthal. These are Rosenthal's words: "We Jews continue to be amazed with the ease by which Christian Americans have fallen into our hands. While the naive Americans wait for Khruschev to bury them, we have taught them to submit to our every demand."

Asked how America could be captured without our knowing it, Mr. Rosenthal attributed this victory to the absolute Jewish control of the media. He boasted of Jewish control of all news. He stated that any newspaper which refused to acquiesce to this control of the news, was brought to its knees by the withdrawing of advertising; failing this, Jewish suppliers would stop the news print and ink. "It's a very simple matter," he boasted.

Asked about Zionist control of our Government, he said: "Americans have not had a choice since 1932. Roosevelt was our man and every President since that time has been our man." (May I suggest that you now go to the Council 6n Foreign Relations and the Trilateral Commission and see who controls them.)

Then Rosenthal made this ominous statement: "We Jews have put issue upon issue to the American people. We promote both sides of the issue, as confusion reigns. With their eyes fixed on the issues, they fail to see who is behind the scenes. We Jews toy with the American public as a cat toys with a mouse."

When the name of Jesus Christ was brought up, Rosenthal said: "During Christ's time, the Jews were seeking a material and earthly kingdom, but Christ offered the Jews a spiritual kingdom. This they couldn't buy, so they rejected Jesus Christ and had him crucified. He was only a man - a man who walked the earth like any other and this myth about Christ rising from the dead and returning to earth to visit his disciples is a bunch of crap. The Jews who drove the Arabs out of Palestine did so to disprove Christ's mission for a spiritual kingdom. You see, instead of a leader who would make an empire for the Jews, your kind of people gave the Jews a peaceful preacher called Christ, who instead of an eye-for-an-eye, turns the other cheek. Rubbish! We are building, in fact, have built an earthly empire without your kind and your disappointing Messiah." This is the typical Jewish attitude towards Jesus Christ.

When asked why so many non-Jewish members in the Communist Government of Russia were liquidated, he said: "They understood too much the Jewish secret of government. Russian Communists have a Secret Group Ord1, thich consists of Jews only. They rule over everything pertaining to the visible government. It was this powerful organization that was responsible for the secret removal of the center of Communism to Tel Aviv, from which all its instructions now come."

When asked why the Communists always kill off the Middle Class, or the educated, Rosenthal said: "It is an established rule to destroy all members of pre-existing government, their families, their relatives but never Jews."

When asked to comment on the future of Christianity in America, Mr. Rosenthal said: "There is going to be forced warfare here in the United States and many will be liquidated**...** The Jews will not be harmed. I'm not boasting! I'm giving you the facts! And it is too late for your Christian followers to put up a defense. That is a long time past! Long, long ago we had to become the aggressors! That is one of the great purposes in our life! We are the aggressors! Because you stole your pretended religious beliefs from our Talmud."

(This of course is false, for Christianity did not come from a Judeo culture, as we have been told. It came from Hebrew teachings.)

Now this kind of conversation would be frightening at best, but Christians could always say: "That's only the mouthings of one man at best." But it comes from many Jewish sources.

Here is a letter which was sent recently to Jim Townsend, Editor of the NATIONAL EDUCATOR: "Dear Mr. Townsend: Of course what your anti-socialist writers say is true. However, there isn't a thing you can do about it. Your group woke up too late and you are simply not smart enough to make your peace with the powers that be (the Jews) before we start lopping off your heads. I do enjoy reading your paper at the local library, as it gives me the only horse laugh I get for that week. You are weird, a throw-back to the 19th Century." SIGNED: William Golden, Miami, Florida.

I wish it were possible for the fundamental preachers who are backing these Satanists, to realize what will happen to them, their families and their churches, if the Zionists ever take over in America. I can assure them that it will be beyond their wildest, and most awful expectations. Those of you who read this, will have no excuse, if you and your family suffers this fate, since you have been warned! You now have the truth! It will be up to you what you do about it! Will you criticize me, or do something to stop it from taking place?

Always remember that Judaism is a smoke screen for Zionism, which is nothing more than International paganism. It is seeking to conquer the world and setup a one-world government, governed by God-hating Zionists. You will be their target and don't you ever forget this!

In October 1954, Benjamin Freedman, wrote a long letter to Dr. David Goldstein of Boston, a Jew who had been converted to Christianity. Dr. Goldstein wanted to maintain his Jewishness. This letter has been published under the title FACTS ARE FACTS! It should be read by every preacher who preaches the nonsense that the Jews are the Chosen People.

Mr. Freedman states in this letter: "From the birth of Jesus until this day there have never been recorded a more vicious and vile libelous blasphemies of Jesus, or Christians and the Christian faith by anyone, anywhere or any time than you will find between the covers of the infamous books which are called the Talmud and which are the legal code which forms the basis of the Jewish religion, as well as the textbook for the training of the rabbis." He then goes on to quote, passage after passage from the Talmud, after first apologizing for the "foul, obscene, indecent, lewd and vile language you will see here as verbatim quotations from the official unabridged translation of the Talmud into English".

He then goes on with this significant quotation from page 22: "Countless Christians have been brainwashed by the clergy on the subject 'Jesus was a Jew.' The resentment these people feel is not yet apparent to the clergy. Christians need to demand that the clergy tell them the truth, the whole truth, and nothing but the truth. It is now time for the Christian clergy to tell their people what they should have told them long ago.

"Many Christians will no longer accept unchallenged the assertions by the clergy that Jesus in His lifetime was a member of a group in Judea which practiced a religious form of worship then which is called Judaism today, or that Jesus in His lifetime here on earth was a member of a racial group

which today includes the predominate majority of all so-called or self-styled Jews in the world, or that self-styled Jews throughout the world today are the lineal descendants of the nation in Judea of which Jesus was a national in His lifetime here on earth, or that the cultural characteristics of so-called or self-styled Jews throughout the world today correspond with the cultural characteristics of Jesus during His lifetime here on earth. Christians no longer believe that the race, religion, nationality and culture of so-called or self-styled Jews today or their ancestors have a common origin or character." (UNQ).

I can tell you one thing, when Christians finally realize how they have been fooled by their clergy, how they have been lied to about the Jews, there is going to come one of the greatest explosions Christendom has ever seen and it will blow these "Jewish prostitutes," out of their place of authority in the Christian church. Pray to God that it happens before they destroy us!

The day came when I became increasingly concerned about events which were taking place in the Mid-East. In spite of the media efforts to cover up the treacherous dealings of the Zionists, enough leaked out to make me realize we were not getting the whole truth from the press and certainly not from our government or our pastors. Then one day, as I read the story of Jehosophat, in 2 Chronicles 18 and 19, and especially the words of 19:2, "Shouldest thou help the ungodly, and love them that hate the Lord? therefore is wrath upon thee from before the Lord." I began to wonder if America might not be in the same boat. The more I studied the situation, both from scripture and from history, the more I became convinced that we had not been told the truth about the Jews. The more I studied, the more I became appalled at the obvious propaganda lies, which had been palmed off on unsuspecting Christians as the truth.

For the most part, the Zionist Jews are an atheistic, communistic, God-hating crowd. They hate Jesus Christ and all Christians with a special virulent hatred. This is taught to them by their religious instructors and comes straight from the pages of their Talmud. Three times every day and four times on the Sabbath and religious holidays, the orthodox Jew pronounces a curse on Jesus Christ and all Christians. (So much for Jewish world brotherhood.)
In the Sanhedrin, 67a, Jesus is referred to as "the son of Pandira, a soldier."
In "Kallah," lb, (18b), He is called "the illegitimate and conceived during menstruation."
In the "Schabbath," 104b, He is referred to as "a fool and no one pays any attention to fools."
In "Sanhedrin," 107b, He is called "the seducer and corrupter that destroyed Israel."
In "Hilkhoth Maakhaloth," Christians are called "idolaters" for worshiping Christ.
In "Abhodah Zarah," 15b, it is suggested that Christians have sex relations with animals; "
In Makkoth," 7b, "Jews are innocent of murder if the intent was to kill a Christian."
In "Orach Chaum," 225,10, Christians are more to be pitied than sick pigs.
In "Zohar," II, 64b, the birthrate of Christians must be diminished materially.
In "Zohar," I, 46b, 47a, the souls of Gentiles are said to have come from an unclean origin.
In "Sanhedrin", 58b, Striking a Jew is like hitting God in the face.
In "Hilkoth Akum", IX, 2, a Jew may only give gifts to a Christian if he is irreligious.
In "Babha Bathra," 54b, Christian property belongs to the first Jew claiming it. In "Babha Kama," 113a, Jews may lie and perjury to condemn a Christian.
In "Zohar," I, 160a, Jews must always try and deceive Christians.
And so on, and so on, and so on, ad nauseam!

The Jew is behind every immoral, anti-Christ, secular humanist, effort in the United States. They promote the E.R.A., the Women's Lib Movements, the pro-homosexual movements, the pro-abortion movements. They push for Sex Ed in the schools; for the removal of anything having to do with Christianity. I dare you to look carefully at the names behind these things which are destroying America, and then dare to tell me they are not Jewish.

Why do people like Dr. Jerry Falwell, president of the Moral Majority, back the very people who are causing the problems his organization deplores? Doesn't he know that you can't fight evil, when

you back its promoters? Why do Godly men like Dr. David Webber, of the Southwest Radio Church of the Air, insist on backing the murders of Zionism? Why do they take trip after trip to the Holy Land, to brainwash more Christian suckers with this Zionist propaganda I have never heard of any of them being honest enough to visit the Arab side once in a while and try and find out what is really happening.

Many of these men are fine, Bible-believing, Bible-preaching men. But they have been "in filtered," "softened up," and had their arms twisted by anti-God forces and they refuse to see this Is it because they are afraid they might have to admit they have been taken in by these clever rascals?

The frequent use of smear words, such as "anti-Semite," are completely false when applied to 90% of the Jews, for they are not now, and never have been Semites.

One of the biggest problems Christians face in trying to understand these things, is the changes which have taken place in the Bible, even the King James Version. Certain statements in the original 1611 Version, were considered offensive to the Judaists, so they were deleted in later printings. Yet none of the blasphemous, blood-thirsty references concerning Christ and Christians, have ever been eliminated from the Talmud. (So much for your brotherhood between Christians and Jews.)

Today the Christian faith stands in an extremely perilous position. The history of the world, during the last century in particular, confirms a vast, Satanic plot against Christianity. There is a world-wide network of conspirators, who are implementing this plot against Christianity, while most Christians seem to be sound asleep, as far as facing up to the truth is concerned. They are unaware of what is happening, and are being lulled into an ever deeper and more fatal sleep by their shepherds.

The ignorance, or more accurately indifference of the Christian world, to what is happening, has dealt a terrible blow to the Christian faith. During this crisis, when Christian Paul Revere's ride across this land with messages of warning, they are met with indifference, contempt, and abuse, by those they are trying to save.

In order to defeat any enemy, you must first know who they are and then how they operate. This means that of dire necessity, we must discover how they are attempting to bore from within. We must do this before they become too strong to combat.

Many Christians are troubled by the mysterious pressures they encounter, especially from so-called Christian organizations such as the National Council of Churches, which often seem to be on the enemy's side. (There are many good Christians who still belong to and support this organization.) But if we can recognize these forces, they can be stopped, and our Christian faith will stand like the Rock of Gibraltar, against all Satanic influence.

I believe our pastors are mainly responsible for this "Fifth Column," which is rotting us out from within. For fifteen years, while I preached the dangers to America, and the need of a spiritual revival, I backed the enemies of Christ and the Church. I refuse to do this any more, regardless what the consequences may be.

I believe many pastors are afraid of the pressure they will receive, if they take the stand they know they should. Others like Dr. Billy Graham, seem more interested in the big crowds, and the TV coverage they get, than in taking a stand. This was not always so with Dr. Billy. Some will actually fawn on our enemy, as some of our outstanding fundamental leaders did, when the chief murderer of the Zionists, Begin visited America.

Today, as the world is slipping back into barbarism, the Church of Jesus Christ remains the only bulwark against this enemy. The time has come, when Christians must stop "pussy footing" around in this conflict for survival.

The dedicated enemy of Christ has shown world wide savagery in dealing with our Christian brethren and in suppressing their faith. What makes you think they will treat you differently?

Our Christian clergy may get upset when I tell them that they are aiding Gods and their own worst enemies. They may refuse to accept this, but this is the same thing that happened in Russia.

I have already mentioned one of the pet phrases that is consistently used: "Jesus was a Jew'!" Nonsense! That statement is a historical and scriptural distortion and can easily be proven false by anyone who will take a little time and honest effort to look into it. There is no foundation other than Judaist propaganda in this statement. Historians and knowledgeable, honest theologians, will confirm that during Christ's lifetime, Jesus called Himself a Judean, not a Jew. He never referred to Himself as a Jew.

When He was crucified, a Roman governor had inscribed on His cross the Latin words: "Jesu Nazarenous Rex ludeorum." Anyone with a working knowledge of Latin knows that should be translated: "Jesus of Nazareth, Ruler of the Judeans." At the time of the crucifixion, as far as Rome was officially concerned - and this is proven by written records of the Romans at this date - there were no people in the known world who were called Jews. They were "Judeans." The word "Jew" has only been used in the English language since the beginning of the 18th Century.

At the time when Jesus lived, there were no religious, racial, or national group known as "Jews." Our pastor's should be intelligent enough to realize this.

Jesus was first referred to as a Jew, when the original King James Version was changed for the first time. Already, pressure from this ungodly group was being exerted on Christians to control their thinking.

You may be inclined to say: "What difference does it make; Jew and Judean mean the same thing, don't they?" It makes all the difference in the world! If this word conveyed the proper implication, there would be no argument in it's use. But the Jews have been very careful to see that it does not. The word "Jew", as used today, is not synonymous with Judean. When it was first introduced into the King James Version, this was it's meaning: "an inhabitant of Judea." It had no religious meaning whatsoever. But when the change was made in the 18th Century, a well-organized, well-financed world pressure group created the secondary meaning of the word, which is used today: Let me illustrate with this simple example: "If you were speaking with an Egyptian and said to him: 'Give me a camel.' He would immediately think of a hump backed dromedary. But if you made the same statement to an American, he would give you a cigarette. It is the same word, but it has a completely different meaning in different languages.

How many Christians do you know, who think of a Judean, an inhabitant of Judea, when the word "Jew" is used? Probably none! Because today, the secondary meaning of the word is used and it has at least four universally believed theories: A self-styled Jew, with probably not a drop of Abrahamic blood flowing in his veins is:

(1) a person who professes the form of worship known as Judaism;

(2) a person who claims to belong to a racial group associated with the ancient Israelite;

(3) a person who is a direct descendant of an ancient nation that thrived in Old Testament times; and

(4) a person blessed by God's special design, with certain alleged superior religious and cultural characteristics denied other racial, religious, or national groups.

Here is where the secondary meaning of the word confuses Christians. The implications and innuendoes of the word "Jew" to many intelligent Christians -- is in direct conflict with incontestable historic facts. It has nothing whatsoever to do with whether they believe the Bible or not, since history never contradicts the Bible.

Many Christians are beginning to realize that Jesus was not a member of a group, or a sect in Judea,

which practiced a form of worship known as Judaism; or that Jesus was a member of a group whom we now call "Jews;" or that those who today call themselves "Jews," are not lineal descendants of the folks who lived in Judea during Jesus' stay on earth In fact, many Christians are becoming slightly nauseated with the clergy's repeated references to an ungodly crew, such as today's Jews, who they refer to as God's Chosen People. Do the clergy not realize what will happen when their people finally understand how their preachers have lied to them? I wouldn't want to be in their shoes.

Concerned Christians today are asking: "If Jesus really was a Jew, why have the Jews for the past 300 years spent such huge sums of money to manufacture the fiction that the Judeans of Christ's time were also Jews?" It just doesn't make sense to intelligent, spiritually discerning Christians, nor should it.

A little study will show you the economic, political and social advantages which have accrued to the Jews as the result of this propaganda. To make Christians believe that their Lord was a Jew and that their religion was an off-shoot of Judaism, has brought them huge sums of money.

While this fiction is still being preached in a majority of fundamental and evangelical pulpits, many Christians are beginning to realize just how blasphemous this really is - I am one of them!

Now last you get the wrong idea and accuse me of attacking fundamentalism, let me say that I am a fundamentalist of the "hard-nosed" variety and my thinking about the cardinal issues of the Bible have been strengthened, rather than weakened, by what I have learned.

The religion practiced in Judea during Christ's stay on earth, like that of today's Judaism, was Pharisaism; Christian preachers should know this. If they would do a bit of honest study, they would realize that the teachings of modern Judaism have very little in common with the teachings of Moses.

If you want proof, let's go to the head of the Jewish Theological Seminary in America, Rabbi Louis Finkelstein, in the foreword of his book THE PHARISEES, page 21, he says: "Judaism became Pharisaism; Pharisaism became Talmudism; Talmudism became mediaeval Rabbinism, and this became modern Rabbinism. But through all these changes in name, the spirit of the ancient Pharisees survives unaltered."

These were the religious leaders of Christ's day, whom he constantly upbraided and who harassed Him and finally killed Him. Listen again to what Christ had to say to them, (Matthew 23:2) "The scribes and Pharisees sit in Moses' seat: All therefore whatsoever they bid you observe, that observe and do: but do not ye after their works: for they say, and do not." In other words, they were religious hypocrites.

In Matthew 23:29-33, He says: "Woe unto you, scribes and Pharisees, hypocrites: because ye build the tombs of the prophets and garnish the sepulchres of the righteous, and say, 'If we had been in the days of our fathers, we would not have been partakers with them in the blood of the prophets.' Wherefore ye be witnesses, that ye are the children of them which killed the prophets. Fill ye up then the measure of your fathers. Ye serpents, ye generation of vipers, how can ye escape the damnation of hell?"

John the Baptist knew who these were when he said Matthew 3:7: "O generation of vipers, who hath warned you to flee from the wrath to come?"

Again in John 8:19, Jesus spoke to the Pharisees and said: "Ye neither know me, nor my Father." Then in verse 38 - "If ye were Abraham's children, ye would do the works of Abraham." Then in verse 44, He gives His most scathing denunciation: "Ye are of your father the Devil, and the lusts of your father ye will do. He was a murderer from the beginning and abode not in the truth." Jewish authorities of today, say that this same group which Christ denounced, are the one's who lead Jewish worship in the modern synagogues. Jesus speaking about this same crowd in Revelation 2:9, warns the church at Smyrna about the "blasphemy of them which say they are Jews and are not, but

are of the synagogue of Satan." Apparently both Jesus and John the Baptist knew these men were fakes, yet our fundamental preachers tell you they are God's Chosen People. Are they calling Christ a liar by their actions?

The form of religion taught in Christ's time and that taught to the Jews of today, was and is a religious practice based on the Babylonian Talmud. This is a set of 63 books, which had been brought back from Babylon and was inter-mingled with the heathen superstitions of the Babylonians. They gave lip service to the Laws of Moses, but twisted them out of shape and in many instances, made the Laws of God, of "non-effect."

The Zionist leaders of modern Jewry have constantly told the leaders of Britain and America: "The Bible is our mandate!" While what they really mean is that the Levitical Laws have been twisted completely out of shape, so that they can destroy anyone who disagrees with them.

That part of the Levitical Law, found in the book of Deuteronomy, calling for the utter destruction of all other religions, may not seem important to Christians of the Twentieth Century, but it is. For as Jews moved into area of the West where Christianity flourished, they carried with them these same Levitical orders to destroy and Christianity became their primary target. The ideas of the inquisition of heretics; the use of informers, the same ideas we see being used in modern communist countries, came from Jewish Talmudic laws. The denunciation of family members who had incurred suspicion was demanded. This is the same terrorist device the Zionists introduced into Russia in 1917 and which they have used in every country taken over by Communism. While the Christian world has often gasped at the terrible brutality of Communism, few Christians realize that the seeds for this action came from Jewish teachings as found in the Talmud.

Under Zionist law, the heathen have no rights and the thinking of the "bandits: who now control Zionist Israel", is the same as that of a heathen philosophy they brought back from Babylon 25 centuries ago.

Listen to the words of warning that fell from the lips of our Savior in Matthew 16:12, he warned His disciples: "Beware of the doctrine of the Pharisees." Then in 15:7, speaking to the Pharisees, He said: "Ye hypocrites, well did Esaias prophesy of you, saying, 'This people draw nigh me with their mouth and have honored me with their lips, but their heart is far from me. But in vain do ye worship me, teaching for doctrines the commandments of men." In other words, the words of the Pharisees, the Rabbis, have precedence over the commandments of God, as found in the Ten Commandments God gave to Moses at Mount Sinai.

The Book of Deuteronomy, in the Old Testament, is a curious work. It's name means "Second Law." It was very probably written by the Levites, rather than Moses, since it was completely different from what Moses had taught. Dr. Funk, a noted Jewish scholar says: "God foresaw that one day a time would come, when the heathen would possess themselves of the Torah (the body of Divine teaching found in the scriptures) and would say to the Jews, 'We too, are the sons of God.' Then will the Lord say: 'Only he who knows my secrets is my son.' and what are these secrets? they are the oral teachings."

In this manner, the Levites were within their self-granted right to make changes in the Mosaic Law as they saw fit. They felt that they were authorized to change the Law, as times changed; just as modernists feel they can change the Bible to fit in with modern thinking.

It is interesting to note however, that the Book of Deuteronomy, in effect, cancels the Laws of the Ten Commandments as given to Moses on Mt. Sinai. These commandments had something definite to say concerning murder, stealing, adultery, coveting, bad neighborliness and were perverted into a mass of statutes which enjoined murder, massacre of the heathen, the murder of apostates, the taking of concubines from among captive women, the exclusion of strangers from debt-remission and so on. By the end of this strange book, the Ten Commandments had been nullified with the purpose of setting up, in the guise of religion, the political idea of a people sent into the world to destroy, possess all others, and rule the world. The ideas of Deuteronomy are diametrically opposed

to those taught much later by the great Hebrew Prophets such as Isaiah and Jeremiah.

The ideas of Deuteronomy, later enlarged in the Talmud are inherent in the Jewish Communist Manifesto of Karl Marx. It is a political program for world domination, commanding the destruction of all others. The rewards for obedience are earthly rewards -slaughter of the enemy, slaves, women, booty, territory and empire. The punishments are also of this world and of the flesh. Moral behavior, is required only towards those who believe as you do, all others are your enemy. These ideas, as exemplified in the Jewish Talmud, were totally destroyed by Christ's Sermon on the Mount.

The present day Jews like to tell Christians that Jesus of Nazareth drew His teachings, which revolutionized world thinking, from the Talmud. This is a lie out of the pits of hell itself. If you have ever read the Talmud, you will recognize this blasphemy. There has never been recorded as vicious a blasphemy against Christ and Christianity, as that found within the pages of the Talmud. If you will take the time to honestly check out any part of these 63 books, you will be shocked at the irreligious implications found there.

In 1935, the International hierarchy of the self-styled Jews, published the first English translation of the Talmud. It became known as the "Soncino Edition." Some day, Christians are going to wake up to the fact that they have been fooled by Jewish propaganda and they will realize how the word "Judeo-Christian" culture is a completely false statement. There was no possibility of the doctrine of Jesus Christ being built on the false base of the anti-God Talmud. There can be no grounds on which Judaism and Christianity can meet. Let me give you a few quotations from the Talmud and let you make up your own mind:

1 - "ZOHAR," 160a - "Jews must always try and deceive Christians."

2 - "BABHA KAMA," 133a - "Jews may lie and perjure themselves in order to condemn a Christian."

3 - "ABHODAH ZORAH," 15b - This suggest that: "Christians have sex relations with animals."

4 - "MIDRASCH TALPIOTH," 225 - "Christians were created to minister to the Jews."

5 - "SEPHER OR ISRAEL," 177 - "If a Jew kills a Christian, he commits no sin."

6 - "ORACH CHAIM," 225 - "Christians and animals are grouped for comparison."

7- "SEPHEROR ISRAEL," 177- "Take the life of a Christian and kill them and you will please God, the same as when you offer Him incense."

These are but a few of literally hundreds of references, which are used by the modern day Jew in his synagogues throughout the world. Many of these Talmudic teachings are so coarse, vulgar, and obscene, I could not mention them in a message such as this. To say that these are the basis of Christ's teaching, is the worst kind of blasphemy.

If you have ever wondered why the Jews are noted for their cheating in business deals, you will not have to go further than their religious training. In a prayer, which is prayed on the Day of Atonement, called the "Kol Nidre," (they recite this three times standing, in concert with the Rabbi who chants at the altar.) According to Vol. VIII, p.539, of the Jewish Encyclopedia, this prayer makes "null and void," all oaths, vows, and promises a Jew will make with a Gentile during the following twelve months. This means, that he can lie and cheat with the blessings of the Rabbi.

This prayer is explained in the Talmud book of "NEDARIM," 23a, 23b - "He who desires that none of his vows made during the year shall be valid," may pray the "Kol Nidre." In other words, this is a

device, whereby Jews may lie, cheat, and steal with impunity.

This prayer dates back to the days of the Khazar Jews. They believed it suited their purpose to keep secret from their Christian conquerors the fact that they were Jews and their attitude towards Christians. So the Talmud was revised so they could pledge loyalty to their leaders, while secretly repudiating them. This same idea is prevalent today. While they may be citizens of the United States and pledge an oath of loyalty to her, they are protected from God's judgment by the "Kol Nidre" prayer, which allows them to become traitors if it is to the good of world Jewry.

The Zionists have gone to tremendous pains and expense, to "black out" the origin and history of the Khazar Kingdom from which most of them have descended. Many historians will agree, that the purpose of the Kol Nidre prayer was to keep Christians in the dark from knowing who the Jews really were.

Probably the greatest historian on the origin and history of the Jews in Eastern Europe, was the Jewish Professor, Dr. H. Graetz. In his famous book, titled THE HISTORY OF THE JEWS, he points out that when other Jews heard about the Khazars for the first time, they assumed they must be the "ten lost tribes." Then on page 141, he says: "But the Khazars professed a coarse religion which was combined with sensuality and lewdness."

When the Khazars were conquered by the Russians in the 13th Century, their language became known as "Yiddish" and for over six centuries, since then, Jews the world over have identified themselves as being "Yiddish." You never hear of an Eastern Jew identifying himself as being a Pole, a Russian, a Lithuanian, a Roumanian, or a Hungarian. They will tell you: "I am Yiddish!" Interestingly enough, before this language became known as Yiddish, it was the mother-tongue of the Khazars. Yiddish must not be confused with Hebrew, even though they use the same alphabet. There is not one word of Yiddish to be found in ancient Hebrew, and vice versa. Why? Because they come from separate sources.

Countless millions of dollars have been expended by the National Conference of Christians and Jews, to expunge from the New Testament all passages the Jew consider offensive. Most of this money has come from Zionist sources. Within recent years, they have mounted a massive campaign within the Roman Catholic church, to take the blame for the murder of Jesus, off the backs of the Jews. But listen to what the Bible says of this, as found in Matthew 27:24, 25 - "When Pilate saw that he could prevail nothing (remember that he had tried to set Jesus free), but that rather a tumult was made, he took water, and washed his hands before the multitude, saying, 'I am innocent of the blood of this just person; see ye to it.' "Notice this next verse very carefully: "Then answered all the people (Jews), and said, 'His blood be on us, and on our children.'" How could this be any plainer? Yet the Jew is saying they were not to blame!

Most of the Jewish "white-washing" is done in the name of "interfaith brotherhood!" What a lovely, innocent appearing word! But have you ever wondered, why this unsavory crew has never done anything to remove obscene references to Christ and Christianity from their Talmud? With the Jew, it must always be a "one-way street," in their favor!

The next time you hear someone boast of their Jewish blood, you might ask them: "What becomes of this Jewish blood, when a Jew is converted to Christianity?" How is Jewish blood biologically different from that of a Christian or a Moslem? It isn't, of course!

So in view, of what I have shown you, how can you as a Christian, accept the term Judeo-Christian? They are "antonyms," "words having opposite meanings." The term Judeo-Christian is unrealistic and would have the same meaning as "hot-cold," or "poor-rich."

On the basis of Jewish teaching, the term anti-Semite or Semitic, should be eliminated from the English language. It serves one purpose and one purpose only, to be used as a "smear word" against anyone who criticizes the Zionists.

I am grieved, as are most decent people, by the new lows to which our national morality has sunk. I

realize this is an indication of a decline in the "faith of our fathers," which was a Christian, not a Jewish faith. The Jews had absolutely nothing to do with the greatness of America. In fact, our founding fathers gave us frequent warning concerning them.

Listen to this copy of the original, from the written records of Charles Pickney of South Carolina, of the proceedings during the drafting of the United States Constitution in 1789. This was a statement made by Benjamin Franklin, concerning Jewish immigration.

"There is a great danger for the United States of America. That great danger is the Jew. Gentlemen, in which ever land the Jews have settled, they have depressed the moral level and lowered the degree of commercial honesty. They have created a State within a State, and when they are opposed, they attempted to strangle the nation financially as in the case of Portugal and Spain.

"For more than 1700 years they have lamented their sorrowful fate, namely, that they were driven out of the motherland; but gentlemen, if the civilized world today should give them back Palestine as their property, they would immediately find pressing reasons for not returning there. Why? Because they are vampires and cannot live on other vampires. They cannot live among themselves. They must live among Christians and others who do not belong to their race.

"If they are not excluded from the United States by the Constitution, within a hundred years they will stream into the country in such numbers that they will rule and destroy us, and change our form of government for which Americans have shed their blood and sacrificed life, property, and personal freedom. If the Jews are not excluded, within 200 years our children will be working in the fields to feed the Jews, while they will remain in the Counting House gleefully rubbing their hands.

"I warn you, gentlemen, if you do not exclude the Jew forever, your children and your children's children will curse you in your grave.

"Their ideas are not those of Americans. The leopard cannot change his spots. The Jews are a danger to this land, and if they are allowed to enter, they will imperil it's institutions.

"They should be excluded by the Constitution."

But this warning was not heeded and Jewish influence has caused great psychological and moral damage to America. It has inculcated in our people the philosophy of "How do you make more money; you only go around once in life, so live with gusto!" This has been the philosophy which has drained our youth of their moral courage, to the point where many of them can see nothing worthwhile to protect any more.

The sabotage of our nation's moral and spiritual standards has been one of the most important objectives of this unfriendly, parasitic conspiracy which masquerades under the banner of International Zionism. It is heading America, at a breakneck pace, towards a materialistic, totalitarian, one-world government, with the Zionist in the seat of authority. Frankly, this scares the wits out of me!

This plan has been most effective, because the cooperation of the "male prostitutes" who stand behind the pulpits of this land, trumpeting the falsehood, that these heathen are God's Chosen People.

In Alfred Lilienthal's book THE ZIONIST CONNECTION he says: "To the Zionist leaders of world Jewry, their concept of 'world rule' is that of extreme racism. To them, what makes a person a Jew is not the practice of the Jewish faith, since many are unabashed agnostics or atheists: suffice it that he was born a Jew, so he remains always a Jew. Such is the philosophy of Zionism

"The historic connection upon which the Zionists have stated their claim to Palestine turns out to be nothing but a racial myth. Ten tribes started out in Canaan 35 centuries ago; then disappeared and more than half of the other two never returned from exile in Babylon. How can anyone claim descendency from that small community that inhabited the Holy Land at the time of Moses' Covenant with God? Who can say for sure, that many Christian readers of this book, might have a

far better claim to Palestine than Menachim Begin, or Golda Meier? Queen Elizabeth belongs to an Israelite society which traces its members back to the Lost Tribes of Israel."

The catastrophic decline of Christianity, in spite of all the vivid stories concerning a "nation-wide" revival, disturbs all of us who are concerned Christians. Christendom is no longer Christendom; Christian America is no longer Christian America, for we have allowed our country to be taken over by a heathen philosophy which is opposed to the "faith of the fathers." The Christian church is literally committing suicide today, by the reckless manner in which we are promoting a heathen philosophy and calling it of God.

If you are one of those "brainwashed" Christians who have swallowed the Zionist propaganda "hook, line, and sinker," let me ask you a few simple questions in closing. As far as I have been able to ascertain, none of them have ever been intelligently answered by any fundamentalist preacher or scholar:

1 - Most of the preachers say Abraham, Isaac, and Jacob were Jews - why, when the word was not used until a thousand years later in 2 Kings 16:6?

2 - When preachers speak of the Exodus from Egypt, they almost without fail call it the "deliverance of the Jews from bondage." There were no people called Jews at this time. The Bible calls them "Israelites;" the "House of Jacob;" "He brews," but never Jews. Why should our preachers use that term?

3 - Abraham's seed were to be as "the sands of the sea," (Genesis 22:17). In Genesis 24:60, Isaac's wife Rebecca was promised to be "the mother of thousands of millions." At the time of the Exodus, Moses prophesied in Deuteronomy 1:11, that God would make the Israelites "a thousand times so many as ye are." At this time there were about two million Israelites in Egypt. Yet the Jews have never numbered more than 17-million; if you are going to call them Jews. How do you explain this?

4 - The New Covenant as recorded in Jeremiah 31, was made with the "house of Israel and the house of Judah," nothing is said here about Jews. Hebrews chapter eight verifies this. Yet most preachers say this Covenant, which was to make Israel a Christian people, just didn't work out for the Jews. They have never been able to explain, why the white race has been the only people to really accept this Covenant and has printed and carried the Word of God to all the world, as God's people were supposed to do.

5 - Most preachers teach that Jesus came to the Jews, but the Master Himself, in John 10:26, very plainly tells the Jewish leaders: "Ye believe not, because ye are not of my sheep." Who then are His sheep? Could it be those people who have built their nations on His laws, the Christian nations? Certainly it cannot be the Jews!

6 - Israel was the only people who God ever promised that He would watch over them and answer their prayers. What people have prayed to the God of Abraham for the past centuries? If the white, Nordic races are the same as the colored races, then why did God choose the white race in which to establish His worship? Why have only white nations been known as Christian nations, following God's laws. Why when Paul wanted to go into Asia and preach, did the Holy Spirit send him into Asia Minor, and then on into Europe instead?

7 - When God told Israel in Jeremiah 3:14, "I will take you one of a city, and two of a family and will bring you to Zion: and I will give you pastors according to mine heart; which shall feed you with knowledge and understanding." Why did God bring over 40-million Caucasians to America during one fifty year period?

These people had "born again" preachers as their shepherds. They led America to become a Christian nation.

Yet our preachers have the audacity to say that 3-million atheistic Jews, returning to Old Palestine with their Rabbis, and a false religious book - people who curse the name of God and His Son, they have the gall to call these God's Chosen People!

8 - Finally, how can you equate God's Chosen People with the fact that most of the Communist functionaries are Jews.

a - That it was Jewish money that financed the Communist revolution in Russia.

b - That Jews run the filthy propaganda mills of Hollywood, where God's name is made a laughing stock and Christ is blasphemed daily.

c - That most of the people accused of treason against this country have been Jews;

d - That most of the pornography, the homosexuality, the pro-abortion, pro-Sex Ed, the moral degradation of America has Jewish influence behind it.

Can you still look me in the eye and say these are God's Chosen People?

I do not advocate hatred of the Jews. I differ from some, in that I believe there are patriotic Jews in this country. There are many who deny Zionism. I do not believe in persecuting any people. But by a like token, I do not believe in allowing the Zionists to control our government, our banking institutions, and our media.

If America's pastors would become imbued with a passion for the truth, they would realize that their mission is far more than "preaching the Gospel." They must be willing to "Occupy until He comes!"

Chapter Four

EXPLODING THE CHOSEN PEOPLE MYTH

Have you ever wondered why in this so-called ' enlightened age", when all subjects can be intelligently examined, there is one subject that remains "taboo?" You can openly discuss sex, communism, Protestantism, Catholicism, Mohammendism, Metaphysics, and most anything else. But it is considered bad manners and downright sinful to discuss Judaism, especially if what you say can be construed as being critical of them.

If you want information on the Mormon religion, you can go to most any good book store and purchase THE BOOK OF MORMON, THE DOCTRINE OF THE COVENANTS, or THE PEARL OF GREAT PRICE. If you wish to learn about Christian Science, the books of Mary Baker Eddy, its founder are readily available. If you wish to learn something about the Moslem religion, the Koran, translated into English is available.

There is not one single existing faith which you cannot study, with the exception of JUDAISM. But if you try and find out what Jews really believe, and what they are taught in their synagogues, especially concerning Christians, an immediate veil of secrecy is drawn and if you try and penetrate it, you can find yourself in serious difficulty.

If you don't want to believe this, go to any good bookstore and attempt to purchase the 63 volumes which make up the Jewish Bible, called the BABYLONIAN TALMUD. If you receive any response at all, it will be to sell you a limited edition, which has been especially edited for "goyim" consumption, or you will be told that it is a forbidden book, available for Jewish eyes only.

The TALMUD is quite explicit about this secrecy, since it states that any Gentile who reads this forbidden book is worthy of death and in the SANHEDRIN Volume (59a), page 400, you can read: "Moses commanded us a law for an inheritance, it is our inheritance, not their's (Gentile)."

The second tumult arises when you attempt to discuss the Jewish problem. It comes from the majority of our churches, often referred to as Judeo-Christian, who will tell you that you must always praise the Jews, no matter what they do, since they are the "Apple of God's Eye" and that to criticize them, no matter what they do, will bring the "wrath of God" on your head.

In other words, you may criticize a Catholic with impunity, or a Baptist, or a Mormon, for what they believe. You can state that Jehovah Witnesses are wrong and that the Hare Krishna's are a cult, but to criticize the Jews and JUDAISM, is not only unhealthy, it is sinful!

This superstitions nonsense has become so deeply ingrained in fundamental and evangelical religious teaching, that their people fear to raise any objection to Jewish excesses, even though they are contrary to what they believe as a Christian.

Leaders of great nation-wide Christian movements such as Moral Majority, who stand behind their pulpits Sunday after Sunday and appear on TV to thunder against the moral and say,itual evils which are destroying America - the murder of unborn babies; open pornography on our newsstands, in the movies and on TV - these men become timid rabbits when it comes to exposing the evils of JUDAISM, which is attempting to destroy everything they say they believe in as a Christian.

Having been a nation-wide fundamentalist Baptist evangelist for eighteen years, speaking in some of the largest churches in our land, I know whereof I speak. Yet in recent years, as God has given me the privilege of seeing through the "smokescreen" of Zionism, I have been amazed to find fine, dedicated, Christian clergy, who propound the un-scriptural idea that Christians must bless those who curse their Lord, and who are the bitterest enemies of Christianity, according to their own testimony.

This kind of thinking comes under the definition of treason, as defined by our Constitution, Article III, section 3. Here in words which any Fifth Grader can understand, we find the definition for "treason." "TREASON, shall consist only in levying war against them (the U.S.), adhering to their enemies; giving them aid and comfort." It seems strange and very sad to me, that Christian leaders would demand that their followers bless those who curse their Lord; who seek to destroy the Bible; who have been responsible for taking prayer and Bible reading from the public schools; who seek to take Christian meanings from our great National holidays. Ask yourself who is behind the effort to take the phrase: "In God we trust!" from our money. In most every case, you will find it is the Jewish run, Jewish led, American Civil Liberties Union, at the instigation of a Jew. Wake up Christians and see what these enemies of your King are trying to do to you.

I have had fundamental Christian leaders admit to me in private, that they know about Jewish control of the news media; they know the Jews are behind the anti-God filth of Hollywood; they know they are behind the liquor and drug industries; that they own and operate most of the abortion clinics which murder over 4200 unborn babies every day; that they operate the prostitution rackets and support the homosexual movements. Yet I have yet to see one of these "men of God," who have had the "infinitesimal fortitude" to tell their people the truth, about those who are behind these evils. For, you see, if they did this, that old scriptural bugaboo would rise up to haunt them: "I will bless them that bless thee, and curse him that curseth thee -**...**" (Gen. 12:3). They have become so "brainwashed" by Jewish propaganda, that they do not even recognize the truth that the men to whom this promise was made, Abraham the "friend of God," was not even a Jew. There were no people called Jews on this earth until almost 1200 years after the time of Abraham.

Recently an article appeared in the Jerusalem Post in which Rabbi Alexander Schindler, head of the Jewish Reform Movement in the United States, condemned the award of the Jewish Jabotinsky Medal to the Rev. Jerry Falwell. He said: "It is madness and suicide if Jews honor for their support of Israel, right-wing evangelists who constitute a danger to the Jews in the United States." He condemned what he called a flirtation between Jews and fundamentalists saying: "It is a pact with the devil!"

He went on to put his finger on what is happening:

"The deep reasons for the support given Israel by the evangelical fundamentalists are theologically self-serving. As they read scripture, Jesus cannot return for His Second Coming until all the Jews have been regrouped in the whole area of their Biblical land and have been converted to Christianity. Only true believers can enter the gates of heaven. Jews if they do not accept Jesus, will not be permitted beyond those pearly gates**...** This is their apocalyptic vision in all its fullness. They seek our extinction as a particular people."

It almost seems at times, as though the Fundamentalists believe God cannot carry out His prophetic process without their help. They are determined that Jesus must come back soon, whether that is God's plan or not. I believe in Christ's return. I believe it will come soon and pray for it, but I do not believe that the people we now call Jews have anything to do with God's timetable. All His promises were made to Israelites, not Jews. They are two completely different breeds.

Is it common sense to believe that God's blessings rest on those people who are attempting to destroy the teachings of His Son, and His church? Does it make sense to believe that God will bless those who are dedicated to the enslavement of mankind, as they destroy all freedom and decency? Yet this is the misconception, which is taught to millions of unsuspecting Christians throughout Christendom and it is the thinking which is flung in the face of anyone who has courage to expose these enemies of Christ and His church. Could it be that we are experiencing the prophesy of 2 Thess. 2:11 - "For this cause (because they will not accept the truth), God shall send them a strong delusion, that they should believe a lie."

What was the Apostle Paul speaking about? Go back to verse 9 where he speaks about one who is coming "whose coming is after the working of Satan ...

When I first began to understand this vital, but controversial subject, it became necessary for me to leave the Fundamental Baptist Church which I deeply loved. My pastor, who had been a close friend, and whom I had heavily supported, accused me of "apostasy." (Which means "defection from the faith.") But my ideas concerning the fundamentals of the faith had not changed, te tiwere stronger than ever. My eyes had merely been opened to a Satanic Doctrine, which has in filtered most Christian churches, that the people we now call Jews, are God's Chosen of the Bible.

Our ministers constantly harp on the idea that only those nations who bless and help the Jews will prosper. But you don't have to be very intelligent to see the fallacy in this type of thinking. The nations of this world which have been destroyed, have been destroyed m Go within, because of moral and spiritual corruption, often aided and abetted by these same Jews. Every nation which has befriended the Jews, have been betrayed and ultimately destroyed by them. Don't argue with me about this, look at your history. A few years ago Jerry Falwell said: "America has been blessed of God, because we have been kind to the Jews." This is an observable falsehood. Ask yourself. What has been the time of America's greatest debacle. In what era have we regressed faster morally and spiritually than any other? In what period have we lost our strength in economics and foreign prestige? If you are honest with yourself, you will have to answer that it has been since 1948, when we recognized that "little bastard state of the Israeli." Everything has been "down-hill" since then God has cursed America, rather than blessed her. Could it be that the prophesy of 2 Chronicles 19:2 is taking effect? **"....** shouldest thou help the ungodly? and love them that hate the Lord? therefore is wrath upon thee from before the Lord!"

In Psalm 33:12, we read: "Blessed is the nation whose God is the Lord; and the people He hath

chosen for His own inheritance." Who is this GOD, the Psalmist calls "Lord?" It is none other than our Lord Jesus Christ, the King of Kings, and the Lord of Lords, who is spoken of in John 14:5:"I am the way, the truth, and the light; no man cometh unto the Father, but by me."

Yet a few years ago, when Dr. Bailey Smith, President of the Southern Baptist Convention said: "God does not hear the prayer of a Jew," all hell broke loose, even though he was scripturally correct. How can the Word be any plainer? No person, Jew, Israelite, Gentile, Mohammedan, Heathen, no one can reach God the Father, unless they come to Him through the Son. There is no other way!

The nations which have been infected with the disease of JUDAISM, have fallen because these teachings have rotted out their moral fiber. It is a fact proven over and over again in world history, that when the Jewish money-changers get control of a nation's finances, that country is on the "downhill slide to oblivion." Check this out in your history books!

England declined from a great worldwide empire when she began to allow a great influx of Jewish immigrants to come to her shores during the Nineteenth Century. As they get into places of power in a country, they destroy that country. The time of the greatest Jewish power in Europe, was rightly known as THE DARK AGES and Christendom began to emerge from this, when they kicked the "money-changers' out of the national temple during the Reformation. It was during this period, that the Jews were kicked out of most every nation in Europe, not because they were Jews, but because they were undesirables. Why is it that our young people are not taught this truth in their history books? It's because the companies who publish these books are Jewish owned and controlled!

If the blessing of Genesis 12:3 referred to all Jews of all times, as our clergy would have us believe, then Napoleon should have never been forced to leave France, for he forced people in many areas under his command, to participate in Jewish holidays and he erected many synagogues at taxpayer expense. Yet when he and his armies were destroyed, it was Jews within his military structure that betrayed him.

According to the warped thinking of the majority of our pastors, the Soviet Union should be blessed above every nation on the face of the earth, for they are the only nation which forbade "anti-Semitism" by law. A quotation from the Communist DAILY WORKER in 1939 said: "In the USSR, anti-Semitism is strictly prosecuted as a phenomenon profoundly hostile to the Soviet system. According to the laws of the USSR, active anti-Semites are punished with death.' (UNQ.)

Is this law so strange when you consider that more than 90% of the top communist leadership following the revolution were Jews? Out of 550 top communist leaders, 450 were Jews, 247 of them coming from the East Side slums of New York City, the type of people the Jews called "kikes."

If you think the USSR is anti-Jewish today, as our media would like to have you believe, ask yourself why only Jews, of all religions, are allowed to leave the USSR; 50,000 of them according to recent Congressional approval. Why is it that you see no Baptist or Pentecostal Christians among those coming to America?

But Russia has not been blessed. I know about their tough military machine, built on the blood and suffering of the Russian people. Yet it is a fact which has been proven over and over again, the USSR cannot even feed its own people and on at least 14 major occasions since 1918, when the Soviet Union has been on the verge of economic collapse, it has been old Uncle Sucker, the U.S.A. who has stepped in and rescued them.

The second lie which throws fear into the hearts of anyone who seeks enlightenment concerning the Jewish question, is the use of the term "anti-Semitic." Have you ever done any research into what this term anti-Semite means? History proves that the Semites were the descendants of Noah's son Shem. This takes in all the people who belong to the ARYAN WHITE RACE: Anglo-Saxons, Germanic, Scandinavian and related peoples. However, it does not include the people we know as

JEWS. The Jews are the greatest "anti-Semites" of all times, for while most of them (probably 90% or more) are of Turco-Mongolian background, they persecute the true Semites who are Arabs. Yet what religious leader calls a Jew an "anti-Semite" because they harass an Arab? They are more apt to praise him!

The third lie which has been sold to Christians is that our Christian heritage is "Judeo-Christian." In other words, that the foundations of Christianity lie in JUDAISM. But the New Testament is not now, nor ever has been a product of Judaism and while some of the teachings of JUDAISM revolve around the Mosaic Laws and the teachings of the Israelite prophets, they are superceded by a heathen book called the BABYLONIAN TALMUD which Jesus called the "traditions of men." (See Matt. 15:9; Mark 7:13). This same idea was carried over into the teaching of the Apostle Paul, when he warned the church at Colossae (Col. 2:20, 22). "Wherefore if ye be dead with Christ from the rudiments (elements) of the world, why as living in the world, are ye subject to ordinances... which all perish with the using; after the commandments and doctrines of men."

Again in 1 Timothy 4:1 we are warned of a time when Christians would depart from sound doctrines to give heed "to seducing spirits and doctrines of devils." Then in Titus 1:10 he warns against unruly and vain talkers, specially those of the circumcision (Jews): Whose mouths must be stopped, who subvert whole houses, teaching things they ought not, for filthy lucre's (money's) sake."

Then in vs. 14 he warns against giving heed to "Jewish fables, and commandments of men, that turn from the truth." So you see, this Jewish Question is nothing new, it has been with the Christian church since the very beginning.

Jewish Talmudic teachings are heavily laced with the occult, which is directly contradictory to the teachings of Moses and the Law. The Old Testament of the Bible was compiled by holy men of God who were Israelites. They believed in one God, as shown in Isaiah 45:6 - "**...**I am the Lord, and there is none beside me." They looked forward to the coming of a Savior-Messiah... the same Savior the Christians worship, today. They wrote the sacred books under the guidance of the Holy Spirit in their original form. The Old Testament was a product of God, working through His servants the prophets. The TALMUD is the work of Jewish Rabbis, mere men

Christianity pre-dates JUDAISM, for JUDAISM came into being during the Babylonian captivity, when the people from JUDEA began to intermingle the teachings of Moses with the heathen, occult worship of Babylon. This resulted in the monstrosity called the BABYLONIAN TALMUD.

Moses was a Christian. I know he didn't go by that name, but he was a Christian. In Hebrews 11:24 you read: "By faith (the same faith that saves you and I today) Moses, when he was come of years, refused to be called the son of Pharaoh's daughter; choosing rather to suffer affliction with the people of God (Israelites, not Jews. There were no people called Jews at this time in history), then to enjoy the pleasure of sin for a season." Notice very carefully this next part: "Esteeming the reproach of CHRIST greater riches than the treasures of Egypt; for he had respect unto the recompense of the reward." Yes, Moses was a Christian!

You may say: "But Abraham, Isaac, and Jacob were all Jews. Our pastors teach that all the time." Well, my Christian friend he is wrong. They were not Jews, since this term was not used in scriptures until almost 1200 or more years after Abraham's time, when we find them in 2 Kings 16:2 fighting against the Israelites. To call the Bible patriarchs JEWS, is to engage in "intellectual dishonesty."

The Jewish author, Dr. Benjamin Freedman a convert to Christianity, wrote a long letter to a Dr. David Goldstein, another Jew who had converted to Catholicism, it was published in a booklet titled FACTS ARE FACTS. Goldstein still believed in the Chosen People theory and this is what Freedman wrote to him in 1954: "It is a well-known fact that many counterfeit recent conversions of Jews to Christianity, have often been proved but in filtrations of latent traitors with treasonable intentions. (One place in the TALMUD, Jews are admonished to "become Christians for the sake of

in filtering their ranks.")

Dr. Freedman goes on to say: "The Divine and Sacred mission of the Christian faith is in jeopardy today to a degree never witnessed before in its long history of almost 2000 years**...** When the day arrives that Christians can no longer profess their Christian faith as they profess it today in the Free World, then the Christian faith will have seen the beginning of the end."

From this point, he goes on to show how the Christian faith has been put on the defensive throughout the world and mentioned a gigantic conspiracy which is underway, world-wide to destroy Christianity. He goes on to prove to any honest mind, that this is a Jewish conspiracy.

It is unfortunate - tragic is a better word to use - to see Christian clergy so ignorant, apathetic, or frightened by the truth, that they will back the very force which is trying to destroy them and then salve their conscience by saying: "We are merely backing God's Chosen." What utter "hogwash!"

There is little doubt in my mind, based on my experience with these men for eight theyears, that many of these men are deeply disturbed by mysterious pressure which is coming from above, which often prevents them from exercising sound judgment in their own churches. I know this to be true, for many have expressed their feeling to me. One outstanding Fundamental Baptist preacher I know, who is pastor of one of the largest Baptist churches in America, told me: "I am deeply disturbed by the Jewish influences which lie behind efforts to destroy organizations such as Moral Majority, even though we have been strongly pro-Jewish. But all the great Bible scholars and preachers of the Twentieth Century have said the Jews are God's Chosen People and I must go along with them." This pastor is a man of courage, who has taken many unpopular stands against evil in his city. Yet he is literally "afraid of the Jews." When I pinned him down on his reluctance to tell his people the truth in this area, he admitted that he owed a $750,000 debt on his church building and that Jewish bankers held the notes, and that if he took a stand on the issue, they would "close him down." How sad, "For fear of the Jews," the very thing that happened in the early church. (See John 21:19).

The greatest spiritual leader of all time, our own precious Lord Jesus Christ, spoke to the Jewish leaders of His day, the Pharisees, whom the modern Jews recognize as forerunners of their faith. In no uncertain terms He addresses them in John 8:44 - "Ye are of your father the devil and the lusts of your father ye will do. He was a murderer from the beginning and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own; for he is a liar and the father of it." He goes on to clarify this in vs. 47, when He said: "He that is of God heareth God's words: ye there fore hear them not, BECAUSE YE ARE NOT OF GOD." (Emphasis mine). Mighty plain I'd say.

These same Jewish leaders had just admitted in vs. 33 that they were not Israelites, when they stated: "We be Abraham's seed and were never in bondage to any man." If they had been true Israelites, they could not have made this statement, since any Bible scholar knows the Israelites had been in captivity in Egypt, Assyria and Babylon.

In John 10:26 we listen again, as Jesus speaks to their Jewish religious leaders: "Ye believe not, BECAUSE YE ARE NOT OF MY SHEEP!" Again mighty plain!

Then the final capstone on our King's denunciation of His personal enemies comes in Rev. 2:9; 3:9, when the Risen King speaks about "them who say they are Jews (Judeans) and are not, but are of the synagogue of Satan." That is who we are dealing with today, when we deal with modern Jews.

How many warnings must be given before our pastors will listen to scriptural truth? I know it's not pleasant to face the truth, when you have been wrong for years. I know how traumatic it is to admit you have been wrong. But how shocking it may be; no matter how much it goes against the teaching of modern Christianity, the Word of God must have priority over the teachings of man. If that causes me to be hated by erstwhile friends, so be it and I should possibly say with the Apostle Paul, "Am I to become your enemy, because I tell you the truth?" (Gal. 4:16).

Christ prophesied that His teachings would dnds.e households (Matt. 10:34). That has happened.

Yet I have found many good Christians, who will take the word of the pastor, over what the Bible clearly teaches and when I warn them about this, they get angry and call me names.

I can remember back to the days when I was speaking on communism for the AMERICAN OPINION SPEAKERS BUREAU of the John Birch Society. This was before I recognized the danger in Judaism. I was constantly amazed how intelligent men could turn down the idea that a conspiracy existed against their freedom, when history is full of documented proofs of such a conspiracy. They would admit to conspiracies in the past, but refused to admit one existed now. When I would give them documented proofs of this conspiracy, mild mannered men would turn into people who would literally rant and rave and call me a "member of the lunatic fringe." One TV moderator, a Jew to be sure, called me a "pornographer of paranoia," when I proved that Jews were behind most of our spiritual and economic problems. He had no recourse but to attack me, for I had truth on my side.

My Christian friend, are you more interested in taking a popular stand, than you are in the safety of your family?

I am not particularly interested in whether you believe me or not, since my job is not to persuade you. I am a watchman with a warning concerning enemy action against you. What you do with that warning will then become a matter between you and God. But I believe as Henry Ford, Sr. believed in 1922, when he defended his book THE INTERNATIONAL JEW, against Zionist attacks: "Our statements must be judged by candid readers who are intelligent enough to lay words alongside life as they are able to observe it. If our word and their observations agree, my case is made! It is perfectly silly to damn us before it is shown that our statements are baseless or reckless. The first item to be considered is the truth of what we have set forth; it is precisely this item, which the Jews wish to evade." Yes indeed, my Christian friend, the Jews do not want you to know what they are doing to you!

Before you condemn me for my stand on JUDAISM and ZIONISM, I dare you to take the fate which I present and place them under the most powerful magnifying glass of truth which you can find - the Holy Bible and the record of history - when you find that I have told you the truth, let nothing, including your pastor or church, stand in your way of proclaiming it, for God will hold you responsible for what you know.

If you are afraid of the truth, then read no farther for the more you know, the more you will be held accountable for.

Most of the confusion in the world today is unwarranted and unjustified. It would not exist if the clergy and our political leaders were willing to tell us the truth. It is no wonder that we see millions of potential "front-line Christian soldiers," who hide in their spiritual foxholes, folding their holy hands in prayer, as they ask God to handle the dirty work He gave them to do. No wonder this country is in a mess, when the "salt of the earth" the Christian has become the means by which corruption has grown and flourished. In 1 Peter 4:17, the Apostle Peter said; "For the time has come, when judgment MUST begin at the house of God." That word JUDGMENT in the Greek means CONDEMNATION. It's time the Twentieth Century church is CONDEMNED for its luke warmness and apathy and it's refusal to listen to the truth.

I'm convinced that many Christians who are sitting idly by, waiting for the RAPTURE to take them out of the mess their apathy has caused, will be in for the shock of their lives, since they are so tightly sewed into their "shroud of self-righteousness," even the power of Almighty God will not get them unzipped in time, when the Lord does return. Remember what Jesus once said: "Not everyone that saith unto me, Lord! Lord! shall enter into the kingdom of heaven; but he that doeth the will of my Father which is in heaven." You can't do God's will, when you are still tied down trying to "do your own thing!" The work of God goes a lot farther than knocking on doors and inviting someone to church. It goes far beyond telling people about God's love. It means "front line" combat duty in our war against evil.

Too many Christians are like the woman I heard of who was mugged and raped in Central Park New York. A man found her lying on the ground, bleeding from her wounds. He asked her: "Shall I call the police?" To which she responded: "No, don't! I don't want to become involved!"

But my dear Christian brother and sister, you are involved in what is happening whether you want to be or not and in order to stop this spiritual surrender, we must insist on an "about face," on the part of our clergy. Christian organizations such as the Moral Majority will never reach their full potential, until their leaders are completely honest with the people which make up their membership.

Dr. Freedman put his finger squarely on the problem, when he said: "The utterances by the Christian clergy which confuses Christians the most, is the constant repeated utterance that Jesus was a Jew." This is one of their favorite themes! Yet it is a gross misrepresentation and distortion of both historical and scriptural facts.

Most competent teachers and Bible historians will admit that at no time in the New Testament was Jesus ever called a Jew. During His lifetime He was known as a JUDEAN, but never a JEW. The great Hebrew historian, Josephus, wrote some stirring words about Christ, but he never made the mistake of calling Him a Jew. The great church historian Theopolycart, writing about 1080 A.D. said: "The city of the Judeans was taken, and the wrath of God was kindled against them: as also Joseph us witnesses, that this came upon them on account of the death of Jesus."

When Pontius Pilate, the Roman Governor who ordered Christ's execution had an inscription placed over the head of Jesus, it was made up of the Latin words: IESUS NAZARENOUS REX IUDEORUM. Pilate was expressing his sarcasm and contempt for the Jewish leaders who had condemned an innocent man to death. By no stretch of the imagination can this inscription be made to read JESUS OF NAZARETH, KING OF THE JEWS. Anyone who understands Latin known it reads: JESUS OF NAZARETH, RULER OF THE JUDEANS.

During His lifetime, at no place in scripture was Jesus ever called the "king of the Jews." Christ was crucified, not because He was guilty of any crime, either religious or civil, but because it became politically expedient for Pilate to remain on friendly terms with the Pharisee leaders and because it was in God's plan that His Son die for the sins of His people, Israel.

With the exception of a few of His followers, most of the Judeans abhorred His teachings. On the day of Pentecost, there were only 120 faithful followers in that upper room (Acts 1:15).

The fact that Jesus was never called a Jew, or was ever known by that name, cannot be erased by the wishful thinking of Christian Zionist preachers in an attempt to justify their support of these Christ haters.

There was no factual foundation in history or the scriptures for Pilate to use the word JEW to describe Jesus and there is no way you can come up with a religious connotation for this word, for at the time of Christ, in no place in the known world, were there a people called JEWS.

The intellectual dishonesty of our Bible scholars can be seen in that they use the "secondary" meaning of the word JEW in order to confuse their people. They give it a religious connotation, when almost universally it refers to the place in Palestine known as JUDEA. It has much the same relationship to the original, as the word "camel" has to the cigarette which bears that name.

When the woman at the well of Samaria in John 4:22 was told by Jesus: "Ye (Samaritans) worship ye know not what; we know what we worship, for salvation is of the Jews." Anyone with any common sense can tell that this is a mis-translation, for we know that salvation does not come through any people, but through one person, the Son of God. The correct, original translation read: "For salvation cometh out of Judea," and this makes sense, for this was whence Jesus came.

We must demand that our clergy be absolutely honest in the pulpit and when the pulpits of Christian AMERICAN BECOME PROPAGANDA PLATFORMS FOR AN ATHEIST, anti-Christ heathen culture called JUDAISM, then the church is in deep trouble indeed.

It is a fact, proven by scripture and history, that the religion, nationality and culture of Jesus was not the race, nationality and culture of those who were known as Pharisees. Jesus once said: "By their fruits shall ye know them." Are you willing to commit the blasphemy of saying that the fruits of modern Judaism are the fruits which Jesus and the Apostle Paul spoke about in the New Testament?

Jesus never practiced the religion of the Jews. He abhorred it and -it is clearly shown in His teachings. The religious beliefs taught in the synagogues of Jesus' time, are the same which are taught to modern Jewry and were those things which Jesus called the "traditions of men, which turn men away from the commandments of God."

The Rabbinate of 1989, is the same "den of vipers, the same whited sepulchre" it was in Jesus time.

Rabbi Michael Rodkinson, a Rabbi who translated the TALMUD, in his book THE HISTORY OF THE TALMUD, makes this obvious false statement: "The source from which Jesus of Nazareth drew the teachings which enabled Him to revolutionize the world **...** is the Talmud **...** the written tradition of the elders." Do you believe this, when t thion of God said to these hypocrites: "Ye have made the word of God of non-effect through your traditions?" (Mark 7:13)

Have you so far departed from the faith that you would believe a religious book which encourages incest, rape of non-Jews, and beastiality, would be the basis of Christ's teachings?

Are you willing to accept these teachings found in the TALMUD, and I quote Volume and verse:

> KALLAH, lb (18b) - "Jesus was illegitimate and was conceived during menstruation."
>
> SCABBATH XIV - "Jesus is referred to as the son of a Roman soldier and a Jewish prostitute."
>
> SANHEDRIN, 103a - This passage suggests that Christ seduced and destroyed Israel.
>
> SANHEDRIN, 107b - "This passage suggests that Christ corrupted His morals and dishonored Himself.
>
> HILKOTH MELAKHIM - "Suggests that Christians sin by worshipping Christ.
>
> HILKOTH MAKKHALOTH - States that Christians are idolaters.
>
> ORACH CHAIM (20, 2) - Says that Christians often disguise themselves in order to kill Jews.
>
> ABHODAH ZORAH (15b) - Suggests that Christians have sexual relations with animals.
>
> CHAGIGAH, (15b) - States that a Jew is considered to be good in the eyes of God in spite of any sins he commits.

On and on we could go, ad nauseam, for 63 volumes and thousands of pages. Much of it is too filthy to even quote in public. Yet this is what the Jews are taught in their synagogues. Do you honestly believe Christianity got its start from this filth?

Most Americans, especially those who are dedicated Christians, are deeply disturbed by the present conditions we see in America and they should be but have you ever been honest enough to look for the names of those who are behind this collapse? Have you ever studied the fact, that at least since the Civil War, the economy of America has been under the control of International Jewish bankers and that they have siphoned off most of the real wealth of America, until today we are a broke and bankrupt people?

When our country was very new, the venerable old statesman Benjamin Franklin warned the First Continental Congress in 1789 about the influence of Jewry on American life. He said: "I fully agree with General Washington, that we must protect this young nation from an insidious influence and penetration. That menace, gentlemen, is the Jew.

"In whatever country Jews have settled in any number, they have lowered its moral tone, depreciated its commercial integrity; have segregated themselves and have not been assimilated; have sneered at and tried to undermine the Christian religion upon which this nation was founded by objecting to its restrictions; have built a state within a state and when opposed have tried to strangle that country to death financially as in the case of Spain and Portugal.

"For over 1,700 years, the Jews have been bewailing their sad fate in that they have been exiled from their homeland, as they call Palestine. But, gentlemen, did the world give it to them in fee simple, they would at once find some reason for not returning. Why? They cannot live among themselves. They must subsist on Christians and other people not of their race.

"If you do not exclude them from these United States, in less than 200 years they will have swarmed here in such great numbers that they will dominate and devour the land, and change our form of government, for which we Americans have shed blood, given our lives, our substance, and jeopardized our liberty.

"If you do not exclude them, in less than 200 years our descendants will be working in the fields to furnish them substance while they will be in the counting houses rubbing their hands. I warn you, gentlemen, if you do not exclude the Jews for all time, your children will curse you in your graves.

"Jews, gentlemen, are Asiatics, let them be born where they will or how many generations they are away from Asia. Their ideas do not conform to any American's, and they will not even though they live among us for ten generations. A leopard cannot change his spots. Jews are Asiatics, are a menace to this country if permitted entrance and should be excluded by this Constitutional Convention." (UNQ.)

This letter was originally in the PINCKNEY DIARY, which was in the Franklin Museum in Philadelphia, but mysteriously disappeared. Ben Franklin was a true prophet, for his dire predictions have come true in 1993.

I do not advocate hatred of the Jewish people. I believe there are many Jews in the "rank and file" of Jewry who would oppose the plan of World Zionism, if they knew what it was. They are as "brainwashed" as the average Christian.

But I do say this. We must not allow International Jewry to control our government and our finances, our media, our educational system and our churches. So our first priority, I believe, must be to rid our churches of the Zionist prostitutes.

Now, during the most critical period in American history, our watchword must be: TONIGHT, PUT ONLY CHRISTIAN AMERICANS ON GUARD! Let's get the aliens out of our government; out of our school system; out of the media; out of the church. We can no longer afford to allow them in our midst. Let us once again raise the "banner of the cross" over America and let it truly be "one nation, under God".

Let us remember the stirring words of the BATTLE HYMN OF THE REPUBLIC, which have been removed from our modern version:

"I have read a fiery Gospel,
Writ in burnished rows of steel;
As ye deal with my contemners,
So with you my grace will deal.
Let the Hero born of woman,
Crush the serpent with His heel,

Since our God is marching on."

Then let you and I; those of us who truly love our God, be watchmen on the walls of Israel America, to spread the warning wherever our people meet. Let us be the men and women who will "make up the hedge, and stand in the gap," before our God. With Him we will be triumphant for He has told us: "This is the victory that overcomes the world; even your faith."

WHITE, CHRISTIAN AMERICA! ARISE AND GO FORWARD TO YOUR DESTINY!

- THE END -

EPILOGUE

It will do Christians no good to attack the arms of the octopus - the filthy arms of prostitution, drugs, pornography, immorality, sex education, alcohol - you know them all! It will do us no good to attack them, when the head is allowed to remain healthy. Who is behind these things? Look at their names. They must be exposed if we are to survive as a free Christian nation!

This will be a dangerous undertaking, for Zionist power is strong in this country. It will not be a task for "sunshine patriots." Jewish judges and lawyers control our court system. I challenge you to look at most of the liberal decisions which have been made in our courts in the past thirty years and see if there is not a Jewish name behind it. The arm of the Anti-Defamation League is long and vicious. Their true colors have been "red" since their inception. But we must never falter in this battle.

We have no quarrel with Jewry if they want to live in peace with the rest of the world. Let them show this by their actions, not in the multitude of their words. Let them dissolve the Communist-Socialist Parties they control. Let them give up their efforts to destroy Christianity. Let them clean up the cesspool of Hollywood and tell the truth in their controlled press.

Let them turn loose the captive people's they control through Communism. Let them free the world from the materialistic propaganda with which they have poisoned a whole generation of our youth. Let them show an honest effort in negotiation with their Arab neighbors.

If they show us that they are honest and sincere, then let them live in peace within the borders of their own land.

But if they continue their deceit for the purpose of controlling the world. If they say they have nothing to do with the ills of the world, which has been brought about by their design. If they refuse to stop the propaganda which is making liars out of honest preachers. Then it lies in us to defend ourselves, our faith, our race, our country and our freedom with any means that is at hand. If this means once again banishing the Jews from our country this may have to be our answer. With God's help, we intend to do whatever is necessary to defend our families, our churches, and our blessed land.

We will then go a step farther and clean out the Jewish "stooges" who have betrayed us from behind our pulpits; we will clean them out of our government, if this means treason trials for some, then so be it. This cancer MUST be excised, once and for all if we are to survive. We will never surrender, for we can stand on our Lord's promise that the "gates of hell shall not prevail against His church."

Our freedom, my friends, was not "bought and paid for at Valley Forge," this was only a down-payment. Each generation must make a payment on account," if we desire to remain free. We will either face the truth and act on it, or we will be destroyed as a free people.

But I would leave you with this final message of warning. The JEW and ALIENS in America are not the CAUSE of our problem. They are the EFFECT of White Christian disobedience (see

Deuteronomy 28). The biggest and most important lesson our people MUST learn, if we are to survive, is that OBEDIENCE TO GOD MUST COME BEFORE WE CAN HAVE VICTORY! We already have A FORMULA FOR SURVIVAL which will work, if we are willing to give it more than "lip service". It is found in 2 Chron. 7:14. There are two options available for it to work: (1) the "easy way - God's way; or, (2) continue "doing our own thing", and learning the hard way that "The way of the transgressor (they who buck God) is indeed very hard, and always leads to disaster". Must our White Christian Americans be "driven to their knees and have their nose rubbed in the dirt, before they will listen to God, obey, and be saved, both physically and spiritually?" MAY GOD HAVE MERCY ON AMERICA! and "mend her every flaw."
